CUT GLASS

Bennett's are crowding the Saturday selling with more genuinely good attractions than one is accustomed to find in a day's shopping. The sale of the Hundley Dry Goods Co. stock is a strong card for it brings immeasurable benefits on all sorts of dry goods. We had the advantage of first pick of this stock and consequently got the cream. The blue tickets everywhere give ample proof of it. Other departments also make a powerful appeal with special offerings that compel you to come here if you would serve your own interests best. Look over the page. Study it. We want your business because we earn it, because we give you more than you can get in any other place for the same outlay.
