Ready with rackets in hand, forty of the young society women of Omaha will open the annual Women's City Championship Tennis tournament at the Omaha Field club Monday morning at 9 o'clock. Playing will continue six days, the championship match and finals in other rounds being played Saturday.

The arrangements for the tournament hours do away with playing through the hot session of the day, the early mornings and late afternoons being utilized. It will undoubtedly be a good tennis all week, the women of the city playing a speedy game. Last year the quickness of the girls on the courts and the skill with which they handled the racket were the subjects for many an admiring word by the more experienced men players of the club.

The city tennis tournament has come to be one of the big social events of Omaha. The women meet in content across the net, yet the best of good feeling is shown by both the winners and losers, refuting the idea that women have not the love for fair play that men have in sport.

Some of the fair players are mere girls, but their quickness on the courts and athletic training they have received in the schools makes them easily the match for the older heads.

Old Sol, with his hot rays, is one of the greatest enemies of a successful tennis tournament. Sunburn attacks all who play, for even a big hat cannot guard one constantly on the move. Bare arms and open-necked dresses are popular because of their coolness, but on the third or fourth day of the tournament many girls rue the day they gave in and changed from the high-necked blouse.

The entry list will be open until Sunday evening, when the drawings will be made for the opening round of the tournament.

Following is the list of entries:

Carmelita Chase,	Claire Daugherty,
champion;	Violet Joehn,

Omaha people are planning some interesting motor trips. Mr. Mosher Colpater left yesterday in his car for a trip to Boston. He was accompanied by Mr. Robert Burns and the Messrs. Wolbach of Grand Island. Mr. and Mrs. F. P. Kirkendall and Mr. and Mrs. Glenn C. Wharton plan to motor to the Atlantic coast in the near future. Mr. and Mrs. Holmes Updike and family of Los Angeles, Cal., formerly of Omaha, will leave soon for Europe and will take their touring car and motor abroad. Many other Omahans are planning

**Wedding Bells**

Mr. Lee W. Spratlan and Mrs. Emma L. Fernald were united in marriage Saturday afternoon, June 24, at 426 Vincennes avenue, the residence of the bride's parents. Mr. Spratlan has been connected with the Burlington railroad for many years, and the bride is the daughter of Mr. Frederick W. Ruchshelm of Chicago. They left Chicago Saturday evening in a private car for an extensive wedding trip.

Miss Mary Kathleen Dwyer, daughter of Mrs. Mary Dwyer, and Mr. Thomas Casey were united in marriage at Sacred Heart church Wednesday morning at 8 o'clock. Miss Helen Dwyer and Mr. Dennis Casey were the attendants. After the nuptial mass a wedding breakfast was served to bride's mother. Mr. and Mrs. Casey will be at home after July 1 at Mesena, Ia.

Mr. and Mrs. Charles W. Morton announce the engagement of Mrs. Morton's daughter, Margaret Whitney, to Brainerd Mears, Ph. D., Williams '02. Miss Whitney is a graduate of Omaha High school, class '09, and of Wellesley, class '09, and will be remembered by many of her Omaha friends. Dr. Mears is a member of Phi Beta Kappa, Sigma Psi, Alpha Chi, Sigma Theta Delta Chi and Gamma's societies. The wedding will take place in the early fall and they will live in Williamstown, Mass., where Dr. Mears is the assistant professor of chemistry at Williams college.

The wedding of Miss Della Jacobson, daughter of Mr. and Mrs. M. Jacobson, to Mr. James Trimble took place Wednesday afternoon, June 21, at 4:30 o'clock at the Kountze memorial church. The Rev. Oliver D. Baitaly read the wedding lines. The bride wore a gown of white satin, with overdrapery of white silk crepe, caught at one side by a pearl ornament. The bodice and sleeves were trimmed with princess lace. She carried an arm bouquet of white roses and swansonia. A brooch of pearls, gift of the groom, was the only jewel worn. Miss Irene Lamson, bridesmaid, was gowned in pink crepe de chine over self-toned silk. She carried an arm bouquet of pink roses and sweet peas. Mr. Harry Cheek of South Omaha was best man. Before the entrance of the wedding party Miss Inez Bloom played "Traumerl."

Following the ceremony a buffet supper was served at the home of the bride's parents for the wedding party. The hostess was assisted by Miss Agnes Cooley and Mrs. Frank Roberts.

Mr. and Mrs. Trimble left for a western wedding trip and will be at home after August 1 at their new home in South Omaha.

The wedding of Miss Loretta Marie Glenon and Mr. Philip N. Bigger was celebrated Thursday morning at 9 o'clock in St. John's collegiate church. The Rev. Father Bronsage performed the ceremony and celebrated the nuptial high mass. The bride wore a gown of white crepe over white satin, with pearl trimmings, and carried bride's roses. Her long tulle veil was held in place with a cluster of lilies of the valley. Mrs. James F. Miller, sister of the bride, was matron of honor. She wore her wedding dress over pink silk and carried an arm bouquet of Killarney roses. Little Miss Mary Estelle Kinney wore a ring bearer and carried the ring in a floral basket. She was gowned in white and wore a wreath of lilies of the valley. Mr. James F. Miller was best man. After the ceremony a wedding breakfast was served at the home of the bride for the wedding party and immediate friends. The rooms were decorated with ferns and Killarney roses.

Mr. and Mrs. Bigger left on an evening train for New York.

An interesting feature of this wedding is that it took place on Mr. and Mrs. Miller's wedding anniversary, as they were married on June 22 of last year, and Miss Glenon, Mr. Bigger and little Miss Kinney were the attendants.

**What Women Like in a Baker Electric**

They like its noiseless running, due to the silent shaft drive. This is a luxury seldom to be had in any motor car—never in a chain driven vehicle.

They like its beauty of design. Not any mere ornamentation, but structural beauty, with freedom from chains.

They like its exquisite interior, fitted and finished with a quiet refinement in keeping with the character of the car itself.

And besides these advantages, the Baker is the most efficient of all electrics. None other can travel so far on a single charge of batteries.

Baker Electrics equipped with lead plate, ironclad or Edison batteries, the two latter at extra cost, and with either special electric pneumatic or Motz cushion tires.
