Indifference to Steel Industry Report of Steel Corporation.

MARKET DOES LITTLE ALL DAY

Gold Stocks Are Again Active and Missouri Pacific Advances to Highest Level for the Present Movement.

NEW YORK, Feb. 10, 1911.

NEW YORK, Feb. 10.—Wall street's indifference to the unexpected good announcement of the United States steel corporation dominated the speculative movement into which the market has fallen.

The increase of 48,000 tons in the steel output of the country was the first difference to the unexpected good announcement of the United States steel corporation.

The stock market did little all day long, although it was active and advanced on the present movement.

Known movements of money to the close of business yesterday showed a cash gain by the banks of \$1,282,000 from the interior.

Number of sales and leading quotations of stocks were as follows:
