Producers and Small Creameries Are Otto W. Meler of Lincol. whose name Urged to Make a Showing on August 6 at Hearing Over the Cream Rates.

(From a Staff Correspondent.) LINCOLN. July 26 .- (Special.)-The State this cannot be stated for a fact. If the commission does this it will be based upon the testimony given by the representatives of the express companies. The evidence given showed the express companies on their Nebraska business could not make a reasonable return on their business if the rates were reduced 25 per cent. The commission had at hand no evidence to controvert that the the express agents. The express companies will accept the 15 per cent reduction without going to court over the matter, while they intimated they would fight the 25 per cent reduction. Should the commission make an order for a 15 per cent reduction, it will still have the To prepare for a second reduction the comnission will secure information which it for reports to be filed by the express companies and this blank calls for practically everything, including the money taken in at each station in the state, for not only state but interstate business. With such information, which is the same as furnished the Texas commission, the Nebraska commission believes it will be in a position to act intelligently in the matter. The Sibley law provides express companies shall charge 75 per cent of the rates in effect January 1, providing the commission does not increase the rate. The wording of this law, members of the commission believe, shows that the legislature itself was not

Representative Sibley, however, is very anxious for the commission to compel the express companies to give the law a trial not to be made a "sucker" of. The commission will do considerable studying before it makes any kind of an order.

sure that a 25 per cent reduction would

### Hearing on Cream Rate.

The State Rallway commission is anxious to interest the people in the hearing August 6 regarding the rate on cream. The commission has given out the following state-

Are Nebraska dairymen and farmers re-Are Nebraska dairymen and farmers recelving a fair price for their leream? This
is a question that is borne in upon the
minds of the members of the Nebraska
Railway commission with growing emphasis
as their investigation of a proposed increase
in transportation raise on cream and milk
proceeds from day to day.

The importance of the dairy industry can
best be ampreciated by describe what

Never Safe—Last Friday morning while
Mrs. C. W. Betterton was sweeping and cleaning house she gathered a bunch of paper and put it in the stove. As it happened there was a cannon firecracker mixed up with the paper which was uning. They iny aside business cares at 5 or ing. They iny aside business cares at 5 or ing. They iny aside business cares at 5 or ing. They investigate the control of today has which at least one-third, or 2.695.665 pounds, is butter fat. A 2-cent per pounds of cream monthly, of which at least one-third, or 2.695.665 pounds, is butter fat. A 2-cent per pounds in the substitute of the period increase on this volume of business would mean a gain to the producer of \$250.000 pounds of cream monthly, of which at least one-third, or 2.695.665 pounds, is butter fat. A 2-cent per pounds in the substitute of the period increase on this volume of business would mean a gain to the producer of \$250.000 per month, or all the period increase on this volume of business would mean a gain to the producer of \$250.000 per month, or all the period increase on this volume of business would mean a gain to the producer of \$250.000 per month, or all the period increase on this volume of business would mean a gain to the producer of \$250.000 per month, or all the period increase on this volume of business would mean a gain to the producer of \$250.000 per month, or all the period increase on this volume of business would mean a gain to the producer of \$250.000 per month, or all the period increase on this vol Companies.
On the other hand, the large creamery in-

On the other hand, the large creamery in-terests and many of their patrons are op-posing the proposed change on the ground that it would result in lower prices for the producer. They argue that the present rates were voluntarily established by the railroads when the dairy business was in its infancy, and that if they were re-munerative then they must be much more

Small Producers Not Heard From In the meantime the prospective manufacrer who expects to take advantage of any ange in rates which will permit him to churn the cream of his immediate locality into butter is not being heard from on the subject. Neither is the man who milks a few cows and feeds his surplus product to the pigs because distance from market and absence of competition prevent him from whiming with prefit on prevent him

tom shipping with profit.

The dairy interests of this state are immensely important, and are capable of aimost unlimited development. The problem

most unlimited development. The problem of whether a change in rates on cream will assist in upbuilding this industry is worthy of the consideration of every citizen who feels an interest in the future of Nebraska. It should be studied as carefully by the small producer and manufacturer as by the big central creamery manager and railroad official, for all have an equal interest in its solution.

