CORNHUSKERS NOT SO GOOD IN BATTLE WITH SCRUBS

LINCOLN, Oct. 16 .- (Special Telegram.) In a vigorous scrimmage Tuesday night husker line and all but carried the ball over for a touchdown on two different The showing of the regulars was most disappointing in the face of the brilliant game played last Saturday. With the ball the varsity showed new life and had little difficulty in scoring. Stichm lined twenty-two men against the varsity on the one-yard line in an attempt to prevent them from scoring on the scrubs, but they carried the ball over just as easily. He put three elevens against them and again the varsity scored, but weak defensive work has caused considerable apprehension

Nebraska's vaunted stone wall line showed very little Tuesday night and Stiehm gave the regulars the most caustie talk since practice started. The scrubs were coached with Minnesota plays and they worked to perfection against the regulars. Regularly the scrubs made distance until a shift in the lineup weakened them. There were four complete teams out for practice Tuesday night The scrimmage was short, most of the wening being devoted to teaching the varsity new plays for the Aggies and the Gophera. Stiehm expects a stiff rub with the Aggies Saturday and is going

to take no chances for surprises. The probable retention of Eillott in school resulted from a conference Tuesday afternoon. Once again the husky lineman arranged with his uncle to remain in school until the close of the foot ball season before leaving to take a place with the law firm of which the uncle is the head. The regulars will be given stiff scrimmage work Wednesday
