

# Address of Welcome To Land Show Visitors

So rapidly is the West growing that it now has become necessary to direct its progress into such a course as will eliminate waste, bring richest returns and insure its people an established future of wealth and prosperity.

Omaha, located as the mouth to this vast country, has been selected as the logical place for an exposition, the purpose of which is to aid in the firm advancement of the West through a stupendous display of its resources.

Since Omaha has become the site of this wonderful exposition, we, whose interests are indissolubly linked with those of this expansive territory, accept this opportunity to address a message of welcome to all who visit this city.

In every business home of the signers of this message are keys to the city, symbols of bounteous hospitality of Omaha and gifts which our visitors are urged to accept.

In testimony of these sentiments we have hereto attached our signatures:
