Is Your Husband Often Late for Meals?

Do Members of Your Household breakfast at different times—and do they want their toast, coffee cake or rolls crisp and hot? Is it easy for you to have them so?

DO YOU know many more annoying, unsuccessful and wearisome domestic experiences than trying to keep foods warm—especially on gas or other flame stoves?

DO YOU want to crisp corn or rice flakes, shredded wheat biscuits or crackers?

DO YOU not have foods left from dinner every day of the world, which you desire to render more palatable and appetizing for luncheon, by warming them over?

DO YOU want to burn the gas to heat your oven to do this work?

DO YOU find it a successful Food Warmer when you do heat it—or does it dry or burn your foods and does it not require your continued presence and attention in the kitchen?

THE "TRIPLE-TRICK"

Is the Only Family Food Warmer on the Market.

It absolutely solves this ever present and most vexing problem which daily confronts all housewives, and solves it Over One Top Burner—the smallest burner at that—with a minimum fuel consumption and without danger of burning.

"THE COFFEE MEN"

Values every time and all the time no matter what you select or when you select. With business concerns as with individuals, merit alone will continue to win. Mere claims do not count, deception will not serve for any extensive period.

The discriminating public only recognize and patronize demonstrated supremacy such as is revealed in, and universally recognized in, the famous **Hart, Schaffner & Marx**

Clothes—\$18 to \$35—or such clever style, excellent quality and perfect workmanship as you'll find in the locally famous **Hayden "Wonder Clothes" at \$14.50**

Such quality and style supremacy at a given price is the whole secret behind the prosperity of this big store.

We never rest on past success—the best of today is regarded as merely the index of improvement for tomorrow.

The Best Clothes Are Here

We firmly believe we have the biggest and best selected stock of Suits and Overcoats in Omaha and we're not alone in the belief. The "Brown Craze" is on with renewed energy and if you are curious to know why, just step in and look over the splendid line. You'll see shades of brown you never dreamed of; beautiful stripes, checks, plaids, diagonals and mixtures; in light, dark and medium tones—in worsteds, chevots, cassimeres, velours, etc.—in designs proportioned to suit all kinds of figures—tall men, short men, fat men, slim men; all are provided for. If browns are not for you, turn to blues, grays, mixtures or jet blacks; you'll find almost unlimited assortments for selection. Remember you get full value every time and all the time, whether your selection is made from the great range at \$10.00 to \$35.00 or from the foremost popular grades. Our specialties:
