REGISTRATION INQUIRY MADE Democrats Accept Republicans' Invi-

Democratic Chairmen Submit Report of Findings, in Which They Set Forth Large Number of

Illegal Registrations.

Efforts of the state and county republican central committees to purge registration in Douglas county has borne fruit, the corresponding committee of the democratic party having conducted an investigation tending to prove that numerous fraudulent registrations were made on September 5. Recently John L. Kennedy, chairman of the republican state committee, and Benjamin S. Baker, chairman of the Douglas county organization, directed a communication to J. C. Byrnes, democratic state chairman. and Louis J. Piatti of the county committee, inviting them to join in an investigation into the methods employed in securing qualifications for votes.

Since the invitation was extended the democratic chairmen have conducted an investigation, the results of which have just been communicated to Messys. Kennedy and Baker through a letter signed by Mr. Platti. He says: "In respect to rumors of illegal registration in past years I am not in a position to verify or disprove them, but a do not

vent a fair and honest election upon November 7 and that a large number of illegal voters have already been registered for the purpose of carrying out the plans of the conspirators.

"In order to give you some idea of the investigation made by the committee up to the present time, I will cite a few of the large number of cases that have been called to our attention:

"From 80! North Sixteenth street twenty-one persons were registered upon beptember 5 last. Upon investigation, in which we were assisted by William Gould, proprietor of the lodging house conducted at that number, we found that only seven of the twenty-one registered upon was the clerk of the lodging house and was also one of the registrars of election in the First precinct of the Tinterental and residents at the above number; that notwithstanding that fact he registration and an honest election."

Mrs. Mattie Woods Cleared by Jury

Mrs Mattle Woods, who was with Hunt at the time of the shooting and who was arrested at the time, will be discharged upon the recommendation of the jury. Mrs. Woods testified that she went to Hunt's home and asked him to walk home with her last Sunday.
