MORE PAVING THAN USUAL

Records Will Be Broken This Summer, it is Said.

DESPITE LIMITATIONS OF THE FUND

Engineering Department Expects to Give Figures as to Amount of Money Available in Few Days.

Statements are made in the city engineer's office that despite the limitations on the intersection fund paving this summer will break all records back to 1898, when nearly \$1,000,000 worth of street flooring was put down. It is now clear that considerable paving desired cannot be obtained this year owing to the shortage of money in the intersection fund, out of which the city must pay for the paving put in at street intersections. Just how much money is available and how far it will carry the improvements contemplated has not been estimated, but the engineering department expects to be able to give figures on the matter within a few days.

Up to the present petitions have been filed calling for paving on thirty streets. For seven of these jobs bids have been opened and the proceedings have reached a point that means actual work within two weeks or so. Bids on four other jobs will be opened at the next council meeting, June 20. At this same meeting ordinances will be introduced creating improvement districts and ordering paving on twelve other streets. Besides this seven petitions are in various stages of progress after being filed at the city hall.

Jobs Ready for Bids.

The jobs for which bids will be opened Tuesday night are: Capitol avenue, Twenty-fourth to Twenty-sixth; Douglas, Twentieth to Twenty-fourth; Leavenworth Park, Thirtieth to Thirty-seventh; Thirty-third, Cuming to Charles.

The new improvement districts to be created are: Twentieth, Dodge to Cass; Dewey avenue, Thirty-eighth to Thirty-ninth; Howard, Thirty-fifth avenue to Thirty-sixth; Thirty-seventh, Farnam to Dodge; Thirty-fifth, Harney to Dewey avenue; Seventeenth, Davenport to Webster; Harney, Thirty-third to Thirty-sixth; Davenport, Fortieth to Forty-third; Davenport, Central boulevard to Thirty-first; Twenty-ninth, Farnam to Dodge; Lake, Eighteenth to Twenty-fourth; Twentieth, Dodge to Farnam.

These petitions are working their way through red tape:

California, Twenty-third to Twenty-sixth; Twenty-fifth, Dodge to California; Miami, Twenty-second to Twenty-fourth; Maple, Twentieth to Twenty-fourth; Davenport, Eighteenth to Twenty-second; Jackson, Ninth to Tenth; Tenth, Lincoln avenue to Castellar.

FIND MAN IN PLUMBING SHOP

Calvert Says He Blew In, but Police Inclined to Think Otherwise.

In response to a telephone call from Headquarters and Harney streets last evening Sergeant Sigwart and Officer Devereaux went to Hanighen's plumbing shop, 403 South Fifteenth street, and arrested E. H. Calvert under circumstances that lead the authorities to believe Calvert and a pal were trying to commit a robbery. Calvert was caught inside the shop, while a man he says was with him made his escape. Calvert is charged with being a suspicious character, pending a further investigation

of the case. A pane of glass in the front door was broken and the key turned from the inside. A stick of wood with pieces of glass clinging to one end was taken to police headquarters as evidence.

Calvert has been an employee at the Hanighen shop for two months. He said he had been drinking during the evening and while sitting on a bench in front of the shop lost his equilibrium when a gust of wind came along and in that manner fell against the glass. He maintains he had no felonious intentions.

LOCAL BREVITIES.

The largest assortment of White Canvas Oxford is at the Sorosis Shoe Store.

John Melby has been fined \$22 and costs in police court, when he was arraigned on the charge of pilfering a small diamond stick pin from Joe O. A tailor.

Ed McConnell has been sentenced to thirty days by Police Judge Berka. McConnell was charged with stealing the lining of Archie Gordon's ice box.

Elaborate preparations are being made for the outing of the Omaha Hotel Clerks' association at Hanson park Monday evening at the pavilion. The association will be the special guests of W. S. Baldwin.

Articles of incorporation have been filed with the county clerk by the Cudahy Packing company of Omaha, with its headquarters at South Omaha. The incorporators are Edward A. Cudahy, John Forbes and Thomas Craig.

James Boyle has been arrested by Detectives Mitchell and Davis on suspicion. Boyle was carrying a gunny sack filled with carpenter tools, the possession of which Doyle could not satisfactorily explain. The tools are being held at police headquarters.

