House SPECIEL SALE OF

We are having a special sale of. Mme. Yale's well known Health and Beautifying Products, that will

continue until Saturday night. During that time we shall present a jar of Mme, Yale's "Skin Food" to each customer who purchases any of Mmo. Yale's Remedies to the value of 83 cents or more. This toilet preparation is worth its weight in gold to all who appreciate beautiful soft, white skin, with youthful plumpness. Mme. Yale's Remedies are too well known for us to add anything to their reputation. We are pleased, however, to inform our patrons and the public that the ever steady and increasing demand for these scientific specialties is conclu-sive proof of their popularity. These are the most popular Remedies we have ever handled.

Pacific Magnate Denies All Allega-

tions in Federal Suit.

Answer Says There Never Was Any Competition Between Union and Southern Pacific-No Attempt

to Secure Monopoly,

of the defendant in the suit of the United sie system from the Missouri river to States to dissolve the so-called Harriman system of railroads as being a monopoly in restraint of trade were filed in the federal court here today. These answers make a general denial of the allegations of the government. Resides the answer of E. H. Harriman, signed by himself and Parley L. Williams, his solicitor and coun-have preferred the rivals of the Union sel in Suit Lake City, answers were filed Pacific in routing and interchange traffic and Trust company, of New York; H. C. the total volume of business received over Fricke, the Union Pacific, Oregon Short such an impracticable route in competi-Line, Oregon Railway and Navigation com- tion with the Southern Pacific. pany, and Southern Pacific companies. To caver certain allegations of the governpent joint answers were also necessary of the Southers Pacifia between San and these were also flied.

All Charges Denied.

Harriman, in his answer denied Railroad and Navigation company between that he, with Jacob Schliff, Otto H. Kahn. the two principal points named and ex-James Stillman, or others, have owned or plains that such competition was imprac-controlled a majority of the stock of the timble. He denies that ships operated by Union Pacific. He admits that he is president and the other men were directors. Schiff and Kahn resigned in 1906 and Stillman in 1902. He admits that Schiff and Kahn were members of the firm of Kuhn, Loeb & Co. and that this firm bought stocks and bonds of the Union Pacific and Oregon Short Line, but if is denied that the company was a "fisall agent" of the Union Pacific. He denies that he and the other defendants conspired to restrain trade among the several states and foreign countries or to restrain competition among defendant steam ship and railroad lines, or to deprive the Fe for a volume of truffic to and from the public of advantages of trade and com- Pacific coast.

merce through independent competition, if any there was, or to affect the consolidation with the idea of monopolizing of restraining trade and commerce; admitting. however, that the Union Pacific acquired a majority of the capital stock of the various lines and systems.

#### No Attempt at Monopoly.

denies in each instance that the acquisition of stock was to all competition or monopoliae trade or commerce. Admitting that the directors of several

HARRIMAN FILES HIS REPLY that the Union Pacific has control in management or operation of the effilient management or operation of the affiliated lines. He avers that in the transcontinental lines of railroad reaching the Paclfic coast south of Portland the Union Pacific is but a link about 1,000 miles in length-an intermediate carrier without any power to make rates upon such traf-COMBINATION NOT A MONOPOLY fic; that the Southern Pacific owns and controls lines between Ogden and the coast with no power to make rates on business east of Ogden; that no rates could be made from the Missouri river the coast without the joint consent of the Southern Pacific and the Union Pacific; that while the Union Pacific and its constituent companies separately SALT LAKE CITY, April 7 .- The answer owned connecting lines operated as a sin-

steamships between Portland and Ban Francisco, yet such a route via Portiand was not only impracticable as a competitor of the Southern Pacific, but any attempt to use it as such would have greatly injured the Union Pacific, because Senator W. A. Clark, president of Sult Lake route; the Falrbanks Loan revenue lost would have greatly exceeded

#### No Water Competition.

Mr. Harriman denies that the rall line Francisco and Portland was in active competition with the ships of the Oregon

the Portland & Aslatic Steamship company between Portland and Asiatic ports in connection with the rail lines of the Union Pacific were ever in competition with the Pacific Mail company. He denies that any competition ever existed between the system of railroads and steamships owned by the Union Pacific Railroad company and the Southern Pacific, or, if any such competition did ever exist, it was not substantial or that it Included a large

volume of traffic of any kind. He admits that the Union Pucific, in connection with the Central Pacific, is a Alvin competitor of the Athisun, Topeka & Santa

### How to Avold Appendicitia.

Most victims of appendicitis are those who are habitually constipated. Orino Laxativa Fruit Syrup cures chronic constipation by stimulating the liver and bowcis and restores the natural action of the bowels. Orino Laxative Fruit Syrup does

pleasant to take. Refuse substitutes. For anie by all druggists.

Ever try The Bee Want Ad Columns? If at the defendants are identical, he denies not, do so, and get satisfactory results.

about 3,300,000 acres in North and law, South Dakota will be put upon the market, leaving the Indiana with about the same number of acres. Major McLaughlin, Indian inspector, who negotiated the treaty under which the opening of these lands will be made possible was with the party at the white house today.

Reception to Bride and Groom Senator Burkett next Saturday night will torium the veterans will be able to form ender a reception to his secretary, R. E. Morgan and bride, to meet Nebraskans esident in Washington. The reception will be held at the home of the senior senator. The Nebraska delegation, with their wives, daughters and sisters will be present as will doubtless a large number of resident Nebraskans, with their families

Marking, the Oregon Trail. The house committee on the library today eard informal arguments by Washington epresentatives in congress in support of a bill introduced by Mr. Humphrey authorizing the appointment by the president of a commission to mark with permanent monuments, suitably inscribed, the route of the old Oregon trail from the Missouri river to Puget Sound, and appropriating \$50,000 for the undertaking. No action was taken by the committee Dry Farming Bill Goes Over.

The bill for opening dry farming lands of the west to settlement with allotmens of 320 acres of land for each entryman under the homestead laws was discussed in the senate today. The difficulty in agreeing upon i description of the land so as to confine the operation of the proposed law to land useful only for dry farming resulted in passing the bill over for the day, but it was made a special order for consideration

No Agreement Upon Funsion. When his attention was called to a report that Brigadier General Frederick Funston had practically been decided upon for commandant of the three army service schools at Fort Leavenworth, General Bell declared today that no selection had yet

been made. General Funston, he declared. was only one of many under consideration for the vacancy and which occurs on April 29. Minor Matters at Capital,

Postmasters appointed: Nebraska, Austir Sherman county, John Vandegrift, vice E.

a great swinging circle, so that in fifteen minutes it was possible for the sloop to cut across and catch up; when, by some manocuvring, it became possible to pass the the devil-fish on one end of the line and the ten-ton sloop on the other. For a long

time it seemed as though the devil-fish had the better of it. He towed that big boat steadily out into the gulf for three hours and twenty minutes. It was exactly like being in low of a fair-sized tug. The progress of the boat was not fast, but as steady as if it were being driven by the Irene's

own engines. It may be fair to remark that killing a devil-fish entails as much genuine muscleracking hard work as any task on earth. It is much the same as pulling for hours against a yoke of oxen who are moving off entirely indifferent to one's futile efforts. The devil-fish will not let simple towing tire him. If left to himself, he will sound to bottom, and after reating proceed on ad

infinitum. It is to prevent such realing that one must work constantly by hauling the tow in close to him, thereby frightening him to constant effort. If he can be strained to the point of weakening, then ne may be hauled close enough to harpoon
