INDIAN SIGN ON ROURKES

Sioux Have Luck-Also, They Play Base Ball in Opener.

OMAHA STEPS IN REAR ALL WAY

Two Two-Base Hits Bound Over Fence and Become Home Runs-Local Nine Falls to Connect at Vital Moments.

Sloux City took the first game from Omaha by a score of 10 to 3. It was a case of Omaha a step behind in the luck. The Sloux started the game with a fine piece of luck, and had the horseshoe in the hip pocket all the way through. That does not mean that the Sloux did not play ball, for they did. But when there was a chance for the Omahas to get away with anything, it was the Indian sign for them. It started at the beginning of the first, Quillin, a former big leaguer, was the first man up. He slipped a hot one over third which would have been a two-bagger but the ball tok a foolish notion about the time it struck a spot where Shotton could not grab it, and bounded over the fence. Quillin, of course, got a home rul

This was tough. But listen to this! In the fifth with two men down, Fenlon grasped his but and whacked out a peach to center field. «It was a two-bagger which might have been worked over into a three. But the ball seemed to have the jinx on it and bounded over the center field fence after it had hit the ground. Home run No. 2 for Sigux City! These two freak hits did not win the game by any means, but they fid make the Rourkes feel as If luck was against them. Mullen Has Off Day.

Mullen did not help any. Almost every decision he gave yesterday was against the Omaha team. He seemed to have on off day and could not see anything favorable for the Rourkes.

Omaha did not seem able to hit the ball at any opportune time, and but one score was due to the hitting of Omaha players. This was in the Tourth. Alderman passed King, whole stole. He hit Kane after Miller threw wide to second in attempting to catch King. He then hit Corridon and filled the bases. Welch went out and Schipke got a single in the seventh. Fox went to first on Quillin's error and went to second on Fenlon's muff of King's fly Kane got a base on balls, which moved two runners up a peg, and was thrown out at second on Corridon's grounder to second, while Fox brought in a run on the play. Welch went to first on an error of Alderman's Schipke fouled out to Miller and Welch was caught at second when he attempted to steal.

Sanders started pitching for the Hourkes and lasted six innings, during which time the Sigux made nine hits. Hanson was sent in to see what he coud do, but he was not "right." He gave four bases on balls, after a two-bagger had been knocked off his delivery, and forced three runs. He was immediately yanked after this fatal spasm and Hollenbeck was sent in. Duke got away well, but did not have any chance to save the game. The score:

H. S. FIELD AND TRACK MEET

Entries Coming Fast for Interscholastic at Omaha Saturday.

PROMINENT OFFICIALS TO ACT

Leading Athletes of the West to Lead Helping Hand to Make Meet a Success-Five Hundred

Compete.

Arrangements for the big Interscholastic state High school meet have been progress ing finely during this week. Entries are coming fast and it looks as if the meet in Omaha would be the most successful ever held in the west.

Those who know of the prowess of the athletes expect to see more records broken this year than in any previous years. It is almost certain that Wyley of York will break the state high jump record of 5 feet 6 inches, as he has been doing 5 feet 8 inches without the least trouble all the year, and made a height of 5 feet 10% inches in the Missouri valley meet held at Des Moines wo weeks ago.

The relay team of Omaha is determined o smash the record set by the Humboldt four last year for the half-mile, a time of minute 35% seconds, and may do it, as it made the same distance in 1 minute 38 seconds last Monday in the tri-city meet. The rivalry between Mann and Wood may possibly lower the 100-yard time to an even 10 seconds instead of 10% seconds now. The time made at the Missouri valley meet in the 200-yard dash was better than the state time, and Mann is sure he can set the Nebraska state record under his name in
