# Warners Rust-Proof Corsets

### In Choosing a Corset What Points Do You Consider?

If Fashion, we guarantee Warner's Rust-Proof Corsets to be in strict accord with dress tendencies in the Fashion Centers of the World. At present, what is wanted are easy curves of youth.

If Comfort, exhaustive tests of each design on living models and a thorough knowledge of the human figure enables us to assure you absolute comfort. Warner's Corsets are light and flexible; they support but do not, bind. Ask your friends about this point. The chances are they wear them.

If Quality and Wear, we guarantee the materials and workmanship in Warner's Corsets. They cannot rust, break or tear, and they outwear any corset at any price.

We know the Autumn Models will fit you better, suit you better, and wear better than any corset you have ever worn.

Ask your dealer-he can supply you with the model for your figure. We guarantee these corsets to him and he guarantees them to you. "Security" Rubber Button Hose Supporters attached to al Warner's Corsets.
