THE SAFEST, surest investment in Colorado today, 500-acre deposit of the finest red sandstone in the world. Nowhere in the world can be found a stone more thoroughly adapted to immediate use than in these quarries. It is known as the Lyon's red sandstone, and is located at Noland, Colo. The demand for this material is unlimited and the supply inexhaustible; the investment is safe and the profits large and sure. This property can be bought for much less than it is really worth. W. D.
