New President of Electric Light Company is at His Office.

HE HAS MANY FRIENDS HERE

Was First in Omnha in 1877 as a Government Scout and Was in the Indian Uprising in

Idaho.

General George H. Harries, the new president of the Omalia Electric Light and Power company, arrived in the city yesterday and at once commenced an inspection of the system. At noon, after having partially looked over the plant, he and unkind treatment which your paper but have "played the game" as fairly asserted:

The Omaha system is an excellent piece of property and it will be kept at its present high standard, with improvements made from time to time as they

are needed. "I have come here to remain and I intend in the handling of this property to take the public into partnership. If there complaints to be made I hope the emplainants will come to me and not air their grievances upon the street corners. I want to make this the best and most efficient plant in the country and car do so if the community will stand by me.

Student of Electricity. General Rayles comes to the Omaha Electric Light and Power company with years of experience in electrical work and electrical engineering. He became a student of electricity as long ago as 1884 and has been active in electrical work eve since. He has written extensively upon electrical subjects, is a member of the Society of Electrical Engineers and of the American Electrical Railway association, having completed the term of service re-At this firm he is a general to the United Stafes army, having charge of the detenses of the city of Washington. the organized forces of the District of umbia and jurisdiction as such general over the citizens. Wos Government Scout,

The general does not come as a stranger to Omaba, for he has been here many times. His first introduction to the city was in 1877. At that time, as a young man, he was a government scout. Later on he went through the Bannock Indian uprising in Idaho and sold stories to numerous eastern papers. In 1884 he was again in Omaha, doing work on the old Republican, under S. P. Rounds, the proprietor. In this lips of work he knew all the old time newspaper men and remembers the business men of Omaha who were here then.

After a newspaper career he got back into the army and was with General Miles at the battle of Wounded Knee. After that battle he sold several descriptive magazine articles. Subsequently he succeeded General Crook on the Sious Indian commission, helping to Iron out the difficulties, re-establishing boundary lines and having to do with the tribal

relations of the different bands of Sloux. The general is married, has a wife and two grown cons. The family resides in Washington, but will remove to Omaha as soon as the younger son, who is now studying law, finishes his education,

The general asserts that he considers himself very fortunate in being able to locate in Omaha, deciaring that he likes the city and its people.

Expositions on Coast Progressing Nicely, Says Fort

Passenger Traffic Manager Fort of the Union Pacific is back from an extensive tour of the Pacific coast country, while there visiting both the San Francisco and

the San Diego expositions. He says: "The buildings on the San Francisc exposition site are practically completed and the installation of exhibits is well under way. Exhibits are arriving and everything, in my judgment, will be complete before the date set for the open-

"The Union Pacific's Yellowstone park exhibit is finished, with the exception of putting on the finishing touches. The vestaurant privilege has been awarded to Otto Muller, an Omaha man. There will be a theater that will seat 700 people and on the stage will be a real "Old Faithful" geyser, spouting real water.

The foreign exhibits are coming along in good shape and indications are that all ountries that contracted for space will STUDENT COUNCIL AT be on hand. Even those of the war sope, with the possible exception of one or two countries, will be represented.

At San Diego work is progressing rapidly and there many of the exhibits are being installed.

"California people are enthusiastic and are predicting an immense attendance at both expositions, believing that the war in Europe will result in Americans turning their attention to their own country and the attractions thereof."

Dry Farmers Making Good Money Dairying

Vice President Munroe of the Union Pacific is in from an extended trip through eastern Colorado and wes Kansas and in both states he found a deolded improvement in conditions. All through the dry farming area farmers have raised good crops and they are getting good prices for every thing they have to sell.

"The farmers of the dry farming belt have changed their systems during the last two years," added Mr. Munroe, "and now they are making money. They have gone into raising crops adapted to the localities and are getting results. Dairying is being carried on to a greater extent than ever before and the cow products are in good demand.

"Prior to going west. I spent considerable time in the east and in many places found a much better feeling. Business is showing ap improvement and concerns that manufacture goods and articles needed in the war zone of Europe are rushed with orders.

FALLING HAIR

For Four Years. Dandruff Could Be Seen Plainly. Head Burned and So Itchy Could Hardly Stand It. Used Cuticura Soap and Oint-Trouble Disappeared.

455 12th St., Detroit, Mich.-"I was troubled with falling hair and dandruff for about four years. The dandruff was very thick and my hair was always full of it. It could be seen plainly at times and whenever I would comb my hair it would come out presty bad and my coat would be covered with it. Whenever I would scratch my head it would get h' red and leave little pimples.

Then my head would burn and be so itchy that I could hardly stand it. "I tried almost everything but with no result till one night I happened to think about Cuticura Boap and Ointment and thought I would try them. After using them about two weeks I found they were doing me so much good that I kept right on using the Cutteura Soap for washing my hair and the Cuticura Ointment for rubbing on my scalp. Now my bair is nice and thick and I am not bothered with any more dandruff or falling hair. The trouble has disappeared." (Signed) Roy Mittendorf, Jan. 31, 1914.

HERE'S QUICK RELIEF FROM CONSTIPATION

Rheumasalts Routs Constination

Constipation doesn't linger when Rheu masalts takes action. This medically blended and absolutely pure carbonated lithia drink is the safest, most pleasant

Undigested, fermenting, putrifying foods which cause constipation, headaches and billousness yield quickly to Rheumasalts. Rheumasalts dissolved in water makes a delightful carbonated drink that cleans out the stomach and intestines, eliminates toxins and poisons, and leaves the intestinal canal clean and sweet.

If you are bothered with indigestion, billousness, neuralgia or rheumatism son, charged with breaking into the home then take Rheumasalts instead of drughabit-forming, heart-depressing cathartic pliks and "laxative" tablets.

Rheumasalts acts quickly and gently on the bowels, liver and kidneys, without griping or nauses. Can be used for infants as well as adults. It is a uric acid solvent as well as a saline laxative. Ask your druggist for about five ounces of Rheumasalts. Take two teaspoonfuls in a glass of water pefore breakfast each