Judge Estelle and a jury are busy with the suit of Elizabeth Priddy against the Union Pacific railroad, a suit for damages for personal injuries. Judge Redick and a jury have on trial the personal injury suit of Harvey W. Price against the street railway company.

About fifty members of the Second Presbyterian church happened in on their pastor, Dr. Newnam Hill Burdick and family, 266 North Twenty-sixth street, Monday and spent a very pleasant evening. Incidentally the company left several substantial tokens of their visit.

Frank Brooks of 507 South Thirtieth street has been charged with entering the room of Tony Powell of the same address. Brooks is said to have entered the room and stolen a ring, suit of underwear and a revolver. Brooks stood preliminary hearing and was bound over to the district court on the evidence offered.

Margaret Collins, who owns property at the corner of Seventeenth and Douglas, has brought suit against the Mason City & Fort Dodge Railroad company for \$3,000. She alleges that the construction of the railroad along and in front of her property, the building of a freight warehouse and the construction of a high hill or grade has damaged her holding to the amount named.

John McReynolds, against whom a charge of larceny from the person was filed in police court by Deputy County Attorney Shotwell, has been bound over to the district court. It is alleged McReynolds met a stranger by the name of Adolphus and asked to see his watch, when McReynolds grabbed the watch and fled. The watch is reported as having been sold to Sam Majors for \$1.

Charles Schaubert, who keeps a saloon at Thirtieth and Douglas streets, has filed a suit in the district court against Emma McLeod, well known as the "Lioness" of Council Bluffs. Plaintiff asks to recover \$11.33 alleged to be due on salary earned as manager of the saloon for one month when she is alleged to have owned it, from August to October, 1904. Schaubert lost out in the county court on the same suit.

Edith F. Orlmann, who says she is now a resident of Douglas county, is suing Alphonse E. For divorce. She alleges she married him at San Francisco in September, 1892, three days after he had secured a divorce in Denver. This she did not find out until later, she says. In her petition she contends that the marriage at "Frisco" was illegal, unlawful and void and for further reason for divorce she charges non-support.

A number of old-time residents of Jefferson county, New York, are in receipt of urgent invitations to visit their old home on the occasion of the centennial anniversary of the organization of that county, which will be held at Watertown during the week of June 19-24. A "home week" program has been prepared, which is full of all sorts of good things, and some of the old Jeffersonians are figuring on going from here.

WOMEN REFUSE TO COMPLY

Delegates at Federation Meeting Do Not Act with Ministers.

DECLINE TO VOTE CENSURE OF PRESS

Mrs. Ada J. Lewis of South Omaha is Elected President of Colored Women of Nebraska in Council.

The Colored Women of Nebraska in council at St. John's African Methodist Episcopal church, Friday morning elected permanent officers for the coming year as follows:

President, Mrs. Ada J. Lewis of South Omaha; vice president, Mrs. Ida Curtis of Lincoln; second vice president, Mrs. C. L. Polk of Omaha; secretary, Mrs. L. B. Moore of Lincoln; corresponding secretary, Mrs. Amanda Bingham of Omaha; treasurer, Mrs. Anna Bedell of Lincoln; state organizer, Mrs. Gertrude Marsh; chairman of the board of directors, Mrs. Ellen Corneal, with a board including Mrs. Ophelia Clemons of Omaha, Mrs. Sarah McWilliams of Lincoln, Mrs. Alice Bush of Lincoln, and Mrs. Minnie Costen and Mrs. Lula Wheeler, both of Omaha.

The morning program was carried out as announced, except for the address, "Work and Hope," by Mrs. McWilliams of Lincoln, which was postponed until the afternoon session.

Harmony is Destroyed.

Following the election the harmony that had marked the conduct of the meeting throughout the morning was seriously interrupted by Rev. Mr. Bingham of Mount Zion Baptist church, who, notwithstanding the resentment expressed by some of the delegates at the interference of the ministers at Wednesday's meeting, had been considerably in evidence all morning with expressions and speeches of approval or disapproval of the proceedings. Rev. Mr. Bingham had taken exceptions to the exposition in Wednesday's Bee of the interpretation of the women's council by himself and other ministers and at the close of the election called upon the council to refute the "indignity reflected" upon himself and the "brethren" by the paper, but secretly resenting the intrusion of the men and their advice, the women took no steps to comply with Rev. Mr. Bingham's request. At this he became insistent and in long and loud outbursts of oratory pointed out the duty of women in upholding the dignity of the ministry.

