WARRIORS LEAVE FOR NORTH

Cornhuskers Confident of Showing Well Against Gophers.

DRAWN TO STATION IN WAGON

Will Arrive Early This Morning in Minneapolis and Will Hold One More Practice Before the Game.

LINCOLN, Oct. 19.—(Special Telegram).—Twenty-one stalwart foot ball players comprising the squad of the University of Nebraska left amid the cheers of 1,000 students assembled at the Burlington depot on the annual northern invasion for foot ball honors on the Minnesota field.

Drawn to the depot in wagons the foot ball players were given a short opportunity to speak. Coach Stehm, Captain Shonka, Prof. Fred Hunter, Owen Frank and Jerry Warner made short speeches indicative of a determination to get the Gophers' scalps. Other members of the team were called and the rally was one of the most enthusiastic held in recent years.

Following a short rail yield at the chapel at 11 o'clock arrangements were immediately completed to give the Cornhuskers a royal send-off. With bracing foot ball weather and the long, hard preparation for the coming battle with the Gophers over, the Cornhuskers raced through two hours of signal practice Thursday afternoon on Nebraska field and behind closed doors. The only man missing from the lineup was Captain Shonka, who had work to keep him from the signal practice. The work was by far the best seen on Nebraska field this season, and the squad, apparently enjoying the cooler weather, went through the signals with a precision and speed which augers well. The Cornhuskers have a number of new formations, the result of the long drill of the last three days, and to the outsider the plays look exceedingly good.

Those who comprised the Cornhusker squad were as follows: Captain Shonka, Anderson, Elliott, E. Frank, Freitag, Harmon, Lofgren, Pearson, Purdy, Ross, Swanson, Chauner, Elwell, O. Frank, Gibson, Hornberger, Mulligan, Potter, Hasey, Russell, Warner.

The team will arrive in Minneapolis early Friday morning and go immediately to a hotel. The morning will be spent in idleness and in the afternoon Stehm plans to give the varsity the last practice before the game. All of the squad are in excellent condition with the exception of Lofgren, who is suffering from a lame side. His injury is not at all serious and he will start in the game and unless injured more will play the first quarter. In order to rest him for the final quarter Mulligan, whose work has been sensational since the Aggie game, will relieve him at end and Lofgren will go in during the final round.

Between thirty and forty rosters will accompany the team in addition to the university band.

Pioneer Ball Player is Dead.

TROY, N. Y., Oct. 18.—(Special Telegram).—A pioneer base ball player and one of the original "Knickerbockers," died today at his home here, aged 82 years. His first professional engagement was in 1871 with the Chicago Nationals.

Files First Brief in Railroad Rate Cases

WASHINGTON, Oct. 18.—The fight of the states for unrestricted rights to regulate state rates on railroads, was opened formally today in the supreme court of the United States, when Edmund S. Durant filed the first brief in the cases involving state rates. These cases have been set for oral argument on January 8. Dr. Durant was one of the counsel for the state of Minnesota when the United States circuit court for Minnesota held the state rates unreasonable. He will not appear before the supreme court as a representative of the state, but his brief today represented his views.

Cornell Expects to Give Iowa Varsity a Hard Tussle

MOUNT VERNON, Ia., Oct. 19.—(Special).—Coach Finger thinks that if the Cornell line gets into proper working order by next Saturday Cornell will battle the Hawkeyes team harder than the Iowa routers are figuring on. In the Cornell-Penn game last Saturday Cornell's weak place was in the line. Heavy scrimmages every night this week have shown considerable improvement in the line and in spite of its weak showing in the first game of the season, Coach Finger thinks that they will be effective against Iowa.

Last year's All-Iowa half, Kramm, is playing a strong game at right half, both on the offensive and the defensive. Cornell will miss a star punter in Coppers, who is ineligible for the Iowa game, but Quarterbacks West and Craft are demonstrating good form at boosting the ball. Quarterback West has been effective in putting up a class of foot ball this season which will be equal to, if not superior, to that of Curry of Iowa. A game scrap between these two quarterbacks is looked forward to.

Coach Finger shifted Kramm to fullback in the last half of the game with Penn, but as to whether he will keep him there is not known. Reitzell at right end is playing steady and consistent ball.

Doane and Peru Play Foot Ball Today

CRETE, Neb., Oct. 18.—(Special).—Doane plays its third game at Crete Friday afternoon with the Peru Normal team. Doane has won both its games this year and as yet has not been scored upon, both Colmer and Grand Island drawing blanks, but the Peru game may make a difference in the record. Rice at end and King at tackle have been out of the game all week, the former with a severe cold and the latter with a large carbuncle on his left arm. Korab and Goble in the back field are both hobbling as a result of too strenuous muffs, so that the outlook for Doane is not rosy. Coach Johnson has, however, been putting his pupils through stiff scrimmages every afternoon and expects to get all the cripples in shape by Friday.

Omaha High Leaves Tonight for Game With Des Moines

The Omaha High school foot ball squad will leave over the Rock Island at 6 o'clock this evening for Des Moines, where they will clash with the fast West High eleven of that place tomorrow. A squad of seventeen will make the trip, in addition to Coach Burnett and Prof. C. E. Reed, athletic director.

The following squad will make the trip: Baldrige, Ballman, Bittinger, Bowman (captain), Carlson, Crocker, De Lemaire, Gidson, Landell, Millard, Moser, Munneke, Peterson, Rachman, Rector, Selby and Smith. Prof. Reed, athletic director; Coach Burnett, Rex Houston, student manager, and Gordon Mills, trainer, will also make the trip.

