NO LONGER NECESSARY, SAYS A

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that nature needs assistance. It is nature's call for help. Gray hairs, dull lifeless hair, or hair that is falling out is not necessarily a sign of advancing age, for there are thous-ands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the oldfashioned "sage tea," which our grand parents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage, and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its na-
