Chicago Second Victory.

Runs-Cole and Mathewson

in Pitchers' Battle,

CHICAGO, Sept. 28 .- Chicago made it wo straight from New York, 2 to 1. As a result of th esecond victory over the leaders the difference between the two excellent ball after the third inning clubs in the pennant race has been cut Score; to five and one-half games or forty-three

Joe Tinker, hero of many battles, delivered the hit today which gave Chicago the victory. After two men were out. Sheckard and Schulte each singled and both scored on Tinker's double to left field. Mathewson opposed "King" Cole, in a pitchers' battle. The former was hit safely seven times, while Cole allowed five hits, only two of which were bunched in the opening inning. The support, however, behind Mathewson was ragged, while that behind the Chicago pitcher was perfect, even sensational. The New York team was first to score. L. Doyle got a double to right and scored on Merkle's single. In Chicago's half of the first Mathewson appeared nervous

throughout the game, the pinth inning being played in a downpour. Score:

### Creighton's Foot Ball Men Working for the First Game

Hard acrimmage practice continues to be the order for Coach Miller's warriors. The scrubs are pushing the regulars to their limit each evening. Last night was devoted to quite a bit of open play, the regulars pulling off several neat forward passes. Two men who showed up especially well in this style of work are Proutra and Balderson. Both are fast men and handling the position in familiar fashion. These men seem to be the favorite candidates for the halfback positions. Miller has a good field to pick from to make up a whiriwind backfield. Doyle is another man at present on the hospital list, whose speed will undoubtedly win him a place at helf. win him a place at hall or end. The diffleult hole in Miller's makeup seems to be fullback. McNichols, Maguire and Hefferman are all good men in this line. Hefferman is a particularly good man if his weak shoulder will stand good for him. McNichols has a strong boot.

Heller is doing great work at end, but is unfortunate at present in being handicapped by "charleyhorse" and a bad ankle. Coach Miller, with the hard working Morganthaler, is whipping together two with the Peru Normal college of a great machine. They will have the Peru in Omaha, Friday, November, 10, edge on most of their opponents, but will possibly be somewhat handicapped hardest working man on the campus and frequently pulls off a thirty-yard run just to show how easy it is. Scrimmage will be the program for another week, when the team will be picked to oppose Western Union college for the initial game.