The commission is not bound to adopt the rates pranosed by the railroad people nor to continue those in effect at the present time. They may make any change that appears to be for the benefit of the people generally. It is important that all interests should

or the benefit of the people generally is important that all interests should be represented in the hearing to be held on August 6, for upon the showing then made will depend a decision of great and far-reaching effect upon one of the prin-cipal industries of the state. Conferring on Knox Assessment.

County Assessor Baker of Knox county was in Lincoln today and spent some time discussing assessments with Secretary Bennett of the state board. Mr. Baker exseemed to be discussing a candidate for

brought out as a candidate for district clerk, Mr. Baker went from here to Almost all of North Platte's business citi. Omaha and he had all the appearance of ons met the governor and his wife. He a man carrying a car load of money to distribute among the newsboys, and from the reports received here of his ospitality in his big Knex county home, his looks may not have been deceiving.

ollect the nickle. Both sides had opinions on this matter. In the meantime the city for 25 cents, is lying dormant, and no attempt is being made to enforce it except through the commission, tough the orwas created.

Meier Files as Populist.

was recently filed as a democratic candidate for supreme judge, filed again today as a candidate on the populist ticket for the same office. Under the supreme court ruling his name will go on both tickets. Albert Out for Supreme Judge.

Judge I. L. Albert of Columbus filed his Railway commission is still considering name with the secretary of state today as whether to adopt a schedule of express a candidate for the populist nomination rates 15 per cent lower than the rates now for supreme judge. The name was filed force, and 10 per cent higher than speci- by petition signed by twenty-five populists fied in the Bibley 25 per cent reduction as provided for under the primary law. bill, passed by the recent legislature. It John Everson of Alma is a populist canis probable the commission shortly will didate for judge of the district court in order the 15 per cent reduction, though the Tenth district; William N. Hensley, a democrat of Columbus, is a candidate for district judge in the Sixth district. E. F. McClure of Broken Bow has filed a request to have his name put on the socialist ticket as a candidate for the railway commission, to fill vacancy.

Judge Estelle at Beatrice. BEATRICE, Neb., July 28.-(Special.)-Yesterday was Beatrice day at the chautauqua, and the attendance was the largest and the program the most interesting of any day since the opening. Hon. Charles Landis of Indiana gave his "Message of an Optimist," and he was followed by right to make a further reduction later. Judge Lee Estelle of Omaha, who spoke on juvenile courts. He called attention to the child labor law in this state, and rehas not now. It has prepared a blank ferred to the coal mines of Pennsylvania. where the condition of the children who work in the coal breakers is appalling, sickening to one not hardened by custom to the sight of children being disfigured body and soul that their lives might be coined into corporation dividends. Judge Estelle's remarks relating to juvenile courts were interesting and made a profound impression. He told many pathetic stories from his experience as judge of the juvenile court in Omaha. He declared that a child who could be interested in something good and drawn away from evil influences, could be saved. He would prefer to see the punishment visited upon the criminally negligent parents. The speaker in the eyening was Robert Seeds, and he exposed the mistakes of life in his usual pleasing manner. Today was Gage county day, and and he has written a member telling him Mr. Seeds delivered an interesting address to the farmers present.

Pike in Peck of Trouble.

DAVENPORT, Neb., July 26 .- (Special relegram.)-The arrest of John Pike at Norfolk Saturday last on a paternity charge preferred by Myrtle Hendrickson at Fremont, caused surprise here, where Pike's parents reside, Mr. Pike being a Davenport merchant. Miss Hendrickson here now. Pike was a telegraph operator, stand trial in the district court on

gram.)-Senator LaFollette addressed a the one in Wyoming being but 21. that all present national railroad legislation is ineffective because it does not provide for determining the actual value of railroad property. Senator LaFollette's argument was that before there can be proper regulation or taxation of railroads and other corporations there must be means of ascertaining the actual value of such property. The price of products and of railroad rates. he said, should be fixed so that they would give a fair return on the actual investment, and no more. Senator LaFollette was listened to by 7,000 people. Judge Lindsey tomorrow- afternoon on "The Story of

