Ran Over Bodies, Too. Dry and Very Crusty—Used Cuticura and Did No More Scratching, Eczema Disappeared in 6 Weeks.

Now More Than Two Years Ago and No Sign of Trouble Has Returned.

"My two children suffered from an affection of the face and hands. It started first with little red spots which afterwards got bigger until they were the size of five-cent pieces. The outside became dry and very crusty. The rash on their faces was awful and very crusty. It ran over the body, too."

"I had a doctor for them but he could not help them. Then I read of Cuticura Remedies. As I am a chemist, having served my apprenticeship in Germany, I did not have much confidence in them. Yet I was soon taught something better for after I used Cuticura Soap, Ointment and Resolvent the first time the children felt very well and did no more scratching. Then the eczema became dry and entirely disappeared after about six weeks' treatment. This is now more than two years ago and no sign of the trouble has returned, therefore I can recommend the Cuticura Remedies with the assurance that all people who are suffering with eczema, Williams Bros., 124 Douglas St., Brooklyn, N.
