Groups of eager golf enthusiasts will gather at the Country club links early this morning for the opening day of the eighth annual tournament of the Nebraska Golf association. The qualifyng round and the Nebraska team champlonship are on the program for temortow.

Hastings and Lincoln Country clubs will stay at the Omaha Country club during the tourney. Other players from out in the state will stop at local hotels. A total of seventy-five entries have been

made by the Field club, this being the largest number from any club, Many crack players are included in the Field club list, among whom are Jack Hughes, 1913 city champion; Sam Reynolds, W. N. Chambers, Harold Johyson and M. H. LaDouceur.

The Council Bluffs Rowing association is the only organization outside of Nebrasks which will take part. A ruling of the Nebraska association five years ago brought the lowans into the fold.

Short Putts of the Tourney. Jerome Magee of the Country club is

in Europe. Frank Gaines and W. J. Foye, 1911 state champion and runner-up, respectively, will not enter this year. J. S. Weppner of Happy Hollow will be on hand with his "good luck" smile and a brand new caddy bag. Blaine Young and J. W. Redick are two of the Country club's strongest entries.

None of the Seymour Lake Country club golfers have entered, as the Seymour links are not yet in condition to permit good practice.

R. J. Green of Lincoln says he is going to climb higher up on the qualifying list than he did last year. Green barely got on the list with a card of 179.

of South Omaha, the man who is said to Kentucky Delegates Decide to Suphave shot at boys for stealing his cher ries. Hugh O'Neil, father of Lawrence O'Neil, one of the boys, filed the complaint, and a warrant for Root's arrest was issued.

It is alleged that the hired man of Root captured the boys and kept then imprisoned until Root came home; that Root turned the boys free and then shot at them as they ran. Several buckshot lodged in the boy's body and he was a sorry sight when he appeared in court.

Governor Johnson in Omaha Gives Views of Political Situation.

UNRESERVEDLY AGAINST TAFT

Peerless Leader is Nominated There Will Be No Need of a Third Party.

If William J. Bryan is nominated in Batlimore, there will be no Roosevelt party in the field this year, is the opinion of Governor Johnson of California. The governor was in Omaha for a few minutes yesterday on his way home from the Chicago convention.

The governor of California denied that he spoke with the authority of Colonel Roosevelt, but took the position that with Bryan running there would be no necessity for a third party candidate. To a friend he stated that he based his judgment on the facts that nearly all of the principles contended for by Roosevelt and Bryan are almost identical and that they could be subscribed to by both progressive republicans and democrats

ALL OHIO VOTES FOR HARMON port Choice of National Committee for Temporary Chairman.

BALTIMORE, June 25 -Although senti ment in the Georgia delegation was said to be practically unanimous in favor of Judge Parker for temporary chairman, the caucus of that delegation today accepted the advice of its national committeeman, Clark Howell, and declined to adopt a resolution pledging its support. The Georgians agreed to follow the lead

of Mr. Howell in the chairmanship fight. Mr. Howell will be proposed by the Georgia delegation for the vice presidential nomination. Earlier in the day they presented him with a loving cup. An absentee among the Georgians was Thomas E. Watson, twice populist candidate for president, who now ts recognized as controlling the balance of power among the democrats in Georgia. When Mr. Watson was elected as delegate-atlarge by the state convention last month he promised to "go to Baltimore and lock horns with Bryan." He is reported to be ill with ptomaine poisoning at his

home. Thomas B. Felder, another delegate-atlarge, did not come with the delegation, but arrived later from Atlanta by way of Cincinnati. Several years ago Mr. Felder prosecuted some alleged dispensary a large sum of money for the state. Felder's action in these cases started a feud between him and Governor Blease, who has repeatedly attempted to have Mr. Felder extradited on counter charges. When he learned of Felder's election as delegate he announced that Felder would be arrested on long standing warrants if he passed through South Carolina with the Georgia delegation. Mr. Felder

believed Blease would do it and came by way of Cincinnati. Ohio Solid for Harmon. Governor Judson Harmon will receive

Illinois for Unit Rule. An attempt to break the unit rule in

the Illinois delegation, made, it is believed, in the interest of William J. Bryan's fight on the selection of Judge Parker as temporary chairman, was defeated at a caucus of delegates tonight. George W. Fithian, selected by the delegation to serve on the convention committee on resolutions and platform, offered the resolution to absolve the Illinois delegates from observance of the unit rule, adopted by the Peoria convention.

