

BEFORE THE GAME STARTED

Towards Line Up Early at the Polo Grounds Gates.

WH TEAMS FULL OF THE PEP

Happy Introduction Remarks by Captain Doyle and Manager McGraw Incident to Formal Proceedings.

NEW YORK, Oct. 8.—"New York Giants vs. Boston Red Sox at the Polo Grounds today."

To baseball enthusiasts from coast to coast that announcement foretold the coming day of another world's championship baseball series, the New York National league pennant winners to contest with the Boston American league club champions of their organization, for the city's title.

The day broke fair and crisp, and the father man promised a fine afternoon roundtriper Murry looked over the field of the Polo grounds and reported the diamond ready for fast playing.

Neither rival manager was prepared to announce his batting order early today, everything depended upon the selection for box work just before the game would Boston send its left-handed, Ray Collins, to the mound instead of Joe Wood, Manager McGraw of the Giants obviously will switch Snodgrass from center to left field and replace Outfielder ever, who is weak against southpaws, Th Becker.

The early comers began to gather at the Brush stadium early last night to be in line when the gates opened at 8 o'clock this morning.

One Woman at Midnight. A woman appeared in line just after midnight and was cheered. She was not without feminine companions.

Joe Wood, the Red Sox star pitcher, warmed up with Cady, while Mathewson and Tesreau warmed up for the Giants.

It was announced that Tesreau and Meyers would be the battery for New York, and Wood and Cady for Boston.

LUISVILLE, Ky., Oct. 7.—The Kentucky endurance stakes of four miles, run at Churchill Downs today, was won by Sotemia and a world's record of 7:19 1/2 established.

The winner carried 119 pounds, top weight, with the exception of Star Charter, which had 122 lb. The latter was favorite and laid in the ruck until the last mile and when called upon to challenge was unequal to the task.

and Marquard. In a short series of seven games pitching is the big factor and the Giants have a rattling lot of box men."

Manager John J. McGraw said the Giants were prepared to make a hard fight. McGraw has looked the Red Sox over and studied the fine points of their play, but the New York players said this morning that it was doubtful if he had laid out any plan of battle in advance.

Red Sox Felt Good. The Red Sox are in fine fettle. Beyond the injury to Larry Gardner, no ailments were reported to Manager Stahl by his own men when they turned out this morning.

Thousands of dollars have been wagered on the outcome of the series. Boston was the favorite at 10 to 8 and 10 to 3.

Betting practice was over at 1:40 and the Giants took the diamond for field practice. Snappy stops and throws of the home players soon had the crowd excited.

All the field stands were now filled, while behind the seats on the lower grandstand there were rows of people standing three deep.

Ten minutes to 2 o'clock the umpires, Klein, Rigler, Evans and O'Loughlin, walked out and conferred with Managers Stahl and McGraw.

Colombus, Ohio, July 15.—In reply to many letters about my recent article on catarrh and constipation I wish to make the following statement: Constipation is becoming more prevalent every day. Nearly one-half of the human family are troubled with it more or less.

Dr. Hartman Writes: Constipation is becoming more prevalent every day. Nearly one-half of the human family are troubled with it more or less.

Thirty years ago when I was prescribing Peruna every day only a small fraction of the people needed a laxative. But I have found by experience that more and more a laxative must be used.

Peruna originally contained no laxative element. I used to prescribe the laxative Manalin to be used in case a laxative was needed. This necessitated the patient buying two bottles of medicine instead of one.

As constipation became more general I finally concluded to add a laxative element to Peruna. The new Peruna is made with laxative ingredient. The old Peruna (Ka-tar-no) is without a laxative. On that account some prefer the old Peruna, some prefer the new Peruna.

The new Peruna is for people who have some catarrhal ailment and yet need a laxative. Sold at all drug stores. The old Peruna (Ka-tar-no) is for those people who have some catarrhal ailment but need no laxative.

Those wishing to procure the old Peruna should address The Ka-tar-no Co., Columbus, Ohio, for further particulars.—Advertisement.

TELEGRAPHY will be one of the courses in the new Omaha High School of Commerce and all railroads with headquarters in the city will pay for installing and maintaining the telegraphic school.

At a meeting of the Board of Education last night a resolution to lease a building at 1707 Leavenworth and equip it for telegraphic instruction was passed.

The teachers' committee of the board recommended that the new course be added and the recommendation was adopted.

The railroads made the proposal to the board that if such a course was given under the auspices of the board all expenses would be paid by the railroads, as they are now short of telegraphers.

A four years' course in telegraphy will be taught by the most competent instructors. The building rented for the high school is a vacant store. Necessary machinery will be installed at once and arrangements made to begin the course as soon as possible.

NIGHT SCHOOL DATES.

Night school will open October 21. Cebelia Schaller was appointed principal of Kellom school and the following teachers will teach there: E. D. Gepson, Mary N. Austin, Rose Healey, Helen Rogers, Mary Kelley, Emma Haviland and Grace Griffith.

The following teachers were placed on the assigned list to teach in Comenius and Kellom night school when called upon: Emma Roberts, Sadie Mayer, Ione Chappell, Carrie MacKenzie, Josephine Carroll, Katherine Dunnigan, Elsie Fisher and Anna Swandana.

O. H. Freed, supervisor of writing in the public schools, will teach writing in Comenius and Kellom schools at a salary of \$60 per month.

The Electric Light and Power company reported that Castellar and Central Park schools had been provided only a one and one-half inch pipe for underground current, whereas a three-inch pipe was necessary. The communication was placed on file.

Dundee asked to compromise on the injunction suit brought restraining the board from expelling students who refused to pay the increased tuition. The communication said if the new rule would be suspended this year there would be no objection to its going into effect next year. The communication was referred to the judiciary committee with power to act.

Appraising Buildings.

A resolution that all school buildings and sites be appraised and the treasurer provide the board with a copy of the report was passed.

A basement in Grace Evangelical church will be rented for an annex to Miller Park school, if the plumbing in the church is properly fixed up. Miller park is crowded beyond capacity.

Bids for wiring Bancroft school were received. They ranged from \$160 to \$300.

HOLSTE ENCOURAGED OVER CORNHUSGER GAME

That Coach Holste of Bellevue was not discouraged by the showing his men made against Nebraska Saturday was manifest in his talk to the men on the field Monday evening.

The men went through the game with few injuries and these were of a minor sort and the value of a game with a team of the strength of the Cornhuskers is manifest in the added added pep of the squad, who have learned many of the finer points of the game and are looking forward to the game with Cotner Friday with confidence.
