Recent dinner at the Loyal hotel had as honor guest an eastern artist, very popular with Omaha audiences.

This artist thinks himself some personage, justly or unjustly so remains from the view point solely, and is firm in his belief that he is the greatest of all living tenors.

His approach to Omaha is always heralded from the house tops, and incidentally his whole "Leben" lies in being properly and sufficiently introduced to the press.

On his last visit, he was immersed in type more than usually, but, though tragic to relate, in the columns of a local newspaper, he was referred to as a PIANIST and the sweet tenor lost in that "among-those-present" style.

This faux-pas pained him not a little, but to cap the climax he was sung to so tenderly during this dinner, by none other than our little cabaret artist at the Loyal, in the most unconcerned manner imaginable, and with all the poise of a Mary Garden.

After all this, do you fancy George will ever return?

Dodge Dancing Party. The affair of interest to Omaha society today is the dancing party to be given this evening in Council Bluffs by Mrs. N. D. Dodge and Miss Caroline Dodge in honor of Miss Marion Macrae, Miss Marie Stewart and Miss Ethel Waddell, a guest at the Everett home. The ball room of the Grand hotel, where the dance will be held, will be decorated profusely with potted plants, ferns and pink flowers. Among those planning to attend from Omaha are:

City Dads Decide Brick Paving for Fifteenth Street

City commissioners have designated brick as the proper pavement for Fifteenth street from Vinton to Lincoln avenue. A large number of residents appeared to argue for the several materials, the ball park owners and others desiring granite concrete, which is cheaper than brick.

City Clerk T. J. Flynn and George Grabe got into an argument when Grabe said "politicians promoted the paving petition and worked to create sentiment." Commissioners designated asphalt for the Twenty-fifth avenue, Spaulding to Evans, pavement.

The council designates the pavement only where there is a disagreement among property owners and no petition is considered sufficient.

UNION PACIFIC MEN BACK FROM HEARING

Union Pacific officials have returned from Denver, where they appeared before the examiner for the Interstate Commerce commission, resisting the throwing open of the Denver gateway to other railroads. As to what the decision will be not one of the officials will make any prediction, yet they are all hoping that the gateway will be closed as tight as it has been at any time in the past.

If the decision should go against the Union Pacific, that handed down by the commission will not be final. An appeal to the supreme court will be taken.

CITY UP AGAINST WATER BOSS

Howell Refuses to Let People Have Water to Flush the Sewers.

FAVOR VEHICLE ORDINANCE

Law for Light on Front and Back of All Vehicles Meets with Approval of the City Commissioners.

What recourse has the city if the "water boss" refuses to furnish water for the sewage flush tanks?

City Attorney John A. Rine has been asked by the city council to find out.

In the meantime fifty new sewers remain unfinished, and citizens complain that their health is being menaced.

City Engineer Watson Townsend said to the council:

"Mr. Howell insists that we meter the flush tanks. It would cost about \$4,000 to do this. We have provided each tank with a disc, so that less than 50,000 gallons a month pass through each tank. The water district is supposed to furnish at least 20,000 gallons a month.

"The Water board wants us to meter the tanks so that it can find out how water is used, for its own information."

An ordinance providing that all vehicles traveling at night on city streets carry lights which can be seen from front and rear has been recommended for passage by the council in committee of the whole. A hearing was set on the ordinance for this morning, but no one appeared.

"Go on and pass the ordinance and attempt to enforce it and then you'll have a delegation up here looking for a hearing," said Commissioner J. J. Ryder. The recommendation was by unanimous vote.

Parsons Recovering from Bad Accident

Neil Parsons was brought home Saturday from Davenport, Ia., and is now said to be recovering nicely from the shock of his fall in Davenport, where he broke both arms and suffered some internal injuries.

Mr. Parsons, son of Grant Parsons, contractor, was at work on one of his father's jobs, the construction of a large van and storage house at Davenport, when he and a companion worker fell ninety feet through an open elevator shaft. The companion was killed.

Young Parsons suffered two broken arms, more or less serious internal injuries and severe bruises.

COUNSMAN OBJECTS TO PROPOSED PLATTING

Objection has been made by Jacob Counsman to the plan of platting the old Poppleton estate, Sixteenth to Eighteenth street, south to Willis avenue. The council heard the objections to the street plans and decided to visit and inspect the land before approving the plat.

Railroads Liberal With Omaha Stop-Off During Exposition

Some weeks ago when the Omaha Commercial club asked the railroads to grant stopovers here during the holding of the Pacific coast exposition next summer the club members anticipated that if the request should be granted the tickets would provide for only a limited stay. Now word comes from the Chicago headquarters of all the Omaha roads that the club is going to get more than it dared ask for.

Railroad headquarters have been notified that on all through business to the Pacific coast during the continuance of the exposition the time limit on the Omaha stopover will be equal to the life of the ticket. In other words, a party going from Chicago to the Pacific coast will be permitted to stop in Omaha any length of time, so that he makes the round trip to the coast and get back to Chicago within the life of the ticket.

Something you want for that which you have

It is a very human desire—and one which frequently proves very profitable—to want to exchange that which we have for that which we want.

This brings us to the SWAPPERS' COLUMN

which is the medium used by Omaha people to make such exchanges.

To watch the "Swappers' Column" carefully is to find just what you are looking for. Or you can hasten results by an ad of your own.