Bee Keepers in Convention. KEARNEY, Neb., July 26 .- (Special Telegram.)-A meeting of the Buffalo County Bee Keepers' association was held at the tended by the bee keepers, considering the husy season. The first speaker on the program was Bee Inspector H. Wood, who resides in this city, on the subject of foul brood. He was followed by A. P. Salgren, John Hume, Elwood Jenkins, L. A. Ganson and E. Bowker, who all spoke on the keeping and raising of the bee. The membership and interest is growing and the society is in a flourishing condition. A display is planned for this winter at the Corn Growers' exhibit and a campaign of education will be carried on to promote the use of

honey and the keeping of more bees. Christian Endeavor Convention. KEARNEY, Neb., July 26.-(Special Telegram.)-The Christian Endcavor societies tinued. of the Seventh district of Nebraska will hold a convention in this city at the Presbyterian church, beginning tonight and continuing over Sunday. Hamfiton, Merrick, Hall, Buffalo, Dawson, Custer, Thomas, Blaine, Greeley, Valley, Sherman, Loup and

### MEAT OR CEREALS A Question of Interest to All Careful Persons.

Arguments on food are interesting. Many persons adopt a vegetarian diet on the ground that they do not like to feel that life has been taken to feed them, nor do they fancy the thought of eating dead

On the other hand, too great consumption of partly cooked, starchy oats and wheat or white bread, pastry, etc., produces serious bowel troubles, because the bowel digestive organs, (where starch is digested), are overtaxed and the food ferments, producing gas, and microbes generate in the decayed, food, frequently bringing on peritonitis and appendicitis. Starchy food is absolutely essential to the human body. Its best form is shown in the food "Grape-Nuts." where the starch is changed into a form of sugar during the process of manufacture. In this way, the required food is presented lot of time today listening to City Attor- to the system in a pre-digested form and is 'mmediately made into blood and

A remarkable result in nourishment is obtained; the person using Grepe-Nuts gains quickly in physical and mental strength. Why in mental? Because the food contains delicate particles of Phosphate of Potash obtained from the grains, much money the conductor would knock and this unites with the albumen of all food and the combination is what nature uses to rebuild worn out cells in the which destroyed a livery stable here today general understanding if he sold 400 tick- brain. This is a scientific fact that can "There's a Reason." Read THERE IS NO DOUBT ABOUT IT! OUR 10th SEMI-ANNUAL

Hudson Held for Trial. TECUMSEH, Neb., July 26.-(Special.)

-Simeon Hudson, alleged forger, who was brought up here, her mother residing shot Sheriff Miner, was bound over to having worked for the Northwestern at forgery charge in a preliminary examina-Arlington and several other places during tion in the county court here today. The the last three years. His father, William case has caused great interest and the Pike, left this morning for Fremont, where court room would not hold the people young Pike is in jail, to give ball for his who desired to hear the preliminary, and son's appearance at the next term of dis- adjournment was taken to the district triet court. Miss Hendrickson left Hast- court room. Hudson's father, D. W. Hudson, arrived from Redding, Ia., in response to his son's telegram last night. The father says one son, Stanley Hudson, is serving his second term in the Wyoming penitentiary, and that Simeon Hudson was paroled from the Iowa penitentiary and took French leave without serving his full time. Both are young, the one here being 23 years of age and

Silver Wedding Celebration. Mr. and Mrs. Mads Anderson celebrated their silver wedding yesterday afternoon at their fine farm home near Cushing, A large assembly of the people of the north side and also old friends and neighbors from St. Paul and elsewhere participated in the festivities and the day was made a most enjoyable one for the honored couple and their many friends as well. Mr. Anderson has been a leading factor both in the business and agricultural development of the county. For many years he was a prominent merchant in this city and during the last dozen of Denver will lecture at the chautauqua years he has been a very successful farmer, his farm on the north side being conducted upon model and scientific lines, In September Mr. and Mrs. Anderson will go to Europe for a year's visit.

