We were very fortunate to make a good deal for ill lots in Briggs Place, as you may have read in the news items last week. Cheap lots handy to the Farnam car line are scarce and we venture the statement that no such bunch of lots within 12 minutes ride of the heart of Omalia on the Farnam car line can ever again be bought at the price we are going to put these on the market at. These lots are scattered, but there are some bunches suitable for people who want two or three lots together.
