COUNTY PETIT JURY DRAWN

Three Hundred Names are Taken from List by Judge Sutton.

MANY MORE THAN EVER BEFORE

Increase is Caused by the Addition of One Judge to the Trial Division of the Douglas County District Court.

Names of 300 veniremen for jury service in district court the first six weeks of the October term, beginning October 7, have been drawn by Presiding Judge Sutton and Clerk of the District Court Smith. The list is the largest ever drawn. The increase in number is due to the transfer of one judge from the equity to the law division of the court.

Heretofore there were four judges in the law division and three in the equity; now there are five in the law and two in the equity. Judge Leslie, who has been an equity judge, will have a law court along with Judges Leslie, Day, Estelle and Sears. The increase in number of law courts necessitates drawing of more veniremen.

Heretofore 12 veniremen were drawn for each three weeks, making 36 at each drawing. Now 40 are drawn.

MILWAUKEE IS WORKING GANGS NIGHT AND DAY

The work is being pushed night and day, electric light plants having been located at all of the heavy cuts in order that there may be no cessation of the labor.
