### HOLDREGE BOYS PROVE FAST

Game with Kearney Military Academy Shows Their Strength.

### HARD CONTEST WITH YORK NEXT

Battle Scheduled for Saturday with High School Team of that City Heaviest of Season for Them.

HOLDREGE, Neb., Oct. 25.—(Special.)—Local enthusiasts of football are considerably elated over the defeat of the Kearney military academy team by the Holdrege high school team Saturday in this city. The visitors were outplayed in every department of the game, and although the final score was only 19 to 3, that did not indicate the superiority of the locals over the Kearney cadets.

The team work of the high school lads was the best ever seen on the local gridiron, both offensive and defensive playing being of a decidedly stellar variety, for high school athletes. Stigall and Simpson, the two local ends, put up a game of unusual strength, and during the time they played the cadets back for large losses. Wade, whose work in the line has been causing much favorable comment of late, played a hard game, his catch of a forward pass and subsequent fifty-yard run to a touchdown being one of the features. Flanagan, the husky fullback of the Holdrege team, made his usual consistent gains, and played a strong defensive game. Borg, Wilson, Richardson, Tewel and McGill all played excellent ball against Kearney.

The biggest game ever scheduled by the Holdrege team will be played at York next Friday against the high school team of that place. The fact work of the locals in Saturday's game has caused the hopes of victory to run high in the breasts of local fans, and it is confidently expected here that the lads will return home with the Yorkies scalp in their belts. Coaches Bennett and Logan are putting in a great deal of time perfecting several new plays which they hope to work with success against the fast York team.

Sixteen men, besides the coaches and Frank Thunig, will be taken on the York trip.

### Attell's Fight with Kibane is Easy Workout

### Champion Featherweight Has to Exert Himself Strenuously to Get Close to Opponent.

KANSAS CITY, Mo., Oct. 25.—Abe Attell won a decision over John Kibane of Cleveland, O., after ten rounds of fighting last night. The champion's title never was in danger from the start to the finish.

"He certainly is a jumping jack," commented Attell after the fight. And that remark tells the story of the battle about as well as it can be told.

Kibane, except in the eighth round, was on the retreat. Attell continued to follow his opponent about the ring, hoping to get near enough to land. But the champion usually had to get the Clevelander in a corner before he could put in telling punches. Attell showed the majority of his blows for the wind, but he drove home enough choppy lefts and rights to Kibane's head to bruise the fighter much. No blood was drawn by either man.

In the eighth round Kibane braced himself against the champion's rushes and managed to drive some rights at Attell's jaw. This encouraged the featherweight king, he thinking Kibane intended to mix. At the beginning of the next round Attell dropped his arms and asked Kibane to come in, but the Clevelander was wary and stayed away.

Teddy Peppers and Attell posted a \$500 forfeit at the ringside for a fight for the title.

### Rapid City Loses, Wesleyans Win

School of Mines Loses, Six to Nothing, in First Game in Two Years with Mitchellites.

MITCHELL, S. D., Oct. 25.—(Special Telegram.)—The Rapid City School of Mines team was defeated by Dakota Wesleyan university 6 to 0 at Fort Bolla this afternoon for the first time in two years in a game that was sensational in the matter of defensive work, both lines being impregnable except at the start, when Mitchell broke through for the only touchdowns of the game with two end runs and line bucking. Mitchell sent Hager over the line, followed by a goal kick. Several times Rapid City threatened, but they were held consistently by Mitchell.

### Cornhuskers Put Through a Hard Workout

### Cole Shifts Lineup Often and Plans to Have Plenty of Substitutes Available.

LINCOLN, Oct. 25.—(Special.)—Scrimmage was the order issued by Coach Cole Tuesday night and the varsity was given nearly an hour of solid work against the freshmen and the scrubs.

Special attention was given to new formations, but the varsity was slow and the play was lacking in ginger. Cole urged the men on until late and the workout was one of the most satisfactory of the year. The management will take no chances of injury before the Kansas game. The new field is as hard as pavement and the men will be taken to the state farm for the greater portion of the next two weeks, where Cole's proteges may work behind closed doors. The grounds at the state farm are covered with turf and grass there will stimulate many of the minor injuries which have handicapped the squad since the inception of the season.

Cole has shifted his lineup considerably in the last few days. This is taken as an indication that he does not intend to be caught napping without available substitutes. Russell is playing half with Eiwel as a running mate. Russell is a good player, but lacks experience and knowledge of the game. Eiwel is a come-and-should-prove a good substitute for E. Frank. Minor has been given more work, quarterback in case he is called to relieve Warner.

The coaching staff still continues to work with Sidell, but he is new to the game and will require much seasoning before he is available in the backfield. His main fault is forgetting signals.

Assistant Coach Ewing is taking the freshmen along at a fast clip. McKinney and Robert Thompson, two Omaha boys, have reported for practice. McKinney looks to be varsity material, while Thompson also has a good high school record. Neil Dunn is another promising freshman who has reported for practice. Dunn formerly played at Stratford.

