

HARRINGTON'S CHOICE A SLAP
Democrats Look Upon Selection of
Chairman as Full of Portent.
WILL TAKE HIM OFF THE FLOOR

Former Mayor Brown of Lincoln
Declares Mr. Bryan Was Always
Right on Big Questions—Jeff-
ferts' Choice Pleasing.

(From a Staff Correspondent.)
LINCOLN, July 20.—(Special.)—News that
Mike Harrington of O'Neill had been
selected as temporary chairman of the
democratic state convention was taken by
many of the democrats of this city as an
indication that the "Harmon and Har-
mon" branch of the party is planning a
coup which will result in a clash with
Bryan over presidential prospects rather
than the aftermath of the liquor clash
which occurred at the state convention last
year.

The fact that Mr. Bryan in naming his
list of available timber for the highest
office in the land gave out names of every
prominent party man except Governor
Harmon of Ohio is supposed to be the chip
on his shoulder which is to be knocked off
by the faction of the democratic party
which of late has taken great glee in doing
things contrary to the beliefs of the Com-
moner.

The reported selection, however, of a
man opposed to Mr. Bryan and his
doctrines is looked upon by many of the
democrats as being in the nature of a
bomb shell hurled into the democratic camp
and one that will be productive of much
disorder when the convention gets down
to business at Fremont next Tuesday. Several
of those who expressed themselves on
the matter have indicated that after all
Harrington's elevation to the platform will
mean that the "old time" platform
leader will be entirely off and that
it will be productive of more harmony
than if the Holt county man were allowed
to sit with the rest of the delegates at
the convention.

Brown Defends Bryan.
F. W. Brown, whose reported candidacy
for the governorship next year is a matter
of much talk in the party at the present
time, said today the selection today: "Such
action is unfair, unjust and uncalled for."
He summed up the view of the more radical
of Mr. Bryan's friends. "It behooves no
man to question Mr. Bryan's sincerity
along any line upon which he wishes to
express an opinion," continued Mr. Brown.
"Mr. Bryan is, and always has been right
on national questions, and for any set of
men, in this state especially, to oppose
him is rank folly. I have not, nor am I
going to pay any attention to the letters
now flying broadcast between various
members of the party."

Shallenberger Explains.
J. E. Miller, candidate for the democ-
ratic nomination for regent of the state
university, has received a letter from
Governor Shallenberger in which the
governor asserts that he means no opposition
to the local man when he signed a petition
requesting that the name of Charles Knapp
be placed upon the ticket for that place.

Knapp's Backing of Knapp
Mr. Shallenberger's backing of Knapp
has caused considerable comment in this city
as well as other parts of the state, and
the fact that they are direct opponents,
this action was thought to be an affront
to Mr. Miller. The former state executive
in explaining the matter to Mr. Miller
asserted that Knapp's petition had been
sent to him in a personal letter and before
he had heard intimation to the effect
that Miller intended to make the race. He
declared further in his letter that he
thought that political capital would
be made of the incident.

Make Payment on Home.
The state of Nebraska yesterday through
Auditor Barton made an initial payment of
\$10,000 upon the Frank residence recently
purchased by the State Board of Public
Lands and Buildings for use as a hospital
for indigent consumptives. The institution
was lately located at Kearney in accordance
with the provisions of the Bushes
act passed at the late session of the legis-
lature which appropriated \$40,000 for the
establishment of the new hospital. The
building purchased by the State board
cost the state \$90, and the first warrant
in payment for the place was directed to be
delivered to E. D. Gould, a former state
senator who now resides in the Buffalo
county seat.

Kearney Led Declared Insane.
KEARNEY, Neb., July 20.—(Special.)—
Will J. Heitbecker was found insane by
the Buffalo county insanity commission
late last evening and sent to the asylum
at Hastings. Heitbecker's case created
a good deal of comment when the particu-
lars became public. Since Friday he
has been confined in the room of his
chum, Bud Humphrey, who tried to keep
his condition secret in the hope that he
would recover his mind. Last night he
escaped from the rooms and Humphrey
gave chase, but was unable to catch him.
Deputy Sheriff Bede Laughton joined in
pursuit and captured the insane lad in a
short time. It is said that the young
man's condition is due to brooding over
a girl who had jilted him. He is a musician
and a member of a local band.

HILDRETH, Neb., July 20.—(Special.)—

occurrence. Mr. Hague noticed the passenger
engine and stepped off the track onto the
parallel track and directly in front of the
freight engine. The body was terribly
mangled.

fearless leaders of progressive republicanism,
Senator Elwell, and Congressman George W.

We heartily commend their real and true
patriotism and courage in the face of
the tariff and protective duties in the

real representation of the people in
congress and to the benefit of the
"favored few."

**HANDS WOULD
BURN LIKE FIRE**
Could Lay Pin in Cracks. Four Long
Years of Eczema. Only Relief in
Scratching. Used One Set
of Cuticura Remedies.
Hands Entirely Well.

"I can truthfully say Cuticura Remedies have cured me of four long years of eczema. About four years ago I noticed some little pimples coming on my little finger, and not giving it any attention, it soon became worse and spread all over my hands. If I would have them in water for a long time, they would burn like fire and large cracks would come on. I lay a pile of scabs on them. After using all the salves I could think of, I went to three different doctors, but all did me no good. The only relief I got was in the treatment of Cuticura Remedies. After using one set of Cuticura Remedies, I purchased one complete set, and after using it three days my hands were entirely well. To-day my hands are entirely well, not a scab on them." (Signed) Miss Ella Marie, R. F. D. 2, Spring Lake, Mich., Sept. 30, 1910.

No stronger evidence than this could be given of the success and economy of Cuticura Remedies. The treatment of torturing, disfiguring humors of the skin. A single hot bath with Cuticura Soap and a gentle scrubbing with Cuticura Ointment are often sufficient to afford immediate relief in the most distressing cases and permit rest and sleep. Three days of treatment with Cuticura Ointment are equally effective in preventing, purifying and beautifying the skin.

Although Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold throughout the world, a liberal sample of each, with full directions, is sent by mail free on application to Foster Drug & Chem. Corp., Dept. 25, Boston.
