#### South Omaha High Looking Forward to Gridiron Wins

South Omaha High school will enter the race for state high school foot ball championship this year with one of the strongsheep was marked, while hogs teetere! years. The team is not only heavier than that of last year, but has more experience to the man. The enthusiasm displayed by the students of the school in general for the foot ball team is the best of many

The turnout for daily practice has been excellent. Coach Fatten with over thirty recrults to work with has been able to line up two teams each afternoon and scrimmages have been held daily. Former Captain McBride is back again and in They strengthen and invigorate the stomplaying at tackle. Connors, a veteran of three years' experience, is assuming the captainship of the team and is playing an end position. Hoctor, Sheehy, Nixon and Curtis, all of last year's team, are beriain's Tablets. It is decidedly the back on the line. Korbmaker, a freshman best medicine for stomach trouble I have hospital. The body was removed to the of some weight and a good deat of foot ever used. For sale by all dealers.-Adball experience, is playing an excellent game at center. Rugie, also a freshman stands a fair show of making a line post tion. Jordan, Foley, Busman and Zurcher, all men of more or less experience on the girdiron are filling up end and line

The back field is one of the fastest and strongest in the history of the school. With Dworak, a big sophomore at fullback, Leach, a last year's man at quarter and Bott and Shainholts, two men of marked ability at haif, the school can expect great things in this year's contests. Beal, the fast fullback of last year, is at present sick and unable to play. It is expected that he will be back in the game in a few weeks.

A game has already been played with the Believue college squad, and although the Magic City eleven lost, counting the odds played against it was really a victory. School enthusiasm for the team is at a bubbling point and the team will be well backed this fall.

## Germans to Forego Parade This Year as Neutrality Move

In order to promote neutrality and strictly observe it themselves, members of the German-American alliance of Omaha have decided not to have the usual German day parade this year. Instead, they will hold special meetings at the German Home on South Thirteenth street, Saturday and Sunday. Their change of plans came as a result of Prestdent Wilson's recent proclamation, urging all Americans to be strictly neutral in

thought, word and deed. Prayers for peace will be offered at the home on Sunday by Rev. G. J. Jaiser and Rev. Herman Mengwasser, as the Germans will join with other people throughout the country in the peace day movement. Frank L. Hailer will make an address on the war, as will also Robert L. Soergel of Kentucky, an organiser for the German-American alliance.

Prof. Theodore Rudolph Reese and his prehestra will furnish music at both meetings. A chorus of German children will sing at the Saturday meeting, and the combined German singing societies the city will sing on Sunday
