

SOCIETY IN SUMMER TIME

Swill Folk Settle Down to Quiet Schedule for Hot Weather.

CLUBS AND COUNTRY HOUSES PEOPLED

Outdoor Affairs Have the Preference and Evenings on Verandas Are the Popular Thing Just Now.

The Social Calendar.

MONDAY—Mr. and Mrs. W. A. Redick's dancing party at the Country club; Mrs. A. C. Smith's luncheon and bridge party at the Country club; Mrs. Henry Wynne's bridge party at Mrs. Newhall's; Mrs. J. B. Berry's luncheon at the Field club.

WEDNESDAY—Hall-Moxham wedding; ladies' day at the Country club. THURSDAY—"As You Like It" at Hanscom park for the benefit of the public playgrounds. FRIDAY—Miss Helen Thomas entertains informally.

With the June weddings and the entertainment of the brides, society seems to have made its final effort for the summer and from now on those who expect much of a formal nature are likely to be disappointed. Of course the college folks will be doing things a little along, but they are not all going to summer in town; many will accompany their parents to some summer place. This week's calendar is a slim affair, but there will be luncheons at the Country club Wednesday and the regular Saturday evening hop and dinners at both the Country and Field clubs.

Perhaps it is because the season is still young or perhaps society is only beginning to realize the possibilities of the club houses, but for some reason Sunday evening is becoming one of the most popular occasions of the week at the Field and Country clubs. The supper parties are becoming more and more numerous and the veranda chairs more and more in demand. A week ago tonight the gathering at the Field club was little less than a crowd.

The match between the Country and Field club teams on the Field club links Saturday afternoon took society out there in numbers yesterday afternoon. The women came late in the afternoon and there were a number of dinner parties. Among those who entertained were Mr. and Mrs. Harry Jordan, who had a party of six; Mr. and Mrs. Felix McShane; Mr. and Mrs. W. J. C. Kenyon, a party of four; Dr. and Mrs. J. E. Summers, Jr., ten; Mr. A. C. Grimmel, three; Mr. and Mrs. L. H. Korty, four; Mr. and Mrs. Julius Kessler, four. At the Country club the attendance was not so large, the following being the list: Mr. and Mrs. John A. McShane had as their guests Dr. and Mrs. C. C. Allison, Mr. and Mrs. F. P. Kirkendall, Mrs. Burnett and Mrs. Sharp.

With Mr. and Mrs. R. F. Hall were Mr. and Mrs. William Ayerling, Miss Jean Ayerling and Mr. Ware Hall. Mr. and Mrs. T. J. Mahoney entertained Mr. and Mrs. R. C. Howe, Mr. and Mrs. F. H. Gaines and Judge and Mrs. Vinsonhaier.

Mr. and Mrs. W. E. Martin entertained a party of five, Mr. and Mrs. A. V. Kinsey had two guests and Mr. and Mrs. C. H. Goulu a party of three. A party of twenty of the young people who are home from school filled another table.

"I am well now and enjoying better health than ever before in my whole life."

That is the statement of a woman who had never been well until she was made well by the use of Dr. Pierce's Favorite Prescription. There are a great many other women in like case. They have always been sufferers from disease. They have never known the joy of perfect health.

For all such women Dr. Pierce's Favorite Prescription holds out the prospect of perfect and permanent health, by the cure of the womanly diseases which weaken women. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

It gives me pleasure to let you know of the great benefit received from Dr. Pierce's medicine and the advice which you so kindly sent. Miss Mrs. Bertie Parker, of "Yankee," Ca., Texas. "I took your 'Favorite Prescription,' 'Golden Medical Discovery' and 'Pleasant Pellets,' and followed your advice. I had been treated by different doctors and spent one hundred dollars for treatment and medicine, but received very little relief. I have only spent a few dollars and my health is now perfect. I had been suffering in lower portion of body and had been all through my body. Pain in uterus was very severe. Had smearing spots, breath was very short all the time, had pain in stomach, pain in my thighs, pain in breast, also between my shoulders. Bowels constipated. I am well now and enjoying better health than ever before in my whole life. Am happy to tell you that I was cured by your good advice and good medicine, the 'Favorite Prescription,' 'Golden Medical Discovery' and 'Pleasant Pellets' and 'Lotion Tablets.' These medicines cured me and will cure others also."

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss, therefore accept no substitute. Dr. Pierce's Pleasant Pellets regulate the bowels.
