Woman's

The highest point of woman's happiness is reached only through moth-arhood, in the clasping of her child within her arms. Yet the mother-tobe is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ills and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of reat value to every expectant mother, It is an oily emulsion for external lication, composed of ingredlents which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually sses. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and waysigth it brings about after baby comes. Mother's Friend

THE CONQUEROR OF RHEUMATISM

If you have tried every other known for rheumatism do not do-You still have Uricsol, the practical certainty of CURE, and the absolute certainty of material and lasting benefit to fall back on.

Uricsol is not's cureall. Its special field is rheumatic diseases and it cures them by removing the cause. Everybody newadays knows that rheumatism is caused by an excess or Uric Acid in the blood. Local appilcations may relieve, but they cannot possibly get at the seat of the dis-

Uriesol is just what its name implies, a solvent and eliminator of Uric Acid.

Remove the cause and the disease Uriesol not only cures the common forms of rheumatism, but it does what

no other remedy has before accompaished: IT DISSOLVES AND ELIMINATES DEPOSITS IN THE JOINTS, WHERE THEY HAVE BEEN ACCUMULAT-ING FOR YEARS.

Records are in our possession of not one but many cases where the joints of the fingers were so thickened as to be practically useless; where the hip or the knee joints were se filled with the deposits as to render the victim wholly unable to walk; yet the patients were completely restored to health and activity by the systematic use of Uricsol. In this way Uricsol has been a
