the cotton crop shown by the census bures in return of cotton ginned made another important item towards the remedying of defects in recent conditions.

The success of the fri-city bond sale had enough qualifying circumstances to temper its good effect. The price realized, which reached 100.504, confirmed fully the faith in the improvement in investment demand from capital since last fail. Applications for more than five times the \$60.00,000 of fered gives increased force to the demonstration.
