DOANE DEFEATED BY BELLEVUE Local Team Conquers Old Opponents in Good Game.

Before a large and enthusiastic crowd the Bellevue college base ball team defeated the Tigers from Doane college yesterday afternoon by the score of 8 to 2. Both teams scored in the second inning, Doane running in one and Bellevue going two better on a single spiece by Dow and Haarmann and a double by Kearns, who came in on a single by Marter. Fast fielding again characterised the play of the ing again characterized the play of the local team and their batting was far above ling again characterised the play of the local team and their batting was far above the average. Marvel, Larson and Fowler pulled off three pretty double plays. Doane's aggregation seemed to be tacking in team work, and Hartwell, their pitcher, seemed to be in poor form.

Marter, in Bellevue's left field, made a spectacular catch of a long fly, running nearly fifty yards and catching the ball in his left hand. Believue filled the bases nearly every inning and several times forced men across the plate. Its infield was like a stone wall and the men, without exception, were in good form. Ohman, although pitching a twelve-inning game Tuesday, lasted through the entire game and pitched good, heady ball.

There is much rejoicing at Believue, due to the fact that this year has brought victory in every form of college activity against their old opponents from Doane. A number of Doane supporters from Omaha were present at the game. Score:

Originals Sunday.

LINCOLN, Neb., April 30.—To the Sporting Editor Omaha Bee: Dear Shr: I have just been informed that one of Omaha's amateur clubs, other than the Lee-Glass-Andreesen team, is spreading the report that it is to play Green's National Indiana next Sunday. May 3. For the information of the public, I wish to state that I have no connection with any Indian team, other that the Original Nebrasks Indians, who are booked to play the Lee-Glass-Andreesen team next Saturday and Sunday, May 2 and 3, at Vinton street park, and any person using my name in connection with any Indian team, other than the Nebraska Indiana, is doing so either through ignorance or a desire to mislead the public. Originals Sunday.

The team that plays the Originals Sunday afternoon at Vinton street park is the only Green's Indian team, and it is the one that has been winning the games. All tolk aside a close fight is anticipated between the Reds and the Omaha Champions Mr. Green says there is not a Pale-face permitted on his team and he doesn't care how many such teams play in Omaha the same day. Here are the line-ups for the teams:

A blind bogey match will be played at the Omaha Field club Saturday and the scores will be used to assist in making out the handleaps for the month of May. The regular opening of the Cmaha Field club will be held Saturday, May 9, when a match will be arranged which should bring out all the golfers. Sporting Gossip.

And Skipper Bill made three bits yet in one game. At that Frank Bowerman has not been sent to the rolling chair. McNeeley is pitching for Colonel Jay Andrews' team in Hutchinson, Kan. Stone evidently has decided that it's bad luck to wait till the senson is half over.

Jack Pfeister was in hard luck Wednes-day. He held the Pirates to five hits and then lost his game. Manager Chance seems to have broken that toe hold that threatened to make a bench warmer of him. Spencer of the Browns says Waddell is

the easiest pitcher to catch he ever saw. Turn in a fire alarm and try him.

You don't hear a great deal about who is the best first baseman in Chicago any more, do you? The jig is about up. Joe Dolan wishes it understood that his excellent work with Des Moines is no reflection on his affection for Omahs. If Sanders will keep up that lick we'll stop calling him the "sunshine" pitcher. Besides, he'll crowd Noah for the flood

captain. Bill Donovan doesn't even know that spring has come. He is still telling that old winter story about Dutch Schafer doing more than any othe: Tiger to win the pennant.

Kid Elberfield thinks the Browns are pen-nant factors in the American. He has not been mistaken in predicting that Williams would put some teamwork ideas into St. Louis noodles.

Barney Dreyfuss admits he once had a chance to get Lajole. Barney is on record as overlooking several good bets in his day; Jack Pfeister, for instance. All this nonsense about barring Merry Widow hats at ball parks might be tole erated if the gate receipts would only show up better. Don't worry, pal, if you'll only go out to the game you'll find plenty of holes in space through which you can get an occasional glimpse of the game.

A golf match with medal handleap play a scheduled for Saturday afternoon at the Omana Country club for the formal open-ing of the club. The May handleaps will govern. The two players having the lowest scores will play sif at match play and the winner will receive a handsome trophy.