Chairman Boeschenstein ruled Mr. Fithian out of order. The latter appealed from the chairman's decision but was beaten by a large majority.

Massachusetts Undecided. All efforts to ascertain the presidential choice of individual members of the Massachusetts delegation proved futile today. As a result only two members of the delegation were appointed to the convention committees. There were Frank Donohue to credentials and David I. Weich to platform and resolutions.

The thirty-six delegates are badly divided in their allegiance to the various candidates for the presidential nomination.

It is expected a majority of the delegates will vote for Governor Foss on the first ballot.

Pennsylvania Against Parker. Colonel James M. Guffey, leader of the Pennsylvania democracy, was overthrown today, when the Pennsylvania delegation voted to oust him from the democratic national committee and elected fraud cases in South Carolina, recovering in his stead Congressman A. Palmer Mitchell, a progressive member of the party. The delegation adopted also, 59 to 6, a resolution calling on the national committee not to name Judge Alton B. Parker as temporary chairman of the convention. No preference for the position was expressed in the resolution. The committee assignments were: Resolutions, Warren Worth Bailey, Johnstown; rules, Bruce Sterling, Uniontown; permanent organization, John A. Thornton, Philadelphia; credentials, Vance C. McCormick, Harrisburg; notify presidential nominee, S. G. Graham, Pittsburgh; notify vice presidential nominee, Asher R. Johnson, Bradford.

Collector Ross D. Hammond of the internal revenue service, and C. C. Crowell of the Crowell Lumber company, are back from camp. They have been to the head of the great lakes near Duluth, where they established their families for the summer. United States Marshall William P. Warner joined the party last week.

"We are camped at McGregor, Minn., about fifty miles west of Duluth," said Mr. Hammond. "There is quite a family of Nebraskans up there. We have leased land on the shore of Rice lake and erected cabins. Dr. W. H. Sheraden intimates that he will take his family there this week. It is the coolest spot in the country."

EGAN SUES NEWSPAPER FOR HEAVY DAMAGES

SIOUX FALLS, S. D., June 25 .-- George W. Egan of this city, defeated candidate in the June primaries for the republican gubernatorial nomination, today commenced a libel suit against C. L. Dodson, publisher of the Sloux Falls Press, for \$50,000, alleging injury in the newspaper's campaign against his candidacy. Specific complaint is made against an article from an Iowa newspaper attacking Egan's character that the Press reprinted. Egan has twice been defeated in primaries as candidate for governor, Frank Byrne winning the republican nomination this year by a big majority.

The universal usefulness of comprehensive and country-wide Bell Telephone service, has been shown as never before at the Chicago Convention last week and at the Baltimore Convention this week, in giving the people everywhere lucid, complete and almost instantaneous reports direct from the Convention halls.

Bell Telephone service has been an intimate and integral part of the news service of both National Conventions. In the larger towns where the daily papers issued frequent "extras," with complete stories of the developments from hour to hour, the telephone dispatches were intended only to supplement the press accounts, but in the smaller towns the telephone bulletins furnished the only information hundreds of thousands of people got for hours after the news had reached the residents of the metropolitan centers.

The telephone reports of the events of those two great political gatherings mark an epoch in news distribution by telephone, and as a telephone achievement, serves to mark the pasing point of progress which alone could have been reached by a service which has country-wide extensions. It was an object lesson to those who are interested in the development of the telephone to the highest level of usefulness to the public.

Every subscriber to Bell service becomes a member of a great countrywide federation of telephone users, capable of a direct and immediate exchange of ideas, revolutionizing social and business methods. Such a service as that furnished the public during the two conventions emphasizes the value of federation in telephone work and of the necessity of close co-operation, that will assure inter-communication to people of every village, city and state throughout the nation.
