LITTLE ROW OUT IN OPEN

Governor Morehead and Chairman George Have Small Wordfest.

QUIET OF CAMPAIGN IS BROKEN

Mutual Declarations that Party of Other is Allied with Corporations Cause Disturbance When Two Meet.

(From a Staff Correspondent.) LINCOLN, Oct. 7.—(Special.)—The quiet of the campaign, which has been carried on with hardly a ripple, was somewhat fractured yesterday when Governor Morehead, candidate for re-election on the democratic ticket, and State Treasurer George, chairman of the republican state committee, met in a local hotel and accused each other of being the representatives of the corporations.

The incident was brought about by the alleged publication of a statement by Colonel George that Governor Morehead was being backed by corporation influences. Governor Morehead called the chairman of the republican committee to task in somewhat vigorous language for the article and intimated that the democratic party was not allied with the corporations, now or at any other time.

Governor Wrath. It is said that the governor used some such words in an effort to arouse the ire of the state treasurer, but Colonel George only smiled and volunteered the information that he could back up his statements and could pull off a few more if necessary.

It is said that the governor volunteered the statement that he had a few things up his sleeve that he could turn loose and dared the chairman to come across. It is said that the latter dared back, and, while nobody fractured any village ordinances, a few statements are likely to be made before the campaign is over.

"Met" Coming Back. The democratic state committee has been advised that Richard is himself again and that Mr. Metcalfe will be in Nebraska next Monday to take hold of the campaign and from that time on make things lively. It is not given out whether the committee will stand the expenses of Mr. Richard traveling over the state in an effort to save the party or whether it will come out of that \$10,000 which Mr. Metcalfe is drawing.

Candidates to Resume Tour. The republican automobile speaking state candidates will take up the campaign next Monday morning for another week, beginning at Cairo in the morning, stopping at Sweetwater at noon and at Broken Bow at night. Tuesday it will be Calloway for the first stop, Eddyville at noon and Grand Island at night. Wednesday, Phillips in the morning, Bradshaw at noon and Osceola at night. Thursday, Shelby in the morning, David City at noon, and Madison at night. Friday they will take up the speaking along the Albion branch of the Northwestern, starting at Lindsey in the morning, Albion at noon and Fullerton at night.

Saturday will be Belgrade in the morning, Primrose or Spalding at noon and Ord at night. Speeches will be made at fifty towns in six days. As usual, the party will be headed by R. B. Howell, candidate for governor, with the state officers filling in. It is also possible that Senator Kemp of Fullerton will be with the party a part of the time.

Morehead to Make Speeches. Governor Morehead will put in a strenuous time next week, making fifty-two speeches in as many towns in the automobile trip he will take, which will begin Monday at Crete and end Saturday evening at Seward. Monday night he will be at Hastings, Tuesday night at Bertrand, Wednesday night at McCook, Thursday night at Red Cloud, Friday night at Geneva, and Saturday night at Seward. Towns between these points will be covered by short speeches, the schedule calling for from ten to thirty minutes at each place.

The marriage lines were read in Antelope park.
