# A HEALTHY OLD AGE **OFTENTHE BESTPART OF LIFE** Help for Women Passing Through Change of Life

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Nervous exhaustion invites disease. This statement is the positive truth. When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger ; your nerves have given out ; you need building up at once ! To build up woman's nervous system and during the period of change of life we know of no better nedicine than Lydia E. Pinkham's Here is an Vegetable Compound. illustration. Mrs. Mary L.
