Safety of Patrone First Requisite of City and State Officials-Greek Must Answer In Court for Condition of Pince.

Not only is Mayor Trainer taking steps to see that the city ordinances are compiled with by the owners of the various theaters in the city, but Deputy State Pire Commissioner John C. Trouton is equally active in attending to the interests of the public. he visited all the halls and yesterday aftermoon he again inspected one of the places to see if the directions he had given were carried out.

The present activity on the part of the officials arose from a report made to the mayor as to the over-crowded state of one of the places of amusement this week. Not only were people permitted to stand in the crowd waiting to get in. This night is Pastor-Dr. Wheeler's morning topic will labed by the people. typical of any Sunday night and the state enforcement of the law are being carried

Both the mayor and the deputy fire commissioner have been explicit enough in their directions against over-crowding and in the opinion of many people action was not taken a moment too soon. The present brush up, if it is seen that the directions given are obeyed, should result in the various places of amusement being so provided with exits that will prevent a! panic, should a fire unfortunately occur. Another Baker Arrested.

William Zees, a Greek baker, is held for the court this morning on the charge of violating the city ordinances in regard to the cleanliness of his bakery. He was arrested by Detective Zaloudek on the complaint of Santtary Officer Chris Pering. who says that he found the house in a Royal Highlanders and the Danish Brotherdirty and unsanitary condition. It seemed hood. not to have been cleaned for months he says. The floor was also full of holes and Tariff Question no precautions seemed to have been taken to prevent rats and mice indulging themselves with the flour used for baking.

This is the third bakery case City Prose cutor McNally will have before the court and the crusade it is stated will not end under the cynosure of the city prosecutor and the sanitary inspector. Zees' bakery is at Twenty-sixth and M streets.
