Council Bluffs.

PAVING BEGINS ON BROADWAY

Porphyry Blocks Will Be Taken from First Street This Morning.

WHAT WILL BE DONE WITH STONE

The Old Pavement Will Furnish Good Material When Torn Up, Which May Go Into the City Hall

The long hoped for and long deferred Broadway repaying is to be commenced this morning. Contractor Wickham returned early yesterday from Charlton, where he was called to start the grading work on the new sixty-mile line running south from Carlisle, and completed arrungements for beginning the Broadway work. A force of men will be started taking up the granite blocks at First street, and will continue the work without interof the street will be torn up, and the work there will be finished before the other is morning after a short litness.

The infant daughter of Ms. and Mrs. M. Larsen, 530 Avenue C. died yesterday morning after a short litness. ruption until it is finished. Only one side

Molested.

Contractor Wickham will finish the Mill in police court yesterday morning for running an automobile the previous evening without lights. work on Ross and Scott streets has been completed with the exception of grouting, and about 100 men are rushing the paving on Mill street. A smaller force will be put on Broadway, to be increased by the addition to the grand jury under \$500 bonds. tion of the Mill street gangs as soon as that job is finished, and as many more men as can be worked profitably. With taken to Mercy hospital, where she gave the exception of the asphalt filler all of birth to a daughter a few hours after the material for the Broadway paving has

wires on Broadway and South Main street wires on Breadway and South Main street to the Pearl street junction will interfere with the paving is yet to be determined.

The majority of men appreciate good cleaning and pressing. That's the reason our business is growing so rapidly, we turn out nothing unless we know it will be astisfactory. Let us clean and press now denied by all interested parties, although it was said yesterday that such artificially and Dye Works. Phones 314.

they will begin work laying new subways as soon as the material can be got on the ground Contractor Wickham says this will not interfere with the paving, provided it is not delayed too long. He can confine his operations to one entire side of Broadway, while the wire company is working on the other, but says it will be impossible

were when laid twenty-eight years ago. The stones are red porphery, not granite, about the hardest and toughest stone that tature has succeeded in making. The only appreciable wear is a slight smoothing of the exposed surface. He is anxious to try the experiment of building a house with them. The stone is Sloux Falls so-called the surface and the stone is Sloux Falls so-called the surface. He is anxious to try the experiment of building a house with them. The stone is Sloux Falls so-called the surface are succeeded. He had been always to the surface are succeeded in the district court by C. A. Whitiams & Co. against C. W. Erickson, V. A. Paim, E. F. Staloup and Palm & Co. and Staloup & Co., with the insurance Company of America and the insurance Company of America and the philadelphia underwriters, garnishes. The amount involved is \$156.80 for goods sold to the defendants while located at Akinson, Neb. A writ of attachment is asked. them. The stone is ficux Falls so-called granite, the same material that was used in the construction of the Finley Burke home on Oakland avenue, where regular pized building blocks were used. The cost was \$35,000. The paving blocks, which average about twenty to the yard, would cost at least \$2 a yard to be laid down here now. Mr. Wickham believes they would make excellent building material. There has been some talk of the city taking over enough of them to build a city hall some time in the future.

though it was said yesterday that such arrangements might be made with the Western Union. The Postal Telegraph company sent some of its men here last week with instructions to make the measurements necessary for the plans of conduits. The estimated costs of the conduits required ranges between \$10,000 and \$15,000. A good many thousand feet of cable will be required, and it costs 70 cents a foot. If the Postal people do not make arrangements for the use of some of the idic telephone conduits the understanding is that they will begin work laying new subways.

The fire department was called last evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to take care of a fire that had evening to rubbish in the rear of the Maus cyclery at 31 Broadway. It was menacing the rear of the Keller-Farnsworth furniture establishment, carried toward the buildings by a forty-mile gale, almost hot enough of itself to start a fire. It was subdued by the use of one of the chemical tanks. A still alarm called No. 2 hose company to Twenty-sixth street and First avenue during the afternoon, where a railroad culvert made of wooden timbers was blazing fiercely. It was extinguished before the association track on which it was located was made imparation. Conflict of evidence in the hearing of the case of the State against Mrs. Myrtle Hoena, charged by Miss Clara McDonald, is years old, with attacking her with a hatchet and severely cutting her right hand when she threw it up to ward off the blow aimed at her head, made it necessary for Justice Joseph. who heard the case, to take it under advisement. Miss McDonald presented the injured hand in evidence and swore that the wound was inflicted with the hatchet, and was supported by the testimony of four other young women who were with her when the trouble occurred near their homes, on Avenue J. Mrs. Hoena denied the charge and asserted that the injury was caused by

vain.

