ARE TO PLAY FOR CHARITY

Local Talent to Put on the College Hero at the Brandeis.

SEVERAL HUNDRED IN CAST

Proceeds of the Performance Are to Go to the Child Saving Institute of the City.

The nursery committee of the Child Saving institute is sponsoring a benefit entertainment for that institution at the Brandels theater November 30, December 1 and 2. The performance will be "The College Hero," an operetta founded on college life, and will include a cast of several hundred young people. W. Mills Davis and Maud George Wylle of New York City have been brought here to take charge of the production. The first rehearsal was held Thursday afternoon and evening at Chambers' academy

"The College Hero" will be an elaborate display of scenery, costumes and electrical effects. The cast is composed of about twenty parts, and the choruses include college girls and college men, sororities, banjo giris, varsity crews, golf, tennis, basket ball girls, foot ball men, sailors, soldiers, guests, faculty, bell boys, maids, waiters and many other groups. Each group of participants will be required to rehearse but twice a week. No school students will be asked to rehearse in the evening or at such times as will interfere with their studies. The participants will receive lessons in dancing, stage presence and physical culture.

Sisters of Mercy Thank Those Who Assisted Jubilee

The occasion of the golden jubilee celewas an event long to be remembered. It had been looked forward to by the members of the Alumnae association for more than a year. They thought and planned for it. To them is due the splendid success of the day's proceedings. To the officers especially who devoted themselves wholly to the enterprise must be attributed the faultless execution of the well laid plans. The sisters are deeply grateful to every one of the old pupils who helped make the occasion just what it was, a day of joy and happy memories, There were others, too, who helped make the day a success. The clergy of the diocese, the business men of the city, the women and gentlemen who rendered the music for the mass at St. Patrick's, the students of the academies and the orchestra club, all are entitled to the gratitude of the Sisters. The pupils of St. John's school deserve special mention for their generous contribution toward the jubilee fund. The Sisters wish to thank one and all of their kind friends for the delightful commemoration of the event of fifty years ago.

Coffey Says the Compensation Bill Will Carry Tuesday

"Out of hundreds of labor unions in the state there are but three that have taken a definite stand against the workmen's compensation law," said F. M. Coffey of Lincoln, secretary-treasurer of the Nebraska Federation of Labor, in Omaha today. "I think it will carry at the election next Tuesday. In fact, there is no active opposition to it except by the personal injury lawyers.

"A peculiar situation in the opposition also arises in the fact that Mr. Kinsler, who opposes it because he says it doesn't give sufficient benefit to the laboring man, is himself alway the man retained by the packing houses to fight their personal injury cases for them."
