RAHAM GETS THEEE OF TEN HITS

McNeeley is Toucked Eight Times Safely, but He Reeps Them Scattered and Has Good

Control.

Omaha, 8; Denver L McNeeley was the stumbling block in the vay of Denver's pennant aspirations at Inton street park Monday afternoon, oiding them to one little run while his cam mates were lambasting Rodenbaugh, be new twirler secured from St. Paul, for nough hits to make a total of eight runs, he final score being 8 to 1. McNeeley itched gilt-edged ball, and at no time was he game in any danger for Omaha, and his in spite of the fact that it was ladies' lay and the women and children were out the hundreds. It was a magnificent fonday crowd, and the entire Omaha team macked up McNeeley in a way that wins mil games.

nd each team made two errors, both the benver errors assisting in the run getting. nd neither of the Omaha errors doing any njury. McNeeley did not pass a man and elded his position in fine form, but the lew youth from St. Paul was easy picking or Omaha. Wheeler would not take him ut when Omaha was lambasting him, but nade him stay and take his medicine.

How the Game Starts. Dolan fumbled Cassady's grounder in the fret inning and that youth stole second, out the best Wheeler and White could do vas to hit the ball to McNeeley. Franck nade a double in the first inning for maha, but it was also wasted. McHale, he first man up in the second, hit safely, sut he could not get beyond first base. 'Twas different in the second for Omaha. After two men were out Graham hit for double and was driven home by brand's single. McNeeley walked and Bel-

den drove both him and Labrand home

That was three to the good for Omaha, and it looked like it might be enough, judgng from the gait which NcNeeley was going. Wheeler hit a double to the fence in he third, but that was wasted. "Three runs will never win this game," yelled Pat Bonannon, the giant twirler for the Mountainers. The Rourke family thought it might so and proceeded to annex some more. n the third Welch walked, stole second, went to third when Reddick missed the throw and came home on Dolan's single. Three Hits in a Row.

Denver made a lonely little run in the fifth nning and it took three singles and an out to do it. With one out, Murphy, Cassady and Wheeler singled and the bases were illed. White hit a grounder to Graham, who touched the runner between first and second, but Murphy crossed the plate, Mc-Hale's grounder sent them all to the field. Omaha let matters run as they were until the seventh inning, when two more runs were made to cinch the game. Graham brand's safe bunt left them both on bases. McNeeley executed a good sacrifice and Belden's hit to the pitcher sent Graham home and Labrand came home on Franck's

Two more were added to the score in the eighth inning. Welch walked and got out on Dolan's attempt to sacrifice. Austin's grounder to the pitcher put Dolan the bunt a mile, but the pitcher seemed rattled and threw so wild to first that both Austin and Graham scored. A fast double play from Franck to Graham to Gonding ended the game and sent all home

Notes of the Game. Ladies' day was no hoodoo. Graham's third hit turned out to be a ome run bunt.

bome run bunt.

Dolan was cheated out of a beautiful hit by a hard sprint and catch by Cassady in the second inning.

McNeeley grabbed one grounder and would take no chances on throwing the ball, but ran to first with it himself.

Denver has a good first baseman in White. He fields well, sithough he has not hit much in the Omaha games up to date.

Omaha hit the ball. Omaha hit the ball hard from the start and it was only a matter of time when some of those hits would get to going safe.

onding was again sick and did not up at the grounds, but Labrand there all the time and made two and two runs. If Graham can keep up that lick with Batteries: Cudahys, Cunningham and Cashe stick this will surely be the last sidy; Rosgals, Corcoran and James.

It delights the taste and affor ds exquisite pleasure. It cuts but half the price of foreign Champagnes, as there is no duty or ship freight to pay on Cook's Imperial Extra Dry. Served Everywhere

year Omaha fans will have the pleasure year Omaha fans will have the pleasure of watching him play.

Graham has been hitting some for the last two games. Three hits Sunday and three Monday is pretty good for a country boy. He also scored three times Monday.

McNeeley was steady all the way through and, although they hit safely eight times that was all their was to it, for not a man was passed and he kept them close to the sack, McDonough got rattled in the seventh inning. He got it into his head that three men were on bases and when Belden hit to the pitcher and the ball was thrown home McDonough did not try to touch Graham, but stood on the plate instead, thinking that put him out.

Williams Outpitches Jackson. SIOUX CITY, Ia., June 10.—In a slow game on a rather soft field, Williams outpitched Jackson, and the Sioux took the persimmons today from the Pueblo Indians, a to 1. Drill was the only Indian who could hit Williams successfully, and his drives usually came at inopportune times. Score: with a two-sacker. Franck flew out to SIOUX CITY.

LINCOLN, June 10.—Five successive singles, preceded by a base on balls and an error gave Lincoln four runs in the third inning of today's game with Des Moines. Four more runs came the next inning on a pass, a hit by pitcher and three singles. That drove Miller to be bench, Sporer taking his place. Cicotte was hit hard at times, but seldom successfully with men on bases, errors figuring largely in the yisitors run getting. The batting of Davidson, Thomas and Hogriever were features. Score:

## S.S.S. PURIFIES

There is no other part of our physical system upon which so much depends as upon the blood. The muscles, nerves, bones, sinews, skin, and other portions of the body are sustained, developed and enabled to perform their different duties, because they are supplied with nourishment and healthful properties through the circulation. In various ways the blood becomes contaminated and polluted. A sluggish, inactive condition of the system, and torpid state of the avenues of bodily waste, will leave the refuse and waste matter of the body to sour and form uric and other acids, which are absorbed into the blood and Rheumatism, or some itching, disfiguring skin disease is the result. Muddy, sallow complexions, eruptions, splotches, pimples, etc., all show that some humor has taken root in the circulation and rendered it sour and unfit for nourishing the body. There is scarcely any disease which cannot be traced to the blood. Often the disease-tainted blood of parents is handed down to children and their lives are a continual battle against disease in some form, usually of a and their lives are a continual battle against disease in some form, usually of a scroiulous nature. Rheumatism, Catarrh, Skin Diseases, Sores and Ulcers, Contagious Blood Poison, etc., are all deep-seated blood troubles, and until this vital fluid is purified they cannot be cured. For all blood diseases S. S. S. is the best remedy ever put upon the market. This great medicine is made of roots, herbs and barks of recognized blood-purifying and building-up properties. It goes down into the circulation and removes all poisons, impurities and humors, supplies the blood with the healthful properties it needs and completely cures blood diseases of every kind. S. S.
