SCHMIDT FIVE WINNER

St. Paul Bowlers Capture Team Event at Mid-West.

MAKE THE MARK OF 2,825

Chalmers of Chicago Get Second Place, with 2,794—Meets Roll High for Omaha, with 2,450.

DES MOINES, Dec. 10.—The Schmidt team of St. Paul was last night declared the victor in the five-man events of the Mid-Western bowling tournament, which closed tonight with final single and double contests. The Chalmers team of Chicago captured second place, while the Alexander Stars of Des Moines got third with a score of 2,777.

The Chalmers made an effort to capture first place, but failed to roll the record for the tourney, which was piled up in the afternoon by the Schmidts of St. Paul. The latter's score was 2,825.

The Schmidt team, however, came second to the St. Paul team with a score which itself eclipsed any record made until today.

The Fleencers of Chicago, played in poor form, scoring only 2,615.

Other five-man scores today were: Gordon Goepfels, Kansas City, 2,841; Empires, Kansas City, 2,732; Columbus, Columbus, Neb., 2,582.

SIX SOUTH DAKOTA COLLEGES ORGANIZE ATHLETIC CONFERENCE

MITCHELL, S. D., Dec. 10.—(Special.)—A conference of the coaches and members of the faculties of four colleges of the state on athletic matters was concluded here Saturday. Huron was represented by Prof. C. F. Hochstetler, Yankton by Coach R. H. Bush and Prof. M. A. Stuart, Brookings by Prof. G. A. Starring and Coach F. H. Johnson and Mitchell by Prof. W. C. Epper and Coach R. M. Douglas. Vermillion and Rapid City's representatives were unable to be present.

Rules and regulations were presented to the men present at this conference which will result in standardizing college athletics under a known organization covering membership, meetings, representation, eligibility of athletes and other details. Heretofore there has been a disposition to carry men on a foot-ball team for a longer period than they are fitted, and also men have left on college in the summer to take up another job in order to manage in foot ball. A rule is being prepared which will prevent the enrollment of a student from one college and will require an attendance at a new institution before enrolling for the team.

The conference is to be composed of Vermillion, Huron, Brookings, Yankton, Rapid City and Mitchell.

WOOD BURIED IN DENVER

RAPID CITY, S. D., Dec. 10.—(Special.)—Accompanied by his own son, Ben, the body of the late Chauncey L. Wood, democratic candidate for governor of South Dakota in 1906, arrived here from Seattle, where Mr. Wood died nearly a year ago. Disposition of the body could not be made until the fight between the two sons by a former marriage and the widow was settled, the same winning an affidavit from local men which showed that Mr. Wood in his lifetime had expressed his wish to be buried here. The interment was made here Sunday afternoon under Masonic auspices, in Mountain View cemetery. Mr. Wood was one of the best known men in the state.

MISSOURI VALLEY CONFERENCE DELEGATES WILL MODIFY RULING

Lawrence, Kan., Dec. 10.—The Missouri Valley conference is now considering whether to abolish base ball as a conference sport and at its meeting here today appointed a special committee to modify the professionalism clause of the rules.

NO NEW MEMBERS GET IN FOLD

Petitions of Washburn and Oklahoma Universities Both Turned Down at Meeting Held in Lawrence.

It is understood the conference favors a change that will not permit summer base ball, but which will make it possible for men who have been guilty of professionalism in the past to be reinstated. Saturday's meeting was behind closed doors and was really an extension of yesterday's Kansas City gathering. Foot ball rules were gone over and a resolution was adopted changing them so that no game can be played after the last Saturday preceding Thanksgiving. By this ruling no conference Thanksgiving day games can be scheduled.

The annual championship track meet in May will remain at Des Moines another year. Columbia, Mo., secured the annual tennis tournament, which will be held May 16 and 17.

After rejecting the petitions of Washburn and Oklahoma universities for admission, the conference adjourned to meet at Des Moines in May, the exact date to be determined later.