FRANK GOTCH WRESTLES HERE SATURDAY NIGHT

Frank Gotch, twice conqueror of George Hackenschmidt, the Russian Lion, the world's champion heavyweight wrestler will give an exhibition of how he handles the big fellows at the Auditorium Saturday night when he takes Jess Westergaard in a finish match.

This will be the first time Gotch has come to this city since doing away with Hack, and it may be his last appearance on the mat in Omaha. Although Jess realizes what he is going up against he is confident that he will at least make as good a showing against the Humboldt man as the Russian Lion did. Several good preliminaries have been arranged for the program, and Saturday night

will take on the aspect of a wrestling tournament. Mahmout, the Turk, who, according to Farmer Burns, is the king of all the foreign wrestlers, will also appear in an exhibition Saturday evening.

Second High Team to Play Deaf Boys

As a preliminary to the Creighton-University of Omaha game Saturday afternoon on Creighton field the Omaha High school second team will meet the fast Deaf Institute eleven.

CREIGHTON PLAYS UNI OF OMAHA SATURDAY

Owing to the cancellation of their game with South Dakota Mines, Creighton will put on a strictly local contest Saturday afternoon, when they play Omaha University. This is the first contest between these schools, and it will probably establish relationship and make this an annual event.

Coach Miller's men are now in fine trim, and it now begins to appear as though his bunch was caught napping in the opening of the season. They displayed real foot ball against Yankton last week and outplayed their opponent in several departments, but were unable to break away with more than a tie. Coach Miller seems to have infected some of that foot ball snap into them. Their aim is now focused on Morning-side, who seem more than usually strong this year, and not till then will Creighton be able to surmise the probable outcome of such a battle as Marquette, opponents of the near future.

MORE RAIN IN PHILADELPHIA

Fourth Game in the World Series is Again Postponed.

THOUSAND PERSONS NEAR PARK

Fans Were Standing in Rain Waiting for Opening of Gates When Announcement Was Made—Oldring's Sister Dead.

PHILADELPHIA, Oct. 19.—Rain today caused another postponement of the playing of the fourth game between Philadelphia and New York for the world's base ball championship. The grounds were in a soggy condition and, as a light rain was falling, the umpires called up the members of the National commission in New York and informed them of conditions. It was decided to call off the game for today and it will be played here tomorrow if weather conditions permit.

When the postponement was announced there were nearly 1,000 persons around Shibe park hoping that the rain would cease and that the game would be played. Death has entered the family of one of the Philadelphia players, but it will not break up the combination. Reuben Oldring, the Philadelphia centerfielder, was notified today that his sister, Lillian Oldring, had died last night in Mount Vernon, N. Y. She had been ill since July and the announcement of her death was not unexpected, but at the same time it was a shock to him.

"My first impulse was to jump to New York," said Oldring today, "but considering the matter calmly I have decided to stick to the team. It may seem strange for me to play base ball with my sister dead, but I can do her no good, and at this critical stage of the world's series I feel I had better remain with the team." Oldring will go to New York today and expects to be back for tomorrow's game. In case Oldring later decides not to play in one or any of the games Strunk will play center field. Strunk is a good substitute. He played in four of the world's series games last year, making five hits and scoring two runs, his batting average being .278.

Steel Trust Will Cancel Ore Lease

NEW YORK, Oct. 18.—The United States Steel corporation will cancel its lease of the Great Northern ore properties, one of the largest leases of the kind which the corporation holds. The rumor, current in Wall street today, was confirmed after business hours from official sources.

When the lease will be terminated is undetermined. The contract stipulated that it should continue until all the ore is exhausted, unless on January 15, 1915, the lease should be abrogated under the option reserved by the lessee, and in case the lessee so determined, two years' notice should be given.

Three Sailors Are Eaten by Cannibals

VICTORIA, B. C., Oct. 18.—Rev. J. G. Patton, who arrived today from Malakoff, New Hebrides, where he has been a missionary for nineteen years, said that shortly before he left, a French trading vessel made a raid and a number of natives were kidnaped. The natives, in revenge, attacked the steamer and captured three of the crew, all natives. These were killed and eaten.

JOHN M'GRAW IS CENSURED

National Commission Must Repeat Misconduct of Tuesday.

MERKLE DRAWS FINE OF \$100

Giants' First Baseman Scored for Using Improper Language—Both Men Warned Removal Will Follow Second Offense.

NEW YORK, Oct. 18.—The National Base Ball commission today censured John McGraw of the New York National league club for his conduct during the Athletics-Giants game here last Tuesday and notified him that a repetition of misconduct would result in removal from the field, disbarment from all further world's series games and a heavy fine. First Baseman Merkle of New York also was fined \$100 for improper language.

The National commission made public tonight this letter to McGraw, dated yesterday: "In the discharge of its duty to maintain order and discipline in the series now in progress for the championship of the world, as required by the rules and regulations, jointly enacted by the National and American leagues on February 15, 1906, for the control of this event, the National commission has taken official cognizance of your unwarranted conduct and language while passing from the coaches' line to your team's bench during the last few innings of the game played on the Polo grounds on Tuesday, October 17, 1911.

Threatened with Removal.

"Notice is hereby served upon you that a repetition of this misconduct on your part will at once be called to the attention of the umpire-in-chief of the game in which it occurs, with instructions to remove you from the field and the commission will disbar you from all subsequent games. In addition to this penalty a severe fine will be inflicted upon you.

"The commission will not permit a manager or player to attempt to influence by word or deed public opinion against a capable and conscientious official of the game, and unless decisions are accepted by you in a spirit of sportsmanship you will be dealt with as indicated in this letter."

The letter to Merkle reads: "You are hereby notified that a fine of \$100 has been imposed against you by the National commission for using improper and indecent language in the game
