ARRANGE TO PAY VOUCHERS

Regents Will Let State Board Build New Institution.

VOUCHERS WILL BE APPROVED

After Its Completion Operation of New Institution Will Be Taken Over by the University Authorities.

(From a Staff Correspondent.)
LINCOLN, Neb., Oct. 9.—(Special.)—According to a conclusion reached by Chancellor Avery of the state university with regard to the operations of the Eastman Agricultural school act, it will, for the purpose of this act, at least, be considered a division of the university.

The regents' approval of all vouchers for expenses incurred by the state board is required by the Eastman law, and nothing can be done toward the fulfillment of that act until the board has consented to the payment of such claims as come up in connection with the new Curtis school. Chancellor Avery today signed the first voucher for the first money to be spent by the state board for the new school, a \$10 payment on land bought for the institution which is to be erected at Curtis.

Views of Chancellor.

"It was suggested to me that I could not approve the board's expense vouchers as long as I knew nothing personally of where the money was used," said Chancellor Avery. "That is frequently the case in all of the university departments, however. There are so many items presented that it is impossible to keep track of them all and there is no other way than to take the word of the heads of the departments. I shall do exactly the same way with the vouchers presented by Land Commissioner Cowles and the board. The university regents will, of course, visit the new school from time to time to see that the work is going on as it should. The school after its completion is to be given over to the university as one of its adjuncts."

Division of Authority.

The division of authority relative to the paying out of money by the Board of Public Lands and Buildings and subsequent control of the school by the Board of Regents of the state university was thought by opponents of the bill and those who opposed its location at Curtis to be its weak point, and it was thought that an attack on this line would be made before the first voucher making the law effective had been signed.

BURGLAR SALE SUGGESTION OF STOREKEEPER OF AUBURN

(From a Staff Correspondent.)
LINCOLN, Neb., Oct. 9.—(Special.)—"People were anxious to buy goods which the burglar had stolen and which had been recovered. One woman in particular asked me for the first bracelet which had been taken from the robber. If I had been a Yankee storekeeper I might have used the burglary as a business asset and had a 'robber' sale similar to 'fire' sales which are widely held in this country."

Such was the assertion of James Curzon an Auburn storekeeper who appeared before the state board of pardons today for the purpose of objecting to the parole of Walter Stratton, the youth who robbed his store in September, 1910, and who is now serving a three years' term in the penitentiary for the crime.

The hearing was held today before E. G. Maggi and the evidence submitted thereat will be reviewed by the entire advisory board of pardons within the next two weeks.

The history of the crime shows that young Stratton stole in the neighborhood of \$700 worth of watch cases, fobs, bracelets, rings, lockets, gold crosses and other jewelry. He tried to make his escape in a car of lumber, but was apprehended before he could get away. The prisoner gave intoxication as an excuse for the crime but the evidence tended to show that he was perfectly sober at the time he was captured, only a few hours after the deed.

A Home Recipe for Wrinkled, Saggy Skin

(From Beauty and Health.)
The famous saxolite lotion which is recommended by beauty specialists for the removal of wrinkles and for reducing distended pores, can be made at home. Ask your druggist for saxolite in powdered form, 1 oz., and ½ pint witch hazel. Dissolve the powder in the witch hazel and bathe the face, neck and hands in the solution. Results are remarkable, and instantaneous. The skin tightens, and this naturally reduces the wrinkles, as well as creases or folds about the neck, cheeks or hands. The tissue and muscle beneath the skin also becomes firmer and more solid.

One feels much refreshed and exhilarated after using this truly wonderful preparation. It continued use for only a short time will make one look five or ten years younger.—Adv.

His head was cut and otherwise injured by the timber, which had been displaced so as to be in the way of the big hammer, and when hit it flew to one side and struck him. He was driving some piling for a cement bridge for the county at the time of the accident.