LYNCH DEPRECATES PERSONAL FEELING

CRESCENTS DEFEAT SQUABS

Take Basket Ball at the Y. M. C. A. Gymnasium Last Night.

BERRIMAN STAR OF THE GAME

Victors Play Opponents Off Feet in the First Half, but Squabs Are Strong in Last Half.

LEAGUE STANDING

Table with 3 columns: Team, W, L, Ave. Includes teams like Pirates, Crescents, Tiger Cubs, etc.

The Crescents five swooped down upon the Squab team at the Young Men's Christian association gymnasium Saturday evening and pulled off a victory to the tune of 22 to 16.

Berriman, captain and right forward for the Crescents, was the particular star of the game and brought forth applause from a fair sized and enthusiastic gallery. Feltman, at left forward for the Squabs, also played a good game.

The Crescents played their opponents off the feet in the first half and piled up a score of 11. The Squabs came back strong in the second half and plowed the Crescents but, eight points. Berriman captured the center for the Squab five in this half and completely outplayed his opponent, Linderman.

Considering the fact that the Squab's five is composed of members from the boys' department and that the Crescents are made up of players of the senior class, the younger team made a good showing. The game scheduled between the Bows and the Arrows was postponed because neither of the teams showed up.

CORNHUSKER FIVE GETS BUSY

Coach Stiehm Issues Call for Basket Ball Players.

MATERIAL IS VERY PROMISING

Five Veterans Remain, Practically the Same Men that Constituted the Team Last Season.

LINCOLN, Dec. 10.—(Special.)—The customary bill in Cornhusker athletics following the close of the foot ball season and the opening of the basket ball championship series in the Missouri valley has been interrupted only by the initial basket ball practice at Nebraska under the direction of Coach "Jumbo" Stiehm. Stiehm issued a call for basket ball men last Tuesday and the squad has gradually increased until it now numbers twenty. The material is very promising and Stiehm was so encouraged by the return of veterans and promising new material that he prophesied that Nebraska could drag down the Missouri valley championship in basket ball if the men would only work.

Of the veterans there remain Gibson, Frank, Carrier, Hillner and Owen, practically the same five that represented Nebraska last year in basket ball. Some of the old men will be given a hard rub for their positions by the freshmen squad of last year, of which Trimble, an Omaha man, is the most promising.

TEN BEST TENNIS PLAYERS

Larned is Given Rank Over All in America by Committee.

RECORDS FOR YEAR CONSIDERED

Next Twenty-Five Players Ranked in Three Classes as Supposed to Be of Relatively Equal Ability.

NEW YORK, Dec. 10.—The ten best tennis players of the country were officially rated today in the annual report made by the ranking committee to the United States Lawn Tennis association. The players, named in order are: 1. W. A. Larned, 2. M. E. McLoughlin, 3. T. V. Bundy, 4. G. P. Touchard, 5. R. D. Little, 6. N. M. Niles, 7. T. R. Pell, 8. E. H. Bell, 9. K. H. Bell, 10. W. M. Hall.

Instead of naming the other ninety players in their numerical rank the committee this year ranked only twenty-five in three classes and announced that the men in each class were supposed to be of relatively equal ability. These names are given alphabetically.

Two of the three committees express doubt regarding the usefulness of ranking the players and recommend the advisability of continuing the system be brought before the next annual meeting.

The committee announced that no player has been ranked unless he participated in at least three tournaments held under the auspices of the association and based its report solely on actual records. An exception to the three-tournament rule is William A. Larned, national champion, who played in but one tournament.

The classification of players below the first ten is: Class A—Richard Blahoy, G. M. Church, Holden, Jr., G. R. Gardner, S. A. E. P. Larned. Class B—M. Bull, Jr., B. P. Gardner, Jr., W. M. SOLDIERS CHECK SHAMROCKS

Uncle Sam's Boys Hold Irish Lads to a Tie on Fort Gridiron.

