Someone "PIPES" RESCUE AND DARING ADVENTURE. A thrilling story of the brave rescue of three young women at Manawa Wednesday afternoon by Sidney Bonham of this city was told in the Omaha Daily News last evening. Mr. Bonham was reputed to be the owner of the yacht Argo and was sailing the racer with three young women and two young men as passengers. It was told how he was skillfully handling the craft in the "storm" that was prevailing and riding the giant waves with daring skill, when the young men became frightened as he started to "luff." Their frightened actions were graphically depicted as being responsible for overturning the boat and throwing the three young women into the water in the middle of the lake where the depth was declared to be twenty feet. Bonham was credited with the feat of swimming to the drowning girls and taking them all on his shoulders and battling his way against wind and wave until he reached the boat and attached them to it. Then he called loud and vainly for help that did not come, but kept all of his charges clinging to the overturned skiff until it drifted to the shore.

Woman Stops Train by Mistake, Causing Burlington Wreck. CHICAGO, July 19.—Mrs. Julia A. Wilcox, who was on duty in the signal tower at Western Springs last Sunday, when a fast mail train crashed into the rear of the Overland express of the Chicago, Burlington & Quincy railroad, killing thirteen persons and injuring more than a score of passengers, today admitted, while testifying at the coroner's inquest over the victims, that a misunderstanding over a telephone message might in part have been responsible for the wreck.

Council Bluffs. MOOSE TICKET IN THE FIELD. Not Believed Third Party Will Hurt the Pottawattamie Republicans. WILL ALL BE A BOOST FOR TAFT. Meeting Called for Tomorrow, When Delegates to the Des Moines Meeting Are Expected to Be Named.

Notwithstanding the fact that Roosevelt has reconsidered his determination to come to Iowa and engineer his party convention at Des Moines next Wednesday, the work of organizing the counties of the state has not been abandoned. The Pottawattamie moose hard is to congregate at the county court tomorrow afternoon and select delegates to the Des Moines gathering. It is also part of the program now to select the county ticket, but this may not be carried through to its finality. The fact, however, is confidently announced that a ticket will be placed in the field.

There does not appear to be any regularly constituted head of the third party movement here at the present time, and it is expected that the meeting Saturday will develop the man and the men. The gathering tomorrow is to be an open, informal sort of an affair. Bull moose representatives from various parts of the county are expected to be present, and some outside man will be chosen as temporary chairman.

Some of the candidates on the third party ticket have already announced themselves, and an earnest, still hunt is being prosecuted to find others. A number of the republican candidates who failed to secure nomination at the primaries have been solicited to join the moose movement, particularly candidates for members of the Board of County Supervisors. Among these are Elmer E. Minnick and Colonel W. F. Baker. Both have peremptorily declined. Attempts to secure Colonel Baker in advance of the open proposal led to the declaration that he would feel inclined to kick any person who came to him with such a proposal. Minnick was less polite, but equally emphatic in his declaration.

Says It Helps Taft. "I think if the so-called progressives, who dominated the republican state convention, had planned for six months to advance the interests of President Taft in Iowa they could not have hit upon a better scheme to assure the state to him in November," said Colonel Baker yesterday. "Governor Carroll simply played with the managers of that convention and made them help President Taft by declining to endorse him than they would if they had adopted the strongest favorable declarations. Taft will carry Iowa by the old time republican majorities, but the state may go democratic.

"Under the present conditions Pottawattamie is pretty certain to go largely democratic, due to the action of the alleged republican county convention. The Board of County Supervisors will undoubtedly be democratic. The manipulation of the convention that gave the nomination to Darrington, the low man at the primaries, will be one of the contributing causes. Darrington will undoubtedly be beaten. He is not even a republican, but has been a populist. Then, his well known antipathy to organized labor and the labor interests in general will take from him all of that support.

"Darrington has declared many times that the hired men on the farms are 'getting twice too much,' that present high wages 'gives them elevated ideas and makes them want still more.' He has repeatedly declared his opposition to organized labor in discussions before the board. There are some good men on the republican ticket, but if any of them get through this fall it will be by the skin of their teeth.

C. J. Leach, who was defeated at the primaries for sheriff, has announced that he will join the third party movement or run independent.

"Groneweg declared before the primary election that if he failed to get the nomination he would run independent to beat me, and this forces me to do the same," said Leach yesterday. "I believe, however, that I can be elected and I am going in to win."

Colonel George W. Adams has also announced himself as a third party candidate for the legislature, and has declared that he has the names of a full list of candidates for all of the offices, and that the bull moose ticket will be strong enough to win in the county.

The work of tearing away the old buildings on the Indian street banks at North Main street preparatory to erecting a factory building there was begun yesterday. The building to be on the site of the old building is to be in accordance with the agreement by which the owner of the lots, Peter Peterson, is to pay \$150 as his full share of the expense of building the new building. The new building is to be used for a manufacturing enterprise that will give employment to about 200 men.

The school championship was won by Miss Winnifred Billie of Spokane with an average of fifty-three words per minute. Miss Pearl Power of Chicago was elected secretary of the National Shorthand Teachers' association. The national closed its season here tonight with a banquet.

Two men who broke into a grocery store, stole 500 pennies and two boxes of cigars, and then intimidated two soldiers from Fort Omaha were finally caught by the police early this morning and the loot was recovered. The men confessed, according to the police. The soldiers are V. L. Koehler and John Reyer of Company A, Signal corps.

The grocery store is conducted by George Curry and is located at Thirtieth and Fort. As the soldiers went by one of the burglars stepped out and he then protected the retreat of himself and his companion with his revolver. The soldiers notified the police station by telephone and Emergency Detective Higgins and other officers arrived in the emergency patrol wagon in time to catch the robbers.