A double header is the bill for Saturday. Lincoln High school and Omaha High will meet in the opener, while Doane and the Cornhuskers will close the bill. The innovation of the Black Masque during the Dever game in securing a girls' rooting squad will be preserved during the remainder of the season. The senior organization has taken some care in the sale of the tickets and the rooting last Saturday was a decided success.

Assistant Coach Ewing was very much impressed with the Jayhawkers last Saturday. Kennedy refused to unearth any of the trick plays, which is taken to mean that the Jayhawkers are laying for Nebraska. He used twenty-two men in the game. Tommy Johnson was played at fullback for a short time and used as full general. The Kansas displayed a strong attack and were also far above expectations on defensive play. The bear reports which have been coming from Lawrence are discounted by Ewing and he expects the Jayhawkers to play a strong game against the Cornhuskers.

### Hastings Team in Fine Shape

### College Foot Ball Squad is Well in Line for Nebraska Championship.

HASTINGS, Neb., Oct. 25.—(Special.)—The Hastings foot ball squad has made marked progress in the last ten days of practice and with one victory and one tie game to its credit, the local followers of the game believe the team has an excellent chance to win the state championship. Hastings has yet to play Bellevue and Peru. The local management has been unable to schedule a game with Doane, but the game with Peru will afford a means of comparison between the Hastings and Doane teams in view of the 0 to 6 struggle between Doane and Peru Saturday.

Coach's Holste's pupils have already defeated the Kearney Normal team, and last Saturday they played Grand Island 0 to 6. The team returned from Grand Island sorely disappointed with the decision of Referee Mathews, who called Walker of Hastings back after a touchdown from the twenty-five yard line. He alleged that Hastings had fouled by tripping in the interference, but was unable to point out the culprit and the Grand Island man who was said to have been tripped, afterwards said that no such foul had been committed. The referee's decision was enforced, however, with the result that Hastings failed to get credit for Walker's touchdown.

With extremely limited material Coach Holste, an ex-Maroon, star, has brought together a formidable machine, one which is expected to do as well, or better than either of the two previous teams which he has had here.

The success of Warner of the University of Nebraska team is a source of much pride to Hastings foot ball enthusiasts, for that player who developed by Holste into two years ago. He played quarterback on the Hastings '08 team, the same position he now occupies in Cole's crew.

### Home Rule Less Strongly Opposed

Idea as First Step Toward Federal Empire Likely to Become Working Policy in England.

LONDON, Oct. 25.—The idea of home rule all around as the first step toward the realization of a Federal empire appears likely to become a working policy. The House of Commons today adopted a resolution and urging that the situation is quite changed since the "bloody eighties," and that the unionists might now with dignity acquiesce in, although they could not initiate a policy of home rule, shows the unionists' hostility towards home rule is lessened.

It is reported that the writer of these articles is a close friend of A. J. Balfour, the leader of the opposition in the House of Commons, and Austen Chamberlain.

Additional speeches by the majority of both liberals and conservatives and postponed the general election until after the coronation.

### Russians Won't Arbitrate

English Proposal in Connection with American Request Declined.

PETERSBURG, Oct. 25.—The Russian government has declined the English proposal to arbitrate the steamer Ogdahnia dispute and the American request for compensation for the cargo on the ground that the decision of the Russian courts—that the cargo was contraband—was final.

The steamer Ogdahnia was captured by the Russians on May 19, 1906, during the Russo-Japanese war, while bound for Yokohama with a cargo of Kerosene consigned by American citizens.

On May 27 the Ogdahnia was recaptured by the Japanese during the battle of the sea of Japan and taken to Saesoo, where its cargo was sold. The consigners and the British owners of the vessel in July, 1906, placed their case in the hands of an attorney of St. Petersburg, who was empowered to ask the prize court to act as adjudicator.

### Oklahoma Lands Are to Be Sold at Public Auction

### All Unallotted Territory of Five Civilized Tribes and Forest Areas in Choctaw Nation Included.

WASHINGTON, Oct. 25.—All the unallotted lands of the Five Civilized tribes of Indians in Oklahoma, amounting to 1,500,000 acres and the forest area of the Choctaw nation, amounting to about 1,200,000 acres, are to be sold at public auction, according to a decision reached by the secretary of the interior today.

The decision to sell these Indian lands came as a result of the recent visit of Secretary Ballinger and Commissioner of Indian Affairs Valentine to Oklahoma, and conference with President Taft.

The lands will be sold by counties continuously from November 21, 1910, to March 1, 1911. The amount to be sold is divided as follows:

Seminole nation, 3,400 acres, divided into 110 tracts. Creek and Cherokee nations, 114,000 acres in 4,000 tracts; and Choctaw and Chickasaw nations, 1,240,000 acres in 10,000 tracts.

The minimum prices which will be accepted is declared in each advertisement, and the terms call for 25 per cent at time of sale, 25 per cent in 216 months and 50 per cent within 18 months with interest at 6 per cent. The sale of the forested area of the Choctaw nation will take place later.

Under the law these lands, which aggregate about 1,500,000 acres, will not be sold in tracts larger than 900 acres each.