### Union Pacific Laying Track.

NORTH PLATTE, Neb., July 26 .- (Special city hall this morning, which was well at- Telegram.)-The Union Pacific resumed tracklaying on the North Platte river branch this morning with a force of 350 workmen, mostly foreigners, and more are being sent as fast as they can be secured. These laborers have been divided into four gangs-two surfacing gangs of eighty each, a steel laying gang of nearly 100, and the rest as a loading gang at O'Fallon station. where the material is loaded. Roadmaster Hammer says that if material can be furnished as needed 10,000 feet will be added each day. At this rate Lewellen will be reached next week and Oshkosh ten days later. The present intention is to build within five miles of Bridgeport and there wait until it can be determined upon which side of the river the road is to be con-

### Phenomenal Wheat Yield.

FALLS CITY, Neb., July 26 .- (Special.)-Fred School, a farmer living near here, harvested a thirty-acre field of wheat, which averaged a trifle over fifty-one bushels to the acre. This is a phenomenal ald for any weat country and something unheard of in southeastern Nebraska, although we have very large crops every year. All small grain has done exception ally well this year, and the fruit crop was

much better than was expected. Governor at Kearney Normal. KEARNEY, Neb., July 26.-(Special.)-

Governor Shelden arrived in the city this afternoon and was met at the station by a number of prominent citizens. After the informal meeting at the train the governor was driven out to the State Normal, where he spoke in the chapel to the normal students. Tonight the governor will be the guest of President A. O. Thomas, and a reception in his honor will be given from 8 until 10 o'clock.

BEATRICE, Neb., July 24.-(Special.) -Frank Jurgens, living three miles east of Pickrell, had six ribs broken and received severe cuts and bruises about the body by being trampled upon by a broncho which he was trying to unhitch from the buggy. His condition is seri-

Seriously Injured by Horse.

### Nebraska News Notes. BEATRICE—A report is current that nother bank will soon open for business

BLUE HILL J. J. Martin has com-menced the excavation for the basement of his new building. WYMORE—There is a rumor affoat that new bank is to be started here soon. There are two here now. FALLS CITY-The city authorities are taking steps to beautify the tract of land recently purchased for a city park.

FALLS CITY-Congressman James E. Walson delivered a lecture to a very large audience at Falls City Thursday evening.

Howard counties are represented and a | building and will open for business in about GENEVA-The Brotherhood of St. Paul band gave an open air concert in the park last night, which was enjoyed by many of

our citizens.

BEATRICE-The body of Len Jeffreys, who was killed in a railroad wreck near Belle Plain, la., was brought to DeWitt today for interment. FALLS CITY-Colorado seems to be moving into southeastern Nebraska, as the nights are invariably cool now, while the days are as warm as ever.

BEATRICE—The Omaha elevator in Blue Springs, which has been closed for some time, has again opened for business, with R. Delair in charge.

COLUMBUS—Hard coal has taken a tumble in Columbus and it is offered delivered in the coal bin for \$19 a ton. The price is a half dollar less than at Omaha. NORTH PLATTE—About 125 North Platte people are attending the Frontier day celebration at Cheyenne today. This attraction gets a representative crowd from North Platte.

Neb., have purchased the dry goods and grocery business of Thomas and Martain. Possession was given immediately. E. E. Whitney of Summerfield, Kan., has bought in interest in the restaurant and bakery of

PLATTSMOUTH—Mrs. J. W. Holmes and her mother, Mrs. Joseph Sherra, accompanied by Joseph Keenan, all from this county, will sail from Quebec for Liverpool and will also visit in Dublin and many other cities in Ireland and England before returning. BEATRICE—Frank R. Beers, one of the high school teachers at this place, and Miss Margaret Grimison were married last evening at the home of the bride's parents, Mr. and Mrs. James A. Grimison, at Schutler They will be at home to

at Schuyler. They will be at home in Beatrice after September 15. GENEVA—Mrs. Emmet Sherrard died last night at her home, three miles south of town. She was only ill about a week. She is the daughter of Mark Butler and leaves a husband and little boy over a year old. She was about 23 years of age and was born and raised here.

