GRAND ISLAND WANTS LOWER SALARY LIMIT

GRAND ISLAND, Neb., Oct. 10 .- (Spe cial.)-At a well attended meeting of the base ball enthusiasts of this city last night ex-President Slevers of the State league and Henry Voss were elected as delegates to the meeting of the league, with instructions to do all in their power to reduce the salary limit to \$1,000 per month. Ed Williams, Fred Langmann, W. H. Harrison, Dr. Seal and Frank Windolph were elected as a board of managers for the next year.

The Grand Island management closes the season with about a \$1,000 deficit, nearly all of which, however, has been occasioned b ythe building of fine new grandstands and grounds and the complete fencing of the same. This leaves the management with grounds at ver little expense for the next two years, However, it is the conviction here that the practice of the last year, if repeated, will spell the demise of the league in a very short time. This practice has been the exceeding of the limit: Some teams were at times this year close to \$2,000 per month in salary payments, and the patronage will not afford this close approximation of the Western league limit. Two years ago, while representing the largest town in the league, Grand Island's delegation fought for a lower limit and will do so again this year and hopes to enlist the co-operation of of the smaller cities in the circuit.

The boosters' club of the art department has gathered in the grandstand every day this week and have been drilled in cheering by Preston McAvoy. Prospects point to the best team in the history of the school, as the practice this week has been of the fast and snappy variety, and the squad has been increased by several new men. Miller has worked the squad until dark every afternoon and has a variety of trick plays ready for the visitors.

Hasson, a new man, formerly of Callfornia university, has joined the squad and Balderson, quarterback on last year's team, has again appeared in a suit. He is one of the fastest men on the squad, but was kept out of the game most of last season with broken ribs.

Injuries have necessitated several changes in the lineup. Casey is out with a badly-sprained thumb and Hall is being worked in his place. McGrain at is playing this position. Williams has not been out for practice this week, and Tamisea has been shifted back of the

THINGS TO WORRY ABOUT

YANKTON, S. D., Oct. 10.-(Special.)-The Yankton college foot ball team will leave here Friday noon under Coach Official Opening of New Stands Will Bush to play Creighton at Omaha. The 1912 Yankton team is light, averaging 160 pounds, but the backfield is very fast and adept at open work.

The team which Coach Bush will probably line up against Creighton is: Stevenson, fullback; Tripp (captain) and Warren or McArthur, halfbacks; Robinand Patterson or Illinois, guards, and Hetland, center.

Stevenson and Robinson have divided the punting; and Stevenson and Warren have done very successful place kicking so far this season. Stevenson getting one successful goal against Dakota Wesleyan and three against Sloux Falls college.

The American league will maintain its supremacy in organized base ball. I have

no doubt about this. Boston is the greatest bunch of champions that ever won the pennant in my circuit. The team which Jake Stabl commands is canable. game and consistent. No team ever showed such marked consistency during the full campaign. I do not underestimate the strength of the National league champions. New York has a fine team, but I don't think it is any stronger than a year ago. On the other hand, I think that Boston today is the equal of the
