

VARIED PLANS FOR FOURTH

All Outdoor Clubs Have Prepared Programs for Celebrations.

FIREWORKS AT COUNTRY CLUB

Music at the Parks—Aquatic Events, Base Ball, Golf, Tennis and Cricket Help to Fill Out the Day.

With all sorts of pyrotechnic displays, athletic stunts and picnic eat, a strictly "safe and sane" Fourth will be observed in Omaha this year.

Choosing a very appropriate occasion, the Seymour Lake Country club will hold its formal opening in the afternoon with a program of aquatic, tennis and golf.

Residents in the vicinity of Twenty-sixth street and Ames avenue, most of whom are members of the Prairie Park club, will be kept busy with a program beginning at 6 o'clock in the morning with a noise-making series of fire-cracker salutes and continuing through a day of historic pageants, foot races and tennis matches until the evening when a gorgeous display of everything from a "pinwheel" to a fifty-ball Roman candle will be held.

Youngsters and parents of the West Harney club will observe a strictly "same" celebration and woe to Johnny if he starts whooping it up with a blank pistol or a giant cracker.

The trio of outdoor clubs, Country, Field and Happy Hollow, will all celebrate in appropriate fashion. A 400 display of fireworks, a blind bogey golf contest and a dinner dance will be the main features at the Country club, while the Field club will have a card of golf and tennis in addition to a dinner dance in the evening.

One of the unique sport stunts of the day will be a cricket match between two picked teams of the Omaha Cricket club at Miller park. The Miller Park Golf club will have special golf events for the afternoon with a picnic "spread" in the evening.

Down on the shores of Carter lake the Diets club "T" association summer park and Rod and Gun club will observe the day with boating, swimming, yachting, ball games and tennis matches.

The Diets club program includes everything from a fifty-yard fat man's race to a women's open air basket ball game.

Across the river the Omaha Gun club will hold a 100-target shoot with a "jack rabbit" division of money.

Several small picnic gatherings and family groups will tie themselves to Manscum, Riverview, Elmwood, Fontanelle, Cordova, Lakeside, Hibbler's and other parks for a quiet day away from the noise and glamor of the city.

Krug Park, Courtland Beach and Lake Manawa will all put on an extra force of helpers to accommodate the crowds during the day.

City Starts Campaign to Mow Down Weeds

Five hundred dollars have been appropriated by the city council to be expended in a weed cutting campaign. An ordinance directing that city prisoners be employed at this work has been drawn and may be passed but councilmen and City Clerk Flynn are of the opinion that it would not help the situation.

"I've had some experience with working prisoners," said Flynn, "and found that I could do more with two or three paid men than with all the prisoners in the city jail during the summer. There's so many weeds grow up around them while they're at work."

Divers method of forcing property owners to cut their weeds were suggested, among them being a heavy jail sentence. Commissioner Rydberg, the resident property owners' objections, instructions and cut their weeds but it was found almost impossible to force non-residents to clean up their vacant lots and their lawns.

General Demurrer is Filed by McKean

Following a ruling by Judge Troup that C. W. Hull has a right to make W. R. McKean a co-defendant in the suit against Mrs. McKean for annulment of an alimony contract, McKean has filed a demurrer to the suit.

When Hull charged conspiracy Mrs. McKean said there could be no such charge unless a co-conspirator should be named. This forced Hull to name McKean, who promptly demanded that his name be stricken from Hull's amended suit. Had this been done Hull's suit would have been struck in a vital spot, but the court refused to make such an order.

McKean now files a general demurrer. It probably will not be argued before autumn.

SEVERAL CHANGES MADE IN THE POSTAL SERVICE

At the beginning of the fiscal year, July 1, several changes were made in the assignment of the clerks at the post-office. J. D. Short, who was superintendent of the Union Station branch, is assigned to the city distributing division, and C. W. Kallister is to succeed him at the Union station. P. F. Morgan is to become record clerk in the office of Superintendent of Mails Mettlen, to succeed J. P. Johnson. Johnson has been assigned to the mailing division. In place of Edna V. Alford, Anthony A. Beckman has been named, stenographer to the superintendent. Miss Alford is to go to the Union station branch as clerk and stenographer in place of Dwight C. Edson, who goes to the city distributing division. W. J. Brown, foreman of the city distributing division, who has gone to Florida on a six-month leave, is succeeded by J. F. O'Connor.

THIEF PAYS FINE FOR SHOOTING AT SQUIRRELS

Henry Thies, Seventeenth and Canton streets, takes great pleasure in sitting on his front porch shooting at squirrels with a revolver. Monday afternoon he missed a squirrel which was sitting in the tree in Mrs. J. F. Patterson's yard, 1708 Canton street. The bullet broke a window in Mrs. Patterson's house and she was out a complaint for his arrest.

