CHAMPIONS IN SPLENDID FORM

Mack's Players Hammer Pieh's Delivery Hard, Particularly Early. Early in the First Two Innings.

PHILADELPHIA, Oct. 7.—In their final game of the championship season, the Philadelphia team this afternoon exhibited the best form of their tuning up exhibition for the world's series and defeated New York, by 10 to 0.

Mack's players hammered Pieh's delivery hard, especially in the first two innings, when they bunched six hits with three passes and three stolen bases and scored seven times.

Walsh drove in four runs in the first two seasons with a four-bagger and a single. Oldring, Barry and Strunk also hit the ball hard. Four pitchers were used by the home team. Bressler was touched up for three strikes and gave a pass in the first three innings. Bush, Shaway and Penneck each twirled two innings. They blanked their opponents in every inning. One hit was made off Shaway, but this was followed by a double play.

Manager Stallings and nearly all the Boston Braves witnessed the contest. Scores:

Senators Trim Red Sox. BOSTON, Oct. 7.—Washington won, 13 to 4, over Boston in the final game of the season today, the former team gaining third place in the league standing by the victory.

Meekin Wants to Be Sheriff. Jovett Meekin, the former noted pitcher of the Giants during the Freedman regime, has applied for a job as sheriff in his home county in Indiana. He is running on an independent ticket.

Tutwiler to Join Red Sox. Outfielder Tutwiler, who goes to the Red Sox from the Providence team, has had two previous trials in last company as a member of the Detroit Tigers.

Blood Sufferers Want to Know The Light is Turned on to a Subject of Darkness.

The mere fact that S. S. S., the famous blood purifier, drives out disease is a world's story, a topic of conversation wherever men get together.

They wonder why, simply because most remedies are mystified and put before them as "discoveries." The facts are that we pay too much attention to possibilities and not enough to real, homespun accomplishments. S. S. S. is a remedy of our fathers. It has a history that is written deeply in men's minds because it has done the work, driven out deep seated disease, revived hope, put the O. K. on appearance and stamped down light any effort of germs to get the upper hand. Any sore spot on the skin is an immediate demand for S. S. S. since the first principle of this famous remedy is to strike out for places of trouble. This is a physiological fact and S. S. S. is true to the workings of our body.

Get a bottle of S. S. S. today at any drugstore and begin blood health. It will master any blood disease and do it in a way to emphasize its influence. And if you would like definite advice write The Swift Specific Co., 56 Swift Bldg., Atlanta, Ga. Their medical department is where most people first seek advice that puts them on the straight road.

RACERS FOR PRINCE'S PLANS

Burman and Disbrow Approve Promoter's Ideas for Auto Track.

BOTH WILL RIDE SPEEDWAY

Famous Drivers to Make Effort to Break Records on Wooden Circle to Be Completed by Thanksgiving.

Jack Prince, promoter of the Omaha automobile speedway, is in receipt of a letter from Bob Burman and Louis Disbrow, kings of the automobile track, declaring the conviction in the success of his venture. Both riders are in favor of wood track and claim records will surely be broken. Disbrow asserts he will circle at a speed of 100 miles an hour, while Burman is equally sanguine that he can shatter the records he now holds.

Both of the drivers will ride on the Omaha track this fall, and their express purpose will be to break some of the existing records. Prince expects to have the track itself built by Thanksgiving day, and if he succeeds the trial spins will occur on that day. The grandstand and other construction will not be completed until next spring.

What the Drivers Say. Following are copies of the missives of Disbrow and Burman to Prince. Kindly permit me to state for Mr. Prince's benefit, also yours, that if he builds your speedway according to his present plans of construction, I will say from a racing standpoint that it will be the fastest and safest speedway ever constructed, and I am willing to wager \$1,000 that I can ride the track, when finished and ready for racing, at the speed of 100 miles an hour or better, and will be perfectly safe all the way. I turned the one-mile motorcycle speedway track in Los Angeles three years ago, that was built by Mr. Prince, in close to thirty-six seconds, and his present plans of construction, I am sure, will be four or five seconds faster to the mile than the Los Angeles track. Respectfully yours, LOUIS DISBROW.

Credentialed from Burman. I have driven races on different parts of Europe, including the famous Brooklands speedway; also on all speedways and dirt tracks in different parts of the United States, from New York to California, and have had many years of experience in driving races, and I will state that, in my candid opinion, a speedway built on a mile and a quarter to a mile and a half, according to the present plans that I have inspected and gone over very carefully with Mr. Prince, that his idea of construction with a triple radius, and the stretches and curves banked at a perfect angle, according to his method of construction, will be the greatest sensation at a speedway that the world ever saw, and I predict that all world's records will be broken on such a speedway.

