Stretching the Strap.

OMAHA, Nov. 10.-To the Editor of The Bee: We notice in The Bee an unreasonable request, it seems, of the street rail-way company for more straps in the Ben-son cars, while we people in Orchard and Walnut Will son cars, while we people in Orchard and Walnut Hill are thankful if the cars happen to stop at our corners in the morning Boise, Idaho. and give us a chance at a footing on a Wade Gray, car, without the thought of a strap or the Boston, Mass. untold luxury of a seat,

What we are looking forward to in this age is more cars on the line or longer platforms, as we are told that the seats are all taken when the cars start from the end of the line and more than full when Butte, Mont.

We hope that the street railway company will soon wake up to the fact that Omaha bus grown, and they ought to endeavor at least to keep up with the procession, instead of remaining behind the times Lin-

coln fashion.

Words of Praise. DAVENPORT, Is., Nov. 10.-To the Editor of The Bee: Allow me just a little space for a few words of praise for the nen who worked so nobly during the fire Cleveland, Ohio. of the Fairmount creamery, especially Mr. Ed Rector. God bless such men as he is. Colorado Springs, Colo. Think of the work he has done in superintending everything so as not to lose one day's work for the men who depend on that work for bread for their families. 1 Deadwood, S. D. repeat, God bless such men. I wish we had more men who had ambition enough to use their brains and hands. Our orphans' homes wouldn't be so crowded nor our jails nor insane houses. Please print this and oblige

A FRIEND TO THE RECTORS.

An Echo of the Campaign. KENNARD, Neb., Nov. 11 .- To the Editor of The Bee: The conflict is over. You Des Moines, Ia. know the result. I, along with many other democrats, voted for Mr. Hitchcock, not because we thought him innocent of the charge of borrowing state money from Bartley and neglecting to put it back, but Edmonton, Alta, Canada. because we could see a scheme to hold up Mr. Hitchcook for hush money, and the ..\$15,289,039.61 state would receive no benefits thereby. Your proofs were surely convincing to any rational thinking man. Let Mr. Bartley Fort Worth, Tex. come out and submit the proofs against everyone that got state funds and falled to put it back, and then takeup a popular Fresno, Cal. come out and submit the proofs against subscription to raise funds to prosecute them, and he can raise enough funds to send everyone of them to the pen and have a substantial reward left. A DEMOCRAT.

> Another Street Car Suggestion. OMAHA, Nov. 12.-To the Editor of The Bee: The street car company is having heat in the cars, but the transpms are closed and the air is just killing. I think Houston, Tex. it would be advisable for the street car company to direct the car men to have all the transoms wide open, which would be appreciated by the passengers very

CONTAGIOUS TROUBLES

Contagious Blood Poison more thoroughly permeates the system than any other disease. Its infectious virus contaminates every corpuscle and tissue of the circulation, and for this reason its symptoms are of a varied nature. When it enters the blood it is but a short time until the mouth and throat begin to ulcerate, the skin becomes spotted, rashes and eruptions appear on the body, sores and ulcers break out, the hair falls, and frequently nails on hands and feet thicken and come off. Mineral medicines which simply shut the poison up in the system should be avoided, for when such treatment is left off the old disease will break out again, often worse than before. S. S. S. cures Contagious Blood Poison permanently, and it does so because it thoroughly purifies the blood. S. S. S.

goes into the circulation, and drives out the last trace of the destructive germs, adds richness and vigor to the circulation and

allows it to nourish the diseased portions of the body back to health. S. S. S. is purely vegetable, being made entirely of roots, herbs and barks, without a particle of mineral, and its vegetable ingredients always hasten the cure by toning up the stomach and digestive members.
