On Thursday morning the class of expression occupied the platform at chapel. The members of the faculty who usualty occupy seats on the plaform were impersonated by the members of the class, which occasioned a good deal of merriment. There were numbers given in reading and pantomime which were of great merit and did honor to the class and to other distinctions.

The young women of the primary department gave a social function in the Star Literary hall Wednesday evening. Each member of the class invited one gentleman and all united in an invitation to the faculty, which resulted in a company of about 100 persons. The hall being carpeted in green and having yellow draperies, the color scheme of green and yellow was Augustine. Fig., for New York, baving decided to return and straighten out matters connecting him with the race track investigation.

An extension of twenty days to the forty-day detention period, which expired at midnight, was ordered by Judge Harnard of the District of Columbia supreme court in the case of Juan Sanches-Axcona, whose provisional arrest on December 4 was brought about by the Mexican government.