and the skippers have taken an enjoyable bath. The water is in excellent condition for bathing and a number of swimmers have fully enjoyed it. Fishing conditions are still better. The water and hot weather have made the fish extremely active and many fine strings of bass have been caught. Crappies may be had in almost unlimited quantities for the trouble of throwing in the lines and pulling them out. A higher water stage is not looked for until the June rise in the river makes its annual appearance. Advantage has been taken of the low water to inspect the dam at the outlet of the lake and make repairs.

Which it was incated was inducted was inducted was inducted was inducted was inducted. Martin Kane, while intexicated Wednesday night, went into the freight office of the Northwestern Railroad company and assaulted one of the night clerks. H. W. Baker. He used a hammer and struck at Baker twice. Baker ducked the first blow, almed at his head, but caught the other on the shoulder. Other clerks came to his aid and kane vas overpowered. In police court yesterias, morning he was charged with assault and battery. He asserted that everything connected with the occurrence was a complete blank to him and that he had no reason whatever for attempting to kill Baker. He toek a county fail sentence of thirty days with good grace.

During the nearly hurricane conditions

Harry Fowler, 28 years old and charged with vagrancy, complained to Police Judge Snyder vectorday morning that he had never been given a fair chance in the world. His appearance gave unquestioned evidence that he had not taken any. Judge Snyder looked at him curiously and inquiringly and asked the cause of his antipathy to soap and water. Fowler was unable to give an explanation and was certying special instructions to patronize the shower bath and soap counter. If the experiment is successful in

For your money

we've the best and greatest clothes values in Omaha-

You are too wise a buyer to fall for every thing that some stores claim, or to be tricked by anything that flavors of less than dollar for dollar value-and by value, we mean better fit, a better style, a better workmanship than you can get in any other clothes for the same money.

There is no better argument than this for you to come to us and try on these clothes-

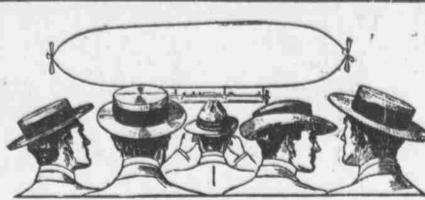

\$20, \$22.50, \$25

GETS A DANDY

\$15 and \$18

is a popular price for a suit of clothes, yet the man who has that amount to spend is often disappointed at the small choice he finds at that price. This is not the situation at this popular store, for we always make it a point to be particularly strong on these prices, and if you want a splendid suit at \$16.00 or \$18.00 these new creations and qualities we are selling Saturday will be well worth your while to consider, as it's a positive fact that elsewhere the same qualities would be easily from \$3.00 to \$5.00 more in price. Come and get first choice.

\$15.00 and \$18.00

Something new under the sun

What? Why, Mallory's water-proof straw hats, for which we are the exclusive agents in Omaha-and they are perhaps the swellest blocks you have ever popped your eye on-yachts and sailors or smooth straws.

Soft Straws in the newest negligee shapes at \$2.50 \$3 and \$3.50 All the new styles and shapes in handsome straws

at......\$1.00 \$1.25 \$1.50 and \$2.00 Beautiful Panamas in the new bleach-the never break finishat......\$3.50 \$5.00 \$6.00 \$7.50 Etc. See our big hat display.

Rule for buying boys' clothes

When you're buying the boy clothes spend all you can afford to; but, be sure you are getting your money's worth. The clothes you will find for the boy at this store represents the biggest values in clothesdom.

You can find a suit here at a price you can afford to pay and it will be the best from every point that can be found for the amount we ask, whether it is \$3.50 or up to \$10.00.

We are having a surprising run on our extra trouser special—at.......\$4.50 and \$5.00 Better see them.

Shirts of Class

When you think of shirts—think of this store. For when it comes to tasty patterns we have 'em all halled to the mast.

Besutiful soft materials that fit, look and give that iuxurious feel. No pull here or bind 'here. No long, hanging, disagreeable sleeves; no creeping up over the waist band; nothing but good, solid comfort and ease in our shirts.

Manhattans, Stars, Earl & Wilson, Excello, etc.—all the new fads in soft styles with collars to match and with French cuffs, if you like, \$1.50 to \$3.00—and the best \$1.00 shirt in town.