At the police station they gave their names as John Gibson, 3000 Larimore avenue, and Tom Riley, 408 North Twenty-ninth street. Gibson and Riley waived preliminary examination in police court and were bound over to the district court under \$700 bonds.

Priest Convicted of Disorderly Conduct in Following Child. NEW YORK, July 19.—Rev. John Desane, 35 years old, a priest of Jackson, Neb., was found guilty in west side court today of disorderly conduct in having followed 12-year-old Catherine Kavanah, who lives in Tenth avenue, on Thursday last. He was held without bail for sentence tomorrow.

The priest was arrested last Thursday at Forty-second street and Third avenue, after the little girl had told her little brother that the man, who was not dressed as a priest, had followed her across town and spoken to her.

Father Desane told the court that the girl's actions had attracted his attention and he followed her with the intention of turning her over to an officer "for her own good."

Inquiry develops the information that the Rev. John Desane, mentioned in the dispatches from New York as having been arrested for pursuing a small girl is probably Father John Devan, a Catholic priest of Jackson, Neb., who, because of breaking his vow of chastity, was excommunicated by the archbishop of New York in 1907. Father Devan was excommunicated for breaking his vow of chastity. He was a priest of Jackson, Neb., who, because of breaking his vow of chastity, was excommunicated by the archbishop of New York in 1907.

Typewriting Record Broken by Woman. SPOKANE, Wash., July 19.—The world's typewriter speed record for one hour's continuous writing on unfamiliar copy was broken today by Miss Florence E. Wilson of New York in the national contest held under the auspices of the National Commercial Teachers' federation.

Miss Wilson copied 7,219 words in the hour with sixty-eight errors. Deducting five words for each error, this gave her a net score of 6,879, or an average of 115 words per minute. The former record, held by H. O. Blaisdell of New York, was 112 words per minute.

The amateur championship for operators with less than three years' experience was won by Miss Beasie Friedman of New York, who wrote 3,396 words in thirty minutes, or an average of 107 words per minute. This also broke the former record, held by Gus Trotter of New York, of ninety-eight words.

The school championship was won by Miss Winnifred Billie of Spokane with an average of fifty-three words per minute. Miss Pearl Power of Chicago was elected secretary of the National Shorthand Teachers' association. The national closed its season here tonight with a banquet.

NORFOLK, Neb., July 19.—(Special Telegram.)—The first annual Nebraska state tennis tournament came to an end on the Norfolk Country club court tonight, a decided success in every way. The weather was just in spectacular.

Harry Koch easily defeated Joe Adams in the singles championship match this morning, 5-1, 6-2, 4-2. In the doubles championship, Koch and Young, the veterans had all they wanted to take care of with the two youngsters and this match was the star event of the meet. It was a beautiful match from start to finish. Young and Koch finally won, 6-4, 4-8, 8-6, 6-2.

In the third set McCague and Adams, both in their teens, had the old heads going, 5-2. Then Young and Koch took a brace and won out after a sensational spurt. In one game which would have given the lads the set, twenty-eight points were played. McCague played a beautiful game at the net and he and Adams both volleyed back swift lob and covered the court in spectacular style. They recovered many balls that seemingly had been killed. For a long time they handed everything to Young, but the old timer was "there" and played a steady game throughout.

When Koch got going with his long drives he passed the young fellows easily Young and Koch figured that if they lost the third set they were beaten. Tany Edmondson of Friend was elected president of the association; C. A. Patterson, Arapahoe, vice president; F. S. Morgan, Wayne, secretary, and Harry Koch, Omaha, treasurer.

Joe Patchen II Shows Ability in the Mud. KALAMAZOO, July 19.—Joe Patchen II proved a remarkable heavy track stepper today, easily taking three straight heats in the Celery City \$5,000 purse for 2:30 pacers. There never was any doubt as to the ability of Joe Patchen's son and at no time was he forced to go his full limit to win. The track was made heavy by a downpour of rain at noon, delaying the start of the races nearly two hours.

During the scoring for the first heat of this event Columbia Fire caused considerable trouble, jumping up and down, finally sitting down on the sulky and breaking the wheels to the group. Driver Shank had a narrow escape from injury, but the horse was grabbed by a number of spectators who happened to be standing inside the fence where the accident happened. The horse was drawn after the contest.

Chas. Direct won the 2:10 trot in straight heats, although Elizabeth Ray finished close up in the two first heats. Geers' entry, Gordon Todd, made a poor showing, trailing the field in the first two heats and being distanced in the third. Branham Baughman furnished the surprise of the day by defeating C. The Limit in straight heats in the 2:15 pace. Don Pronto in the first heat beat out C. The Limit by half a length for second place. Four horses, Branham Baughman, C. The Limit, Major Brino and Don Pronto, in the second heat, came to the wire heads apart, finishing in the order named.

Because of the delay caused by rain the 2:30 race was put over until tomorrow. Trot, 2:10 class, purse \$1,000. Chatty Direct, b. m., by The 1 1 1 Director (Cox) 1 1 1 Elizabeth Ray, b. m. ANDREW ASKS TAFT TO GIVE OUT DOCUMENT. GLOUCESTER, Mass., July 19.—Dr. A. Platt Andrew, who recently resigned the office of assistant secretary of the treasury, issued a statement tonight in which he returned again to the charges against Secretary of the Treasury MacVeagh contained in his letter of resignation. He called on President Taft to make public a "certain description of conditions in the Treasury department" written, he says, by a high department official ten weeks before his resignation was submitted.</
