Great Preparations Being Made for Hospital Tag Day, December 12-Quarantine Order Lifted . Tonight.

Dismissal from the service was the sentence passed upon Fireman John Buglewicz yesterday afternoon by the South Omaha Pire and Police Board after a day's consideration. Buglewicz was found guilty of what was practically a failure to do his duty. It was charged against him that he had refused to "take smoke and water" which was explained to mean that he was timid about entering burning buildings

This is the second time that Buglewicz was dismissed from the department. The last time he appealed to the district court and Judge James English ordered him reinstated along with George Spears and Al Bolcourt. Spears was tried with Buglewicz this time also, but escaped with a ten days' suspension.

LISTEN GIRLS-

Just Council Bluffs girls only. The Council Bluffs office of The Bee has decided that our girls haven't an equal chance with the Omaha girls to win one of the beautiful dolls, so we are going to give one for Council Bluffs girls only; no one else can win her.

We wouldn't say it out loud, but we think she is prettier than the Omaha dolls, too, but we'll let you deeide that when you see her.

She will be in our window every day at 14 North Main St., and it will make you happy just to look at her. Her name is Mary,

your own. Mary will be given Free to the little Council Bluffs girl, under la years of age, that brings us the largest number of doll's pictures out out of the Dally and Bunday Bee before 4 p. m. Wednesday, December 1.

Her picture will be on the Council Bluffs page of The Bee every day. Cut them all out and ask your friends to save the pictures in their paper for you, too. See how many pictures of Mary you can get, and be sure to turn them in to The Bee office, 14 North Main St., before 4 p. m., Wednesday, December 1.

You can see "Mary" at 14 North Main St., The Bee Office.