I have driven races on brick speedways, also on cement speedways, and concrete and dirt as well. The vibration on dirt and concrete is too much going at the terrific speed. Dirt speedways all cut loose and make furrows. The heat on cement, concrete or brick is so terrific that it breaks or crystallizes the steel. They are also very hard on tires, much more so than wood.

I hold the mile and other records on the Indianapolis speedway, and I will surely break all these records now held there on the speedway to be built according to Mr. Prince's present plan of construction. My record on the Indianapolis speedway is 0:38, and as I said above, I am confident all these records can be broken on or before the opening meet of this new speedway. Respectfully yours, "BOB" BURMAN.

Official Standing of National League. NEW YORK, Oct. 7.—The official standing of the National League at the close of the 1914 season, as announced by Secretary John A. Haydler, is as follows:

Scott, Ballyhoo Man, to Announce Plays of Series for The Bee

W. A. Scott, a ballyhoo man of 32 years' experience will announce the plays of the world's series games for The Bee from a raised platform at the corner of Seventh and Farnam streets this year. Omaha fans will remember Scott as he called the plays for The Bee last year and his clear, resonant voice was regarded as the most efficient manner in which to make the public familiar with each detail of the games as it occurred.

A temporary board will be erected for the score by innings, and Scott will read the plays as soon as the news comes over the wire direct from the grounds. By hearing Mr. Scott fans will be able to learn the procedure of the championship battles but a few seconds after their occurrence at Shibe or Fenway parks.

Scott has been talking to the public all his life, and he clearly understands how to make a delivery that is understood by all. He has acted as ballyhoo for some of the biggest attractions in the world, and he has circled the globe during his career. From Omaha he will go to the exposition at San Diego. The Bee invites all fans to hear Mr. Scott each day, and, from his success of last year, there is no doubt but that the vocal method will prove to be the best way to "see" the world's series play by play.

MACKS AND BRAVES PREPARE FOR FRAY

Baseman Deal, who will go into the series in place of Smith, who is lying in a Brooklyn hospital with a broken ankle. Deal was given a good workout in fielding, hard hit grounders and also to face some stiff pitching.

Stallings Cheers Up. Stallings, who was reported to have been greatly depressed over Smith's misfortune, began to cheer up today. After the practice he said he felt confident that Deal would do his best to measure up to Smith's ability at the bat. A majority of the Boston players took in the final game at Shibe park in the afternoon, when the Athletics trounced New York, 10 to 6. They did not learn much about their opponents style of play. The New York pitching was easy and the Philadelphia team laced the ball to all parts of the field. The Athletics took no chances on the bases and played straight base ball all through the game.

While at Shibe park, George Stallings met Connie Mack. There was mutual congratulations over the winning of their respective pennants and each expressed the hope that the series would be a good one. While at the park, Stallings arranged with Mack for the Braves to practice at Shibe park tomorrow morning, after the Athletics have their usual workout. There will be no secrecy in the Boston practice. The players will remain only long enough to become familiar with the grounds and the shadows cast by the high stands.

About ten days ago he was struck on his throwing hand by a pitched ball in St. Louis and has not played in a game since, although he has appeared in practice. The club management has not said much about his injury, but there is no doubt he will get into the first game on Friday. INDIANTS CAPTURE PENNANT

Hoofeds, by Beating St. Louis, Win Federal Flag.

SECOND TIME IN TWO YEARS

Credit in Large Measure Given to "Whoa Bill" Phillips, Manager of Team, for Victory.

INDIANAPOLIS, Ind., Oct. 7.—By winning from St. Louis today the Indianapolis Federal league team, for the second time in two years, captured the Federal league pennant.

To Manager "Whoa Bill" Phillips, the "st- leader" of the team, who also was at the helm of the club last year when it won the first flag of the league, credit is given in a large measure for the winning of the second championship. He, however, ascribes the victory to his players. The feature of the local team's work this season was its strong attack.

The race between the Chicago and Indianapolis teams has been close almost from the start of the season, with first one club and then the other in the lead. Yesterday's victory for Indianapolis, while Chicago was losing two games, gave the local team, which was a half game behind, a one-game lead.

President Gilmore of the Federals has announced that he will challenge the winner of the world's series on behalf of the winner of the Federal league pennant, but there is little hope that a series can be arranged.

