## (From a Staff Correspondent.) WASHINGTON, D. C., April IL-(Special Telegram.)--From whatever angle the result in lilinois is viewed, representatives in congress and by that is meant,

believe that the vote cast is expressive of an honest conviction because of the unusual local conditions which prevailed. They took advantage of the conditions existing and played them for all they were worth. The president suffered in consequence but the result is by no

viewed dispassionately from Taft head-quarters in this city. While Mr. McKin-ley was hopeful he expected nothing from his state in view of local conditions and the result but justifies The Bee's fore-

The democratic phase of it was diffe ent. It was a straightaway fight between Champ Clark and Wilson without the harassing and puzzing factional entanglements which hampered the re-publicans and the Taft victory is regarded as clean cut and emphatic and bound to affect favorably his candidacy in other states. A bitter gubernatorial fight, a senatorial contest, factional fric-tion in scores of towns and counties complicated the republican situation, and as Minority Leader Mann remarked, "wiped out party lines" in many instances. Lorimer's unpopularity too, was adroitly shifted by Rossevelt so as to overshadow Taft and is thought to have had that

heard today to express the belief that the Illinois outcome will have any effect on the result of the republican presidenon the result of the republican prostant tial campaign. The outlook still is that of 200 delegates in the convention. He has now 213 delegates which is within 226 votes of the number required to nominate. Allowing the third term candidate the entire vote of Illinois, which the Tafr