PLATTSMOUTH—R. W. Hyers, who was previously chief of police in Plattsmouth for two years and sheriff of the county for two years and later was warden of the state penitentiary, has been appointed deputy game warden by the governor, which duties he will assume August 1. August 1. STELLA-Miss Lydia Marts and Fred-

strike-aliss Lydia Marts and Frederick Eston were married at the residence of the bride's parents a few miles north of Town Wednesday. The bride is the daughter of F. G. Marts and the young couple will reside in Edgeriont, S. D., where the groom is in the employ of the Ruslington. Burlington. BEATRICE—The Diller lodge, Ancient order of United Workmen, and the Diller amp, Modern Woodmen of America, with hold their eleventh annual fraternal plonic

at Diller August 16. There will be music and outdoor sports, with addresses by Grand Master Workman Walling and Head Consul Kester. Head Consul Keeter.

REPUBLICAN CITY—Property owners of this piace have decided that plank side-walks are a thing of the past and from henceforth nothing but cement walks will be put down. Already this season over 15,000 square feet of sidewalk has been laid and the town board is asking for pulve for culverts crosswalks, etc. olds for culverts, crosswalks, etc

OXFORD-Miss Blanche Abbott of Pilger, recently elected to teach the second primary department of the Oxford schools, has resigned her position. The board is therefore looking for a competent instructor to take her place. Our schools will open the first Monday in September, with Superintendent Percy Adams in charge. charge.

charge.

REPUBLICAN CITY—For the last twenty days the thermometer has registered as high as 98 to 104 degrees in the shade every day. The weather has been good for harvesting wheat and alfalfa and the corn has not suffered much yet. Threshing is well begun and, while the yield is not as much as usual, the quality is good.

NORTH PLATTE—Elias Genho, who was arrested some time ago upon a charge of grand larceny and receiving stolen goods, was freed yesterday by County Judge Elider after a preliminary hearing lasting one full day. The prosecution was by the Union Pacific, which claimed that he had stolen or received, knowing the same to have been stolen, about \$50 worth of old brass belonging to the railroad. The court found the value of the brass to be about \$20 and therefore refused to bind Genho over.

HEBRON—The recent heavy rains in

NORTH PLATTE—About 125 North Platte people are attending the Frontier day celebration at Cheyenne today. This attraction gets a representative crowd from North Platte.

HEBRON—The first chautauqua ever held in this city will open next Tuesday, July 30, and continue until August 8. A pontoon bridge has been built across the chautauqua will be held.

STELLA—M. Barstler & Son of Burr Neb., have purchased the dry goods and grocery business of Thomas and Martain.

PLATTEMOUTH—The advance value.

pounds per acre.

PLATTSMOUTH—The advance vaudeville sketch, "A Regular Fix," last evening was one of the finest entertainments
ever given in the Parmele play house and
standing room was at a premium. The
principal attractions were Misses Alice
and Ethel Dovey, born in Plattsmouth
and the daughters of Mr. and Mrs. George
E. Dovey, and who have won for themselves a world-wide enviable reputation
for superior acting and sweet singing
upon the stage. They were ably assisted
by F. O. March of Cleveland, O., their
mother and several other Plattsmouth citizens. Misses Alice and Ethel were the
recipients of many heautiful boquats and
flattering congratulations.

SPRINGFIELD—At a mass meeting of

SPRINGFIELD—At a mass meeting of the merchants and business men held in the opera house last night, it was decided to hold a "Merchants' Industrial Parade and Old Settlers Picnic" at Springfield, on Thursday, August 22. The executive comnittee was empowered to carry out the de-alls, and met today and appointed all the mittee was empowered to carry out the details, and met today and appointed all the various committees and the matter is under spood headway now. Sports of all kinds, including a ball game will be pulled off, the fire department will give some exhibition drills to wind up with a bon fire in the evening. Thomas Nelson is chairman of the concession committee. Prominent speakers, including Govern & Sheldon will help to entertain the multitudes, special trains will be run and everything done to make it the biggest and best gathering of the kind ever held in Sarpy county.