Fierce Fight for Flag. The Federal league race was one of the hardest fought of modern base ball history, nearly every team at one time or another taking part in a rally that gave it an apparent chance for the flag. At the start, St. Louis jumped to the front and at the end of the first two weeks led the league. The first clash with eastern clubs proved disastrous for the Mound city crown, and after a campaign of two weeks around the western circuit Balti-

more was in front and retained the lead until June 16. The addition of Charles Carr, the veteran, put such batting strength into the Hoosier lineup that Indianapolis began to climb in June, and June 15 a double defeat of Baltimore by Kansas City and Indianapolis' win over Pittsburgh gave the Hoosiers the lead.

Chicago Go on Top. A serious slump by St. Louis late in June led the Chicago team into the race, and by beating Indianapolis July 2, Tinker's men went into first place. The Hoosiers for a time suffered a decline, once on their downward glide landing in fourth place, while Baltimore again became a factor.

August 15, the Hoosiers went to the front, and from that time on the race was mainly between them and Chicago. The Chicago team was on top in the last few days until a double defeat by Kansas City in Tuesday's game pushed Tinker's men into second place, Indianapolis beating St. Louis.

Leading factor in the Indianapolis victory were the pitching of Falkenberg and

Hardly had the ticket office opened than speculation began to sell seats for the games \$2 to \$5 above the regular prices. Five and \$2 tickets were quickly sold out and all the \$2 seats were disposed of early in the afternoon. When the ticket office windows closed there was still a long line on the street.

Enterprising householders whose homes border two sides of Shibe Park are erecting stands on the roofs of their houses. These will seat about 4,000 persons, and tickets are being sold at from 50 cents to \$2 each.

Buffed Win Two From Pittsburghs

BALTIMORE, Md., Oct. 7.—Baltimore won both ends of the double-header with Pittsburgh today, 5 to 3 and 4 to 3.

Both teams played listlessly, due chiefly to the weather, which was better suited to foot ball than base ball. Score, first game: R.H.E. Pittsburgh... 5 0 1 0 1 1 0 0 0-3 3 1 Baltimore... 0 1 0 0 3 1 0 0 0-2 10 2 Batteries: Harper and Roberts; Wilhelm and Kerr.

Score, second game: R.H.E. Pittsburgh... 0 0 0 1 0 0 0 0-1 1 2 Baltimore... 2 0 0 2 0 0 0 0-2 2 2 Game called eighth account of darkness. Batteries: Camnitz and Berry, Smith and Kerr.

Indianapolis Defeats Grizzlies in Ninth

DENVER, Colo., Oct. 7.—A ninth-inning rally by the Indianapolis team of the American association defeated Denver of the Western league today in the inter-league series, by a score of 4 to 5.

A double by Bronkie, scoring Reilly, followed by Metz' single, scoring Bronkie, tied the score and won the game for the visitors. Score: R.H.E. Indianapolis... 0 0 0 2 1 0 0 0-4 19 2 Denver... 5 0 0 0 0 0 0 0-5 16 2 Batteries: Harrington and Block; Metz, Schardt and O'Connell.

Falkenberg at Best and the Hoofeds Win

INDIANAPOLIS, Oct. 7.—Falkenberg was at his best today and Indianapolis won from St. Louis, 4 to 6, and clinched the championship. The local pitchers allowed three hits, two of them in the ninth inning, struck out eight batters and gave one base on balls. He was given perfect support. Fielder Jones, St. Louis manager, batted in the ninth inning and flew out.

Score: R.H.E. St. Louis... 6 0 0 0 0 0 0 0-2 2 2 Indianapolis... 4 0 0 0 0 0 0 0-4 16 2 Batteries: Davenport and Chapman, Falkenberg and Hardeen.

Cubs Take Opener From White Sox by Four to Two Score

CHICAGO, Oct. 7.—The Chicago Nationals drew first blood in the series to decide the championship of Chicago today, when they defeated the local Americans, 4 to 2. The older league representatives bunched their hits off Wolfgang and won easily. Good's double and Sailer's single gave them the first run, while singles by Brensahan and Good, a fielder's choice and Leach's double netted two more in the fifth inning, which was enough to win the game.

Inability to run the bases cost the American leaguers several runs and probably the game. They had men on the bases in every inning, but one and almost in each instance a runner was run down in the paths. They saved themselves from a shutout, when Schalk's double, Brensahan's sacrifice, Bodie's single and errors by Good and Derrick on Weaver's grounder and infield out scored to runs in the seventh.

The total paid attendance, as announced by the National commission, was 23,741. Total receipts, \$14,172.50. Of this amount the National commission receives \$1,417.25; the players share \$7,653.15; each club, \$2,555.05. Score: R.H.E. Nationals... 1 0 0 0 2 0 0 1 0-4 2 2 Americans... 0 0 0 0 0 1 0 0-2 8 6 Batteries: Vaughn and Brensahan; Wolfgang, Faber, Clotte and Schalk.
