Tony Wash Dresses for Small Women ... Great Values!

for the house, store, office and school-

room these dresses are just the thing. The illustration gives an idea of the pretty style. The materials are fast color percale, chambrays, French ginghams and Wexford cloths. The colors are tan; blue and pink, also figured and dot effects and shepherd checks-there are both light and dark colors. It's needless to add that they are right from the viewpoint of style and making. We have sizes from 32 to 38 bust.

Omaha Modern Drug

One of the besetting dangers of every business firm is getting "into a rut"-fossilizing. It is perhaps almost as much a fault to adopt too changeable a policy. It has ever been the aim of reservation north of here, but at daylight our management to find a happy medium in this respect - and the result has been that in the part of the braves had reached this town. articles which we have for sale may be found all the old reliable items which were in demand in Following the raids of yesterday and the which sent the checkers to prison and "war times" and constantly since then - and also the products of scientific and industrial activity Meyers was attacked, the buildings burned ernment by the sugar company of more of the Vintage of 1910.

It is an absolute fact that no working day in the year passes that does not see one or more drugs, chemicals, pharmaceuticals or tollet articles added to our stock. This is the reason "you can always find it at Sherman & McConnell's"-Your doctor will tell you this is true, your druggists will admit it, and the very generous and continued patronage given us by the people of this city and surrounding states, leads us to believe the fact is rather generally known. Our stocks are now more complete than ever, and we invite the patronage of large or small buyers. individuals, families and hospitals. We are glad to charge goods to anyone who can satisfy us as to ability and willingness to settle account each month.

New Mexican Troops Sent to Taos Are Ordered Home.

RENEGADES RESIST

Trouble Due to Change in Methods of Government-President Senda Troop of Cavalry from Fort Wingate.

SANTA FE. N. M., May 14 .- The thratened uprising of the Taos Pueblo Indians at Taos, N. M., appears to be at an end. Governor Mills today said hie National Guard, sent to Taos last night, had been ordered to return.

Early advices from Taos were that all was quiet with the exception that the renegade Indians for whom bench warrants were out were still resisting arrest and were protected by their associates.

Troop of Cavalry Sent. WASHINGTON, May 14.-President Tart conferred today with Secretary Dickinson and Secretary Bailinger regarding the uprising of the Pueblo Indiana at Taos, N M. It was decided to send a troop of car alry from Fort Wingate to restore order. The president was unwilling that the territorial militia of New Mexico should deal dal cases. Recently Richard Parr. star with the situation.

It was feared that a clash might decur between the Indians and the militiamen R. Helke, secretary of the American Sugar and that there would be needless blood- Refining company, was threatened with shed which might be averted by the appearance of the regular troops, for whom the Indians have the utmost respect.

Superintendent Crandel of the Santa Fe of the American Sugar Refining company's Indian school telegraphed the commissioner of Indian affairs today that the uprising ernment depends even more largely in the seemed to be nothing serious, but that he would leave at once for the scene of trouble in order to report any developments. Mr. Crandell said the trouble apparently was due to "squatters" having fenced up

Ranchmen, Kept Vigil. TAOS, N. M., May 14.-Ranchmen

throughout this section spent a sicepless night keeping vigil against a possible organized raid by Pueblo Indians from the no word of any further movement on the trials that enabled the government to show day before, in which the ranch of L. S. which resulted in the refunding to the govand fences destroyed, and, it is reported, the female members of the family attacked. everybody armed themselves and gathered

groups for better protection. Troops from Santa Fe and other points ordered yesterday to the scene were due to arrive this morning, but in the meantime cast down at the lilness of Parr and a general masacro was feared, as authentic news came that fifty or more of developed that makes their case stronger the warriors of the San Juan and other than ever and that the trial of Helke and tribes were wearing war paint and en- others accused in the sugar conspiracy gaging in war dances. None of the older cases will start rext Monday, according to bucks had donned the war bonnets, but schedule. many of the young ones were reported as having joined the uprising.