Jim Elliott's Record in State Campaign

WEST POINT, Neb., Oct. 9.—(Special.)—The attack upon James C. Elliott, republican nominee for congress from the Third Nebraska district, published in the Sioux City Tribune and purporting to emanate from Lincoln, has caused amusement in both democratic and republican circles at West Point. The article is a labored attempt to show that the so-called "progressive" element of the republican party presents Mr. Elliott's nomination, and on its face betrays the ear-marks of the democratic machine, although disguised in "progressive" clothing.

When the article was shown to Mr. Elliott he said:
"I assert, most emphatically, that at no time did I oppose the nomination or election of Governor Aldrich. Respecting my advocacy and support of a direct primary law I may state that I was in favor of its enactment as desired by the people and the same is true of other projected reforms, in the advocacy of which my sole aim was to strengthen the hands of the people. The same is likewise true of my attitude on county option and I challenge anyone to produce proof to the contrary."

BANKERS MAKE REQUEST FOR DEDUCTIONS FROM LISTS

(From a Staff Correspondent.)
LINCOLN, Neb., Oct. 9.—(Special Telegram.)—Through M. L. Attkin, a local banker, the State Board of Assessment has been asked, on behalf of the State Bankers' association, to permit the use of banks as assessors so that provision for the additions and deductions from the assessable property of the banks of the state may be made.

The request, which was put to the assessment board late today, was listened to by Governor Aldrich, Land Commissioner Cowles and Secretary of State Wait. Pending a full attendance of the board no action will be taken.

In 1909 the state board used a blank which permitted banks to add to their assessable property accrued interest on bills receivable not included in undivided profits. Further, the deduction of accrued and unpaid interest on certificates of deposit were also provided for, as were the unearned pro rata portions of discounts on notes or bills receivable. This method of bank property listing resulted in a decrease of \$69,540 actual bank property value in Douglas county alone.

In 1910 these items were eliminated from the blanks, but for some reason were used in Douglas county, the state board later requiring the items to be stricken out. It was disclosed during the adjustment of the bank assessment rolls later that the county assessor had arbitrarily allowed a 3 per cent reduction on account of bad notes held by Omaha bankers. This deduction was also refused by the state board. Subsequent hearings held at that time were attended by many Omaha bankers, who contended that they were unjustly assessed. Their arguments, in substance, were renewed today by Mr. Attkin on behalf of the State Bankers' association.

SON MEETS INSTANT DEATH HURRYING TO MEET MOTHER

GRAND ISLAND, Neb., Oct. 9.—(Special.)—Delighted over the return of his mother, who had been in the hospital in this city for some weeks, Carl Lucas, son of Mr. and Mrs. Rudolph Lucas, hurriedly placed a shot gun in a spring wagon, to run up the road to meet the parents, and in doing so met his instantaneous death. Either the gun was cocked and the jar caused the explosion of both barrels, or a little wire, hanging like a key to the seat, struck the triggers. The loads entered the abdomen and the unfortunate lad fell over dead.

Carl had been shooting blackbirds during the afternoon.

The mother, only sufficiently recovered to leave the hospital, was almost prostrated and had to receive the attentions of her physician.

Carl was the only son of the family and was in his eighteenth year.

HAWXBY CLEARS HIMSELF BEFORE GOVERNOR ALDRICH

(From a Staff Correspondent.)
LINCOLN, Oct. 9.—(Special.)—Letters were submitted to the governor today in which the action of County Attorney Fred Hawxby of Nemaha county for prosecuting W. F. Seaman on a charge of arson was commended and upheld by every member of the county bar with the single exception of the attorney who brought the ouster application to the executive. Governor Aldrich notified County Attorney Hawxby today that the matter would be dismissed and that nothing further would be done with regard to it.

Taft Logical Candidate Declares Mr. Hinchaw

(From a Staff Correspondent.)
LINCOLN, Neb., Oct. 9.—(Special.)—"So far as I can see," said former Congressman Hinchaw today on his way from Washington, D. C., to Fairbury, "from my observations at the national capital and in other parts of the east, Taft is the only republican who can be nominated and have a reasonable show of election."