BURGLAR USES CHAUFFEUR'S GUISE IN MAKING CALLS

Aroused from sleep shortly after midnight North Lynch, 1407 North Twenty-eighth street, saw a man armed with a large revolver standing in the doorway of her room. Her screams attracted the other members of the family and scared the intruder away.

THE PERSISTENT AND JUDICIOUS USE OF Newspaper Advertising is the Road to Business Success

The persistent and judicious use of newspaper advertising is the road to business success.

Nurses' Association to Open Baby Camp Wednesday Morning

Under the supervision of the Visiting Nurse association, the summer baby camp will open this morning in Elmwood park. The camp is near the Leavenworth street entrance and is about half a block from the car-line.

Saturday will be the big day at the camp this week, at which time a large picnic will be held for mothers and children. The affair is planned so that the older children may enjoy an outing and also that the mothers may become familiar with the work of the Visiting Nurse association.

This year the camp is to be open only during the day time, all of the children, accepting the babies to be open only during the day time, all of the children, accepting the babies not able to be removed, to return home in the evening. The camp will be open from 8 in the morning until 8 in the evening and will be in charge of Miss Lillian Stuff, assisted by Miss Robinson. Later the corps of nurses will be increased as the needs demand.

The Visiting Nurse association will continue its visits to the homes of the sick babies who are not able to be sent to the camp.

'Phone Management Remains Unchanged

There will be no change in the management of the Independent Telephone company in Omaha until after the court has confirmed the sale of the company property to the Bell people. This is not expected to take place within thirty days of the date of the sale. Until that time Receiver Lyle I. Abbott will manage the affairs of the company just as he did since the decree of foreclosure appointed him as special master. After the Nebraska Telephone company will arrange for the management of the independent in connection with the management of the Bell.

As just what rate the bonds held by the Bell people will be accepted as payment on their purchase of the Independent is not yet determined. Receiver Abbott says the bonds must necessarily be accepted at the same per cent as that borne by the purchase price of the independent company to the entire outstanding issue. The decree simply provided bonds in the independent company might be used as payment in the purchase of that company, but left it for further developments to determine at what per cent on the dollar these bonds were to be received.

Emergency Hospital Opens September 1

Dr. R. W. Connell has announced that the Anna Wilson Emergency hospital will be ready for occupancy September 1. The building is being remodeled and repaired. Dr. Connell says it will be entirely up-to-date, being modeled after emergency hospitals which the doctor visited during a recent trip through the east.

RAIN TO DEPTH OF 3.09 INCHES FELL IN JUNE

The month of June just closed had much more rain than the corresponding month during the last two years, although considerably less than the normal amount for this month. The normal precipitation for June in Omaha is 5.06 inches. The June just closed had 3.09 inches, while June, 1911, had 0.4 inches and June, 1910, only 0.4 inches. The greatest precipitation for any twenty-four hours of the month occurred on the 12th and 13th, when 1.88 inches fell. The highest temperature reached in the month was 97 degrees, which was reached June 23. The lowest occurred on the 7th, when the thermometer went down to 53 degrees.

The mean temperature for the month was 69 degrees, being only 2.6 degrees below the normal for June. The average velocity of the winds for the month was 7 miles per hour, although the wind reached a velocity of thirty-four miles per hour for a time on June 23. There were ten cloudy days, eleven clear days and nine partly cloudy.

Kodaks for the Fourth

Lingerie Dresses for the Fourth and Afterwards

Of course they are beautiful--and they are made with an eye to service--else they would not have been purchased by the old Bennett company. The savings you make will go a long way towards your Fourth of July enjoyment, as the following four specimens from the sale of the Closing Out of the old Bennett stock will show.

- White lingerie dresses of all over embroidery; lace trimmed; a great variety of styles; \$7.95 values at \$3.95. White lingerie dresses in high and low neck styles; dainty embroidery and lace trimmings; \$12.00 values at \$5.95. White lingerie dresses with lace trimmings; low neck and short sleeve styles; \$12.50 values, Wednesday \$6.25. Eerie and white lingerie and linen dresses; embroidery and lace trimmed; variety of novelties; \$25.00 values at \$12.50.

Amongst other things in the ready-to-wear sections that are being closed out at about half of the actual values are linen Norfolk dresses; white pique dresses; chambray, gingham and other pretty wash dresses; linen coats; tailored linen suits; juniors' wash dresses; children's wash dresses; lingerie and tailored waists and muslin underwear of all kinds. Practically all of these bargains are from the special purchases of the cancelled orders of the Bennett company.