Causes of Uprising. Several causes are given as the possible reason for the outbreak. Opposition to census taking and general dissatisfaction with the whites because of what the Indians believe to be encroachments upon their rights are more generally accepted as the cause of the trouble. The attack upon the Meyers ranch is explained by the fact that Mr. Meyers had fenced in section of land over which the Indians had enjoyed undisputed control for many years village councilors, who tried and punished

Some months ago an Indian of the Isleta tiful new fountain at Sixteenth and Pueblos, who had been imprisioned by the village authorities, appealed to the terrifinest sods fountain in the west. Our torial courts and the chief and councilors of the village were put in jail. Since that time the Indians have been unruly and it is thought the present outbreak is the result 14c loose their independence.

GREAT FUTURE FOR ALASKA For several weeks ranchers near Taos have found their fences cut and their stock missing, but the discontent of the Indians colminated yesterday in the attack on the Myers household. The taking of the census is also believed

.29c to have caused much unrest among the of the wealth of Alaska is the declaration Indians. When the enumerators reached of V. C. Hancock of Yes Bay, Alaska. Santo Domingo and San Pueblos they were 19c refused all information concerning members of the tribe and were threatened with production of the territory has not violence.

It was only after they had threatened to bring troops and former Governor Curry to develop the country, but there is no had gone personally to the chiefs and reassured them about the purpose of the census that the indians were persuaded to answer the questions. Several castern artists are believed to be in the Taos country making sketches of Indian life. Taos is the oldest and most picturesque town of

TAFT DICTATED to big and good crops. BALLINGER NOTE

(Continued from First Page.) * " It was understood by us that this

work was of ...ecial importance. "The general arrangement of facts, the order in which they come in the president's litter is practically identical with the arrangements of facts in the final Lawler draft or so-called memorandum.

Kerby Admits Making Statement. Kerby is quoted as saying in conclusion: Certain portions of the Tafi letter I can identify as being in substance the thoughts of Lawler. For instance, there is the following passage in the Taft letter. which certainly embodies Lawier's thought:

The general responsibility of cabinet positions demands the selection of men of the highest character and integrity. Posession of these qualities, as well as ability and experience, which especially fitted you direct the affairs of the Department able indersement of the Gatlin in itself, institute for three days, the Gatlin Home of the Interior, warranted your appoint-

"In general Taft softened Lawler's draft and doubtless very materially changed the wording, in that he substituted for cerjain Lawler phrases, phrases of his own meaning the same thing."

When the news of Kerby's sensational statement reached the Interior department a messenger was sent by the department Kerby, who was off duty, to ascertain

Kerby reported at the department for duty this morning and obtained permission from Private Secretary Carr to be off luty today and Monday. When Carr was seen he said he had

nothing to say at the present time, but later, after he had fully read the state-

He reviewed tils work while state scuator and state auditor and gave a list of the bills passed by the legislature while he was governor. He Cases Taken III called attention to the fact that foreign syndicates are getting control of water power sites in Iowa and he will urge that public utilities be better regulated. He Misfortune Seems to Pursue Men Who referred to highways and improvements of state institutions as a part of his program. He stated that he has as governor inproved the financial condition of the state NEW YORK, May 14 .- Misfortune sceme and reduced the state inx levy and said to be pursuing witnesses in the sugar scanthat in making appointments he has recognized both factions of the party. He did witness in preceding trials and expected to not discuss national issues at all.

> Company Lacks Franchise. A deadlock has been reached in the matter of the negotiations for settlement of street car franchise matters in Des Moines. Three weeks ago the city council offered a franchise and notified the company that unless acceptance was made by today all negotiations would be off. Nothing has been done or is likely to be done. This leaves the company in the attitude of operating without a franchise and unwilling to meet the council on the proposition.

the scales on the Williamsburg sugar docks Iowa's coal mines will reopen Monday which sent a quartet of checkers and Late today the mine convention represent-Oliver Spitzer, their foreman, to the peniing miners and operators voted to adopt rules and terms which have been in prepar-Schmelter, at his post in the sugar comation for five weeks and to resume work pany office, checked the weighing operaat once.