"I find a decided sentiment in the east that if the congressional organization backs up President Taft, in his desire for tariff revision during this coming session it will go far towards allaying a lot of existing antagonism."

GOVERNOR EXPECTS TO TAKE WHOLE WEEK'S VACATION

(From a Staff Correspondent.)
LINCOLN, Oct. 9.—(Special.)—Governor Aldrich is going to Cherry county October 19 for a week's hunting trip and will be a guest of honor at the ranch home of John Bachelor. The governor has given out that provided he will make the stay an entire week. Last spring the state executive went to the same place for a hunting vacation of the same length, but was forced to come home quicker than he expected because of an almost forgotten date which he unexpectedly had to fill.

Officers Elected at Wise Memorial Hospital Meeting

At the annual meeting of the Wise Memorial Hospital association, held Sunday afternoon, Mrs. J. Sonnenberg, Mrs. C. Schick and J. Maynard, respectively president, vice president and secretary, respectively, I. Sommers was elected treasurer and the following trustees for the three-year term: A. D. Brandeis, M. Meyer, H. May and J. Kline.

Reports submitted showed the hospital to be in the best of financial condition and having all the business it can handle. It was stated that the new wing will be completed and ready for occupancy by the first of next year, that it will contain sixteen rooms and have capacity for from twenty to twenty-two beds.

Rabbi Frederick Cohn spoke of the great amount of charity work being done at the hospital and expressed the opinion that with the completion of the new wing, the institution will be in a position to greatly increase its facilities for treating people who are unable to pay their expenses at a hospital. It was estimated that during the last year, the hospital has given not less than \$5,000 worth of free treatment.

Officers Engage in Pistol Battle

Falling in an attempt to borrow a quarter of a dollar from Officer J. Barta late last night, Charles McGuire, a special deputy employed by the Union Pacific railroad to guard the strikebreakers, whipped out a revolver and fired once at the policeman, but missed. Barta replied with his own weapon, also without effect. McGuire attempted to flee but was captured and taken to the police station where he was locked up pending an investigation in police court this morning. McGuire was held and did not try to beg money from Barta, and that the shooting resulted from a personal quarrel of long standing.

Funeral of Hohlbeck Is Held at Wisner

WISNER, Neb., Oct. 8.—(Special Telegram.)—The funeral of Earl Hohlbeck, the national guardman of Company B, First Nebraska National guard, who met death at Camp Mickey last week, was held at the Methodist Episcopal church here today, and interment was made in the Wisner cemetery.

The young man was buried with military honors. Company B attended with forty-one members in full uniform. Officers in attendance were Major H. H. Antiles of Lincoln, representing the first brigade; Colonel G. A. Eberly, First regiment; Captain W. E. Keiso, Captain L. Riley, Captain Iver Johnson, Lieutenant Burnham.

The funeral was largely attended. Earl I. Ovington and Miss Mathilda Moisant, two well known aviators, from making flights at the Nassau boulevard field today.

Although the official meet of the Aero club had been declared off, following a decision by the supreme court that Sunday meets at which admissions were charged were violations of the law, Ovington and Miss Moisant decided to make flights on their own account.

Miss Moisant flew from the Nassau boulevard field to her hangar at Mineola and Ovington started on his proposed flight to the Pacific coast with a package of letters, having been delegated by Postmaster General Hitchcock as the first transcontinental aerial mail carrier.

Miss Moisant landed on the property of her brother, Alfred Moisant, and immediately a trio of deputy sheriffs tried to arrest her.

Miss Moisant's brother said his sister had entered her automobile just after alighting from her monoplane and that the deputies attacked her chauffeur and severely clubbed him when he refused to allow them to take the woman aviator from the automobile.

In the fracas Miss Moisant had her wrist cut and was much bruised and shaken up. The deputies had no warrant to make an arrest.

Ovington was forced to come down near Belmont park when his monoplane nearly crashed in a swirl. The deputies had lost track of him and he escaped the embarrassment which befell Miss Moisant.
