WICHITA TRIMS ROURKES

Mr. Jarnigan Sent Up Twisters the Locals Could Not Hit.

ISBELL'S MEN WERE ALL ALERT

Hollenbeck Worked Well All the Way Through Except in Fifth When a Single and a Double Resulted in Two Runs.

Wichita trimmed Omaha in a fast base ball game Sunday afternoon by the score of 3 to 1. Jarnigan, who did the pitching for the Izzies, was on the job all the time and the Rourkes could not do much with him. Three bits, all singles, was the net result of the attempt to swat his curves, He struck out only two men, but kept the ball safe. He was given good support by his teammates.

Jarnigan is the Grinnell college pitcher who made such a hit in college circles. He was to have pitched for the school team this spring, but was disqualified when he signed a contract to play professional ball.

Hollenbeck pitched for Omaha and was a formidable opponent in the pitchers' battle. He allowed but seven hits and these were scattered except in the fifth, when a single and a doubl netted two runs and gave the visitors the game.

Wichita got the first run in the second inning and Omaha came right back in the next and tied the score. It was nip and tuck for the two following sessions, but Wichita pulled away in the lead with two runs. Jarnigan tightened up after this nning and Omaha got but one hit.

Omaha's tally was due to Cap Schipke's work on bases and Hollenbeck's ability to hit the ball when a hit meant a run.

oted his grounder. Then he pulled off one of the delayed steals for which he is famous. Just as Shaw returned the ball to the pitcher, Bill started for second. Jarnigan did what he was expected to do and signmed the ball to second, but too low to catch Schipke. Hollenbeck came up and knocked a nice clean single between second and third and Cap romped home.

In the second, Hughes was walked to first. Isbell flew out to Welch. Westerzil ST. JOSEPH TAKES SIOUX GAME hit a single to right. Pettigrew came next field fence and scored Westerzil and landed 1.1m on the second bag. That was all for

The crowd was with Omaha all the time McLean, and pulled all it could at the beginning of every inning when Omaha went to hat When Welch went to bat in the seventh he was cheered lustily, but the best he could do was to get a base on balls and be put out at second when he attempted to steal. Claire made a peach of a stop of what Jones, should have been a hit for Cadman. Cad hit a hot liner just to one side of second Corhan, ss. McNell, 3b. toward third base which looked like a Shea, c........ single. Claire made a dash for it and snapped it with one hand. He whipped it over to first on the run before Cad crossed the bag. Another bit of nice base ball was the fast double made by Corridon, Fox and Kane. With a man on first in the first inning, after one was down, Claire hit a hot one to Corridon who snatched it off the ground and tossed it to Fox at second. Fox completed the play by whipping it over to first in time to put the runner out.

Judging from Jeffries' feelings of today in his sparring, his assistants will be earning their salaries for the balance of the training siege. He was pleased to read that Corbett was in good shape and figures on using the former champion a great deal if Corbett is in fix to go a distance. In fact, Corbett is the only hope of the other fellows, for Jeffries said this morning that the only chance they would have for a vacation was Corbett's ability to go over three rounds. Jeffries also figures on opening up on the "Gentleman" for the reason that the latter is clever enough to avoid the damaging wallops.

Manager Berger, Tex Rickard and Dick Adams are slated to return to camp tomorrow and the Olympian will be pleased. It was rumored that Nat Goodwin, actor and sportsman, would be Jeffries' guest next Monday.

Johnson endeavered to explain that he would have gladly given Fitzgerald ten time the amount of the money that he claimed for aiding him at the Seal Rock house, but the court first, Harvard's two victories going to her did not see it that way, and slipped the hook to Johnson,

These promises of Johnson's in which he gives away more money than Andrew Carnegie, were exemplified in the case of L. R. Stockwell, the blind actor, last September, when he pledged himself to take \$100 worth of Stockwell's benefit tickets and later refused to come through with so much as a Canadian dime.
