**PARENTS**

When you stop to think about it, you, of course, realize the grave danger that menaces your children when they play in the streets on which there are street car tracks, but do you think about it often enough?  
 And do you caution your children about it often enough?  
 Are you sure that YOUR children are not daily exposing themselves to the danger of being struck by a car—in fact, jeopardizing their lives,  
 Remember that when children are playing, their minds are engrossed with their play and they are utterly unheeded of approaching cars and frequently dart directly in front of them.