But Women Stand Firm.

But still the club women took no action; instead, one of the most prominent of their number arose in defense of the reporters. She insisted that there had been no misrepresentation of fact and hinted broadly that the brethren deserved ridicule for meddling in a women's meeting. In an effort to restore the house to order the chairman requested Mrs. Elizabeth L. Davis of Chicago, who is here for the purpose of superintending the organization, to speak. Mrs. Davis deplored that any feeling had arisen and told the ministers that, while no discourtesy to them had been intended, their presence in the meeting and their interruptions and suggestions, well meant though they had been, had embarrassed the delegates and tended to make them timid. She pointed out that, as most of the women were inexperienced in parliamentary rule, it was to be expected they would make many mistakes, but that, if left to themselves, they would work out their own problems and that the experience of doing things themselves would but make them the stronger. She urged that no action be taken by the convention

against the press and the meeting adjourned for the day without doing so. A reception was held from 3 to 5 o'clock in honor of the visiting women.

Concert and Reception.

The concert and reception given Friday evening at Zion Baptist church at 225 Grant street was greeted with a large attendance of the representative colored people of the city. The program was varied in character and full of interest. The opening number was a selection by the choir, followed with the invocation by Rev. J. A. Bingham. Mrs. Thomas then sang a solo that was well given. Mrs. Gertrude Marsh gave an interesting address on the subject of "On the Street," and then came a very pretty vocal solo by Mrs. Saunders. Mrs. Anna Bedell of Lincoln, Mrs. J. A. Bush of the same city gave a very instructive talk on "Social Life." The piano solo by Miss Ruth Vandereer of Lincoln was artistically given, and Miss Pearl Starnes' dissertation on the "Forty-nine-Cent Store" was exceedingly good. Miss Minnie Wright gave a fine vocal solo and the oration by Mrs. Starnes immediately following was a very much appreciated effort, replete with eloquence and interest. "Club Greetings" was the theme of Miss M. S. Vannell's talk, the speaker being a Lincoln resident.

The program of the evening closed with a short address to the state officers by Mrs. E. L. Davis, national organizer, of Chicago.

This afternoon at from 1 to 3 o'clock a reception will be given to the newly elected officers and delegates at St. John's African Methodist Episcopal church, Eighteenth and Webster streets. With this reception the convention will conclude its meeting.

DR. COULTER GETS CHILDREN

Father Takes Little Ones Away Without Knowledge of Mother, Who is Deeply Grieved.

Mrs. Alice W. Coulter, wife of Dr. Frank E. Coulter, is deeply affected as a result of the disappearance of her two daughters, Roberta and Marion, who are reported as having been taken by their father from the Lake street school Thursday noon. Nothing has yet been heard from the father and daughters further than that a neighbor of Mrs. Coulter, who resides at 2313 North Twentieth street, has said Dr. Coulter made the statement he intended to take the children to some place in Iowa, but just where is not known. Mrs. Coulter said Friday morning she did not intend to take any legal proceedings at present to recover the children, as she could not help but feel in her own mind that the daughters would be glad to return to their mother at an early opportunity.

"The girls hardly know their father," stated Mrs. Coulter. "I have reared and cared for them right along and their disappearance comes as a severe blow. If I am confident they will soon return, at if they should not want to come back to me I will not take any action in the case," continued the woman.

Roberta is 7 years of age and Marion 16. They had not seen their father since last January until Thursday.

Dr. Coulter is said to have been in Sioux Falls and other parts of South Dakota since the dismissal of divorce proceedings started in Judge Day's court a year ago. He has been in Omaha off and on and had been in the habit of seeing the children occasionally.

The first intimation Mrs. Coulter had of

her husband's presence in the city was a note sent to her house Thursday noon by one of the teachers of the Lake school, saying the doctor had called for the children and was going to take them to lunch.

Dr. Coulter's mother, who resides at 323 Lake street, said she did not know anything of the affair and merely heard her son had been in the city.

Police officials say the matter has not been brought to their attention for any action on their part.
