South Omaha

The Great Live Stock Market of the West...

That South Omaha is entitled to be referred to as the "Great Live Stock Market of the West," is clearly evidenced by its remarkable development during the last few years. Every year is a record breaker in one or more departments of the South Omaha Market, yet record breaking events at other markets are of rare occurence.

A GREAT CATTLE MARKET

South Omaha broke all records in 1910 in the receipts of Cattle, with an increase of 110,000 head over 1909, which was also a big year, or more than half the increase at seven prominent markets, making by far the best showing of any of them. South Omaha also broke all records in the number of feeder cattle sold for shipment to the country and has established a FEEDER CATTLE MARKET NOT EQUALLED IN THE UNITED STATES, EITHER IN THE QUALITY OF OFFERINGS OR QUANTITY SUITABLE FOR FEED-ING PURPOSES. The favorable reputation of the South Omaha Market extends over the ENTIRE CORN BELT and is as WIDELY KNOWN IN THE A NATURAL SHEEP MARKET

South Omaha received in 1910 3,000,000 Sheep, or 850,000 head more than in 1909, a record year, representing a gain of 41 per cent. This gain amounted to 50 per cent of the total gain of seven prominent markets, including Chicago and all the large markets, and was the best showing ever made by any market.

NET RESULTS ATTRACTIVE

South Omaha has made this remarkable showing against keen competition and its great gains have been made with consequent loss at competitive No better illustration of the increasing popularity of the South Omaha Market could be offered than a comparative showing of general results at all the big markets, to which the attention of the feeder is cordially invited