THOUSAND FANS SEE THE GAME

In Second Quarter Shamrocks Plow Up Field for Forty Yards and Quigley Makes Touchdown.

On the Fort Omaha gridiron yesterday afternoon about 1,000 foot ball devotees saw the Shamrocks of South Omaha and the Soldiers play a tie game, the score being 6 to 6.

Quigley, Ritchie, Pagan, Tuttle and Callahan were continually in the limelight. For the Soldiers, Tompkins, Grois, Wits and Cannon were the stars. Quigley kicked off to Wits, who advanced ten yards. The Soldiers were forced to kick. The Shamrocks plowed up the field to the ten-yard line, where the Soldiers held them. The Soldiers kicked out of danger and the platoon saw-sawed until the expiration of the first quarter. At the opening of the second quarter the Shamrocks had forty yards to go for a touchdown and they plowed up the field for that advance, Quigley going over for a touchdown. Quigley kicked goal. The balance of the quarter was about evenly played.

In the second half Tompkins kicked off to Quigley, who advanced twenty-five yards. A forward pass from Pagan to Callahan netted twenty yards more. The Shamrocks were forced to punt. The Soldiers failed to gain and were forced to punt. Jagger of the Soldiers got down the field and grabbed the oval on the first bounce just as a Shamrock was about to embrace it. He raced fifteen yards for a touchdown. Grois kicked goal.

The officials: Wright, referee; Rachman, umpire; Dally, field judge; Dineen, head line man, ran the game in an up-to-date fashion. Next Sunday, out at Fort Omaha, the Shamrocks and Soldiers will play off this tie game.

MID-WEST EVENTS CLOSING

Omaha Bowlers Last to Go on the Alleys at Des Moines.

NEXT MEET AT KANSAS CITY

Nearly All of the Officers of the Middle West Bowling Association Are Re-Elected—Two Changes Made.

Now that the Middle West tournament is about to pass into history the attention of the bowlers will be drawn toward the coming City Championship tournament, which will commence on January 8. At the election of officers of the Middle West nearly all of the present officers held over were re-elected. Two changes which took place was the election of Thomas Farley, the well known Kansas City bowler, to the office of treasurer, and the place of G. O. Francisco of Denver, and one C. Godeschewager of Omaha in place of Dad Huntington on the executive board. William F. Weber was re-elected secretary and he was also the recipient of a great deal of praise for the manner in which he conducted his office as well as the author of the first official publication of the scores made in the last tournament held in this city. George Stroff was finally induced to accept the office of president, although it took a great deal of persuasion on the part of the bowlers to have him again at the head of the organization.

Kansas City was chosen as the next meeting place and a better city could not have been chosen, and a big entry should be the result therefrom. William Lucas will have much to do with the preliminary arrangements, and as Bill is well known in the Kaw town, it is to be anticipated in advance that the meet will be a good one.

Famous Kuhry has vowed that he will never speak to a member of the Metz team again if they don't do better than 2,500 in the five-man.

The hopes of the bowlers lie in the Metz Bros., as they are shooting better tenpins than ever. They hold all league records so far this year.

"The Bowler" Sweeney is much in evidence at Des Moines, just as he was at the same time takes Sweeney to talk about it. The Mazeppas will try to hold the Booster league in evidence. Of course they don't expect to get all the firsts, but intend to be better than the dog.

Ed M. Tracy, the popular captain of the McCord-Brady Advos, will retire from active bowling after the present season. His place will be taken by Ed Tracy, Jr., who has already shown considerable class with a "haxel."

Old Missouri Valley Hall of the Jeters was the first Omaha bowler to hit the 800 mark at Des Moines. This same Hall used to bowl with Ben Hull's grandfater Hartley and Huntington will shoot in the double today. It was only a few years ago that the two sharks had an open challenge posted on the alleys to shoot any two men in the state, and they usually made good.
